

# WASHINGTON STREET CORRIDOR IMPROVEMENTS

## PROJECT UPDATE

Week of May 29 – June 1, 2018

- Construction on Washington Street continues this week primarily with work associated with preparation for roadway repaving.

**Roadway repaving is scheduled for overnight this Thursday night, May 31/ June 1.**

**Please plan accordingly.**

Remaining major work items are as follows:

- Installation of traffic signal poles is ongoing.
- Imprinting/coloring of crosswalk pavement is scheduled to follow the paving operation.
- Completing final roadway striping (nighttime operation) and activation of new traffic signals is anticipated in mid to late June.
