

WASHINGTON STREET CORRIDOR IMPROVEMENTS

PROJECT UPDATE

Week of June 19 - June 23, 2017

- The final bid document package was posted on “biddocsonline”, a hosting service where the project plans and specifications can be accessed by contractors interested in bidding for construction services. The listing went live on June 21.
- Advertisement of the solicitation for construction bids was scheduled for publication in the Metro West Daily News starting on June 22, and in the Commonwealth of Massachusetts Central Register on June 28.
- Coordination for advertisement in Commbuys official procurement record system is currently also being scheduled.
