

The Holliston Parks and Recreation Department is looking to continue to combat an overabundance of goose activity at Weston Pond Field. The geese have become a serious nuisance, causing unsanitary field conditions, which have resulted in disruptions in play for the local youth organizations. The rules for the new policy are listed below:

- Dogs will be allowed on Weston Pond field, on, or off leash Monday-Friday from sunrise until 3:30pm
- Weston Pond is not a fully fenced area. There are natural boundaries that help keep the dogs contained but **this is not a fully contained dog park**. This is simply a policy change at Weston Pond field only.
- Owners are legally responsible and liable for their dogs and injuries caused by them.
- Dogs must be on leash in the parking lot.
- Please keep dogs off the field if town equipment (mowers or lining machines) are present at the fields. The typical schedule is Tuesday and Friday mornings but weather can impact this.
- Owners must clean up after their dog and bring all waste with them upon leaving, carry-in carry out trash policy still applies.
- Dogs must be properly licensed, inoculated and healthy.
- Dogs must wear a collar and ID Tag at all times.
- Owners must carry a leash at all times.
- If your dog becomes rough or unruly, leash the dog and leave the park. Dogs exhibiting aggressive behavior will have park privileges revoked.
- Bring puppies at your own risk.
- Owners must be in verbal control of their dogs at all times to prevent aggressive behavior.
- Never leave your dog unsupervised.
- Owners must not bring more than two (2) dogs to the park.
- Female dogs in heat are not allowed in the dog park.
- Children 16 years old and younger must be accompanied by an adult at all times.
- Keep children near you, and do not allow them to approach dogs without permission from you and the dog's owner
- Owners please fill in any holes your dog digs.
- NO Smoking or vaping
- All other Town of Holliston public property rules apply
