

**9 Green Street Committee
Meeting Agenda
October 23, 2019 @ 6:00 PM
703 Washington Street, Holliston MA
Room 014**

1. Welcome new member: Faye Hale
2. Review and approve last meeting minutes
3. Review our Profile/Charge

4. Determine if we are agreeable to sending notice to the Select Board that they will need:
 - Submit an "eligible person" filing to MADEP within 120 days of taking office
 - Submit a Tier I permit application
 - Initiate an RFP for the environmental assessment of the property (is this an "MCP"?) Including the monitoring wells and local remediation of affected properties/buildings and anything else we need

5. Propose a publicly promoted meeting with neighbors and businesses and anyone else who would like to make their voice heard regarding the future of the property/building

6. Review the possibilities of the building on a person-by-person basis

7. Review statements of professionals regarding the building: Tighe & Bond, Paul Matuszko (PMC), other town officials (DPW Director, Building Inspector, Health Inspector, etc)

8. Once Around for closing comments/thoughts
