New Business

Should the chair request a meeting with one of the town leaders, for example Select Board Tina Hein, to get help recruiting a new chair of the HCC who would be able to be more of an activist than the present chair is? The chair will present some arguments in favor of this idea.

Other new business if anyone has any

Old Business

1. Steve will report on his latest overture to the Timothy Daniels House to help them successfully apply for grants.
2. We will hear updates on Pooja's plans for an International Festival, if any.
3. We'll discuss communications from the MCC; who of our members wants to be on their mailing list; the array of grants that go beyond our Council's grants that the MCC offers to individuals and to cultural groups.
4. Should we revisit whether it is time to offer the mural paints in the chairperson's basement to one of the Holliston Schools?
