

## WASHINGTON STREET CORRIDOR IMPROVEMENTS

### PROJECT UPDATE

Week of July 16 – July 20, 2018

- Construction on Washington Street is nearing completion with installation of the remaining new traffic signal mast arms and signal equipment at Hollis Street and Charles Street underway.
- Upon completion of installation, the new traffic signals will be set to “flash mode” for a period of approximately one week to allow motorists to become aware of their presence, prior to full activation. “Flash mode” is expected to begin by mid-week - around July 18.
- The following week (actual date TBD but currently anticipated July 24 or 25) the new traffic signals and new traffic pattern will be activated.
