

Holliston Disability Advisory Committee
Town Hall – Room 105
May 15, 2008

Present: Brian Moore, Jim Moore, Deb Moore, and Susan Haley

The meeting began at 7:40 pm.

Brian Moore motioned to accept the minutes from April 3; Deb Moore seconded the motion. Motion carried 4-0-0.

Jim Moore hopes to have the first draft of the brochure back from his graphic designer before our next meeting. Jim will email it to the committee. We would like to get comments from the Board of Selectmen (or liaison) prior to completing the brochure.

We discussed creating a log that shows a wheelchair smashing through barriers.

The website is on hold for the moment. Information we would like to include on the website might be:

- description of our committee
- Brian's letter
- our brochure for local businesses
- information on ADA requirements
- Holliston tax programs for people with disabilities
- emergency preparedness information
- link to Mass Office on Disability
- link to other disability resources (Mass Rehab Commission, the Ride, etc.)

We wonder if the building in which Fiske's is located will become more accessible, given that the building is undergoing extensive renovation.

Our next meeting is scheduled for June 5, 2008 at 7:30 pm at the Town Hall.

The meeting adjourned at 8:10 pm.

Respectfully submitted,
Susan Haley
