Holliston Board of Assessors  
October 13, 2020  
5:30 pm Conference Room 014

The meeting of the Board of Assessors was called to order at 5:30 pm. Present were: Peter Barbieri, Vice-Chair, Mary Greendale, Clerk, Kathryn Peirce, Principal Assessor. Lesley Kennally, Chair arrived at 5:43pm

**The Board acted on the following:**

- K. Peirce is submitting categories of assessments to DOR as completed
  - (Commercial is in – Residential in pieces)
  - Others to follow
- Now they want reports on each category – K. Peirce has found problems:
  - No reports in software. Especially LA4 – not generating completely
- Motion P. Barbieri, Second, M. Greendale to purchase Personal Prop. Evaluation Software from RRC for \$1,500. Won't have people in the field, so the money could come from there.  
Next year – put into budget up front.
  - VOTE: 2-0-0 (L. Kennally had not yet arrived)
- Travis has asked K. Peirce to review any personnel questions with the Labor Counsel.
- November 30<sup>th</sup> – Classification hearing is the likely date
- All prop. record cards will be posted on web so people can access in pdf's.
- Expect to do ZOOM Meeting for public to ask questions, perhaps one 4 hour session
- Motion M. Greendale, Second L. Kennally to approve minutes of 8/19/2020
  - VOTE: 2-0-1
- Motion P. Barbieri, Second L. Kennally to approve minutes of 10/6/2020
  - VOTE: 2-0-1

The Meeting was adjourned at 5:50pm.

Respectfully Submitted:
