Walter Bransen-. He has a concern about the soil of the garden plot. The acidity level is not to his expectations, so he would like to have use of the greenhouse until the end of June. The group voted on Walter using the greenhouse, it was all Nos. There are other educational purposes it could be used for.

Greenhouse: Bobby spoke to Mark Frank at Parks and Rec about groups or camps coming up to the farm to use the greenhouse for planting seeds in the spring. There was some excitement to get groups up there. They also have access to a bus. Kriss will call and look further into this.

Bobby is interested in renting a large plot to do more Dahlias. The group voted and all members were in favor.

St. Patricks Day Breakfast. We need to find a new place to hold the event. PJ asked if the group would like to be a part of it along with Holliston in Bloom. Our tasks would include finding silent auction items and ticket sales.

Our next meeting will be focused on the site plan and plans for the property going forward. PJ does have a plan for animals up on the property we will discuss then.
