

The Holliston Parks & Recreation Department  
Carry-In, Carry-Out Trash Policy

Effective March 1, 2010 the Holliston Parks & Recreation Department will be adopting a "Carry-In, Carry-Out" policy for waste management at the fields and parks in Holliston. Trash & recycling barrels will no longer be provided at the Holliston Recreational Facilities; therefore visitors, spectators, and all who use the Holliston Recreational Facilities will be asked to carry- out their waste, and dispose of it in a proper manner, or to recycle it when applicable. This program will commence on March 1<sup>st</sup> 2010 with the cooperation of Town Departments, Holliston Youth Sports and the Parks and Recreation Commission.

There are numerous benefits to this new program, some of which are listed below:

- Virtually eliminates the litter in the facilities thereby creating a more pleasant aesthetic atmosphere for all to enjoy
- Less wildlife rummaging through trash barrels and littering the fields.
- Terminates the swarms of bees around barrels, creating a safer environment for everyone.
- Less money & time spent on trash pick-up that will be re-directed for field improvements.

Carry-In, Carry-Out policy will begin at these facilities beginning March 1, 2010

Adams Field  
Damigella Field  
Flagg Field  
Goodwill Park Field  
Patoma Fields  
Stoddard Park Fields  
Mission Springs Recreation Area  
Weston Pond

Please assist us to help keep our recreation areas clean so that all may enjoy them!
