

# Energy Committee

## *Grants Sub-Committee*

Overview of Funds availability  
Private/Public Sector

11/18/08

# Sources

- Private: Patagonia
- Public: MTC Matching Grants
- National Grid: Utility Rebate Programs
- Research other Vendor opportunities outside of possible PPA

# Proposal

- Establish Timelines for grant submissions linked with funds needed to pair with Rebate opportunities. No-Cost solution for town.
- Establish Email campaign to educate Holliston residents on MTC Matching Grants for communities to support Green Power/partner with schools/GS/BS & local organizations.

# Partnerships

- Local Resident whose responsibilities include identifying “Green” opportunities for National Grid in MA to meet State initiatives for % of overall green energy. Alliance includes grant writing experience/guidance. Schedule for future Energy Comm meeting.
