OPENING MESSAGE

WELCOME!

You are reading the first edition of Holliston Youth and Families Newsletter. In order to get the word out about the array of services we provide we have decided to do a newsletter once a month.

In this newsletter you will find information about what's been happening in our department. It's also a good way to stay in touch about what is needed in our schools and community in these ever changing times. If you haven't checked in with us lately I think you will be surprised and excited about all the wonderful things happening every day at our program. We welcome your feedback, and hope you will visit us at our program to learn more!

In every issue there will be a 'spotlight' topic to highlight different programming we can offer. In addition we will try to pull in community resources for children and families in need, as well as announcements and upcoming events for students and faculty.

If you have any questions, suggestions, or concerns please address them to Jaclyn Winer at Winerj@holliston.ma.edu.org
