

Holliston Cultural Council

Date: October 18, 2017

Present: Walter Czarnek, Heather Kemp, Kent Kissinger, Richard Morse

Absent: Lee Kauffman

Guest: Emmanuel Franjul

Meeting called to order at 7:05 pm.

- **Council unanimously approved minutes of September 20, 2017 meeting.**
- **Emmanuel Franjul introduced as a potential new member of our Council**
- **Heather reviewed the proposed purchase of two signs to be used at Council sponsored events. Kent agreed to contact Mary Greendale to determine the artist's name of the Arch Bridge poster in order to credit the artwork.**
- **Summary review of the 20 grant applications we received for the current grant cycle. Each member will analyze the applications and be prepared to discuss the merits of each at our next meeting. We plan to make the initial approval and/or denial of these applications at that meeting.**
- **Old business: none to discuss**
- **New business:**
 - **Reviewed a verbal suggestion made by Holliston Reporter Editor to consider sponsoring a mural depicting the history of Holliston in the downtown area. He suggested the exterior walls of Fiske's and the Superette. While it was an interesting proposal, he did not own either of those two buildings and therefore we could not proceed on the idea and chose to pursue the project at a later date with the actual owners of the properties.**
- **Meeting adjourned**

Next scheduled meeting is Wednesday November 1, 2017 at 7 pm
