Steve read the official language and protocol on Zoom meetings.

We reviewed and approved the minutes from the February 16, 2022 meeting.

Old Business

- Thank you to Malini for handling the thank you to Manny for his service. It looks great! All adult voting members should Venmo Malini \$12. Steve and Malini will arrange to deliver the plaque.
- Mural project: Emma and Sophia will finalize a concept; Emma will reach out to the Mural Club at HHS to see if they are interested.
- Progress on my finding new members: Steve asked 3 individuals who declined. We will put language back up on the town FB pages, Council page, etc. Laurie will follow up with Malini and Yvette Cain about Holliston Reporter article featuring recent events and previewing future events and plugging new members. Malini will share the spreadsheet as well.

New Business

- The projects that have taken place so far. Do we need to remind the grantees of anything? Have we heard from them? Most seem familiar with the process in terms of how to get paid, etc.
- The journal-writing project: Steve will attend/participate and we will ask Holliston Youth and Family Services to confirm the series happened if reimbursement paperwork doesn't suffice.
- Other projects happening relatively soon--should we have a presence at some of our event? Steve will try to attend occasionally; other members are encouraged to think about going to an event.

The meeting adjourned at 7: 46pm. Our next meeting is scheduled for July 13, 2022 at 7pm.
