

### **Availability of Summary Health Information**

As an employee, the health benefits available to you represent a significant component of your compensation package. They also provide important protection for you and your family in case of illness or injury.

Your plan offers a series of health coverage options. Choosing a health coverage option is an important decision. To help you make an informed choice, your plan makes available a Summary of Benefits and Coverage (SBC), which summarizes important information about any health coverage option in a standard format, to help you compare across options.

The SBA is available on the web at <http://www.townofholliston.us/employment-personnel/pages/summary-of-benefits>. A paper copy is also available, free of charge, by calling 1-508-429-0602.
