

Community Farm Advisory Board

Minutes 05/22/2017

Meeting called to order at 7:05.

Members present: Kriss, Jim, Bobby, Amine, Dennis, and Kristen

Guests: PJ, Gail, Kristen, Vicky, and Aislinn

This meeting agenda was not posted in time so the meeting is not in compliance with open meeting rules.

Survey update: Terry from Applewood is working on the survey but the project is much more difficult than he thought. He is hoping to have the lines between the houses done before the family event so the fencing can be put up. If it isn't done we will have to put up a temporary fence for the event.

Family Fun event:

PJ has everything he needs for the staging for band and speakers.

Hayrides: still need to come up with a trail for the tractor.

Friends of are still trying to fill all volunteer spots. We need about 25

Amine is taking of the music and finding the band.

Pj has the permit for parking, it will be allowed on one side of the street. Kriss is checking with the surrounding companies about using some lots.

Kriss is looking into tee shirts for the volunteers

There will be 3 bathroom units.

We will make sure that Kathys bees have food and water to help keep them from the event

Kristen H. and Kriss will work together on announcing and getting the apiary applications on the websites and Facebook.

Ribbon cutting for the apiary will be announced at the stage and then everyone can walk down and speakers will speak at site and do a ribbon cutting.

Mark Connolly will be doing 2 nature walks around the property.

BOS update on 6/5:

What will be discussed: A well-attended Easter egg hunt, wood is cut for the barn siding, underground water line has been installed for the community gardens, field planted with the cover crop, stockade fencing has arrived, and survey in progress.

Ajourned 8:36pm Next meeting 6/13.
