

Farm Advisory Board Minutes for 06/13/2017

Meeting called to order at 7:06pm

Will need to approve meeting minutes at next meeting

Members: Bobby, Jim, Amine, Kriss, Dennis, and Kristen

Guests: PJ, Gail, and Aislinn

Event: Overall opinion was it was a great event. Just some fine tuning. Planning should start sooner as well. We need more advertising. Then Music was awesome. Next year there should be an information stand with a list of the speakers and times. Possible move the speakers to a quieter area for their presentations.

Thank you cards should go out to all the people who helped and sponsored the event.

Master site plan: The community gardens will have to move, may move them further back so there is more usable area for events.

We need to look into quotes to get the house structurally sound. This will help with fund raising goals and an idea what we are dealing with. Kriss and Jim will look into a few contractors to take a look at the job.

We also need to look into a few trees that may need to come down for safety. WE also discussed for every tree that comes down planting a replacement.

Next meeting July 11th

Meeting Adjourned at 8:16pm
