

## **Agricultural Committee Meeting dated 3/12/24**

**This was a Zoom only meeting.**

**Start time 7:02**

**Roll Call: Jeanne, Cheri, Diana, and Jennifer**

**No Public Comment**

**Last meetings minutes approved**

### **New Business**

- **Nancy talked to Scott moles and they've had zero registration forms sent in the last couple months they've only had one rooster complaint and it was more of an inquiry of any guidelines. She met with the new town economic advisor and she was supposed to meet with the gentleman that does the town website today but had to cancel due to illness. She feels he should be able to update our website once a season to keep it current. She will try and connect with him tomorrow or wed.**
- **Dianna suggests moving website from Wordpress to Wicks for an annual cost of \$200. Cheri will talk to town treasurer to see if they will cover that cost**
- **Cheri suggests that we hold on proposed Rooster Regulations until Sean hears back from the Farm Bureau regarding manure management.**
- **We received the minutes from Franklins meeting in regards to a 3 town (Franklin, Medway, Holliston) children's event highlighting community farms. Next meeting to discuss logistics of this event will be in Franklin on March 18, 2024 at 6:30pm.**
- **Jeanne will send out an email to farms in Holliston to get an idea if they would be interested in participating in some way.**
- **Next Ag meeting is April 1, 2024 at 7pm**

**Meeting Concluded at 7:30pm**
