- The Board discussed properties associated with Kingsbury Drive. Mr. Petrozzi, representing Wall Street Development, discussed properties and values. Mr. Petrozzi claims lot 3.54.9 is combined with lot 3.24 and is now known as 3.23. The Board will have Ms. Peirce review. Mr. Petrozzi also claimed the value of certain lots exceeds the value he claims is justified as a result of site work and development. The Board informed Mr. Petrozzi that we value buildable lots in the same fashion as other developments including projected number of lot sales in a year as well as lot conditions (septic, street access, curbs, etc). Mr. Petrozzi brings to the Boards attention lots 17, 18, 19 (18 and 19 are now combined) and requests that the value for theses lots equal unbuildable. According to Mr. Petrozzi he adjusted accordingly in FY13. Mr. Barbieri requests developable costs for sites 24 and 26. Mr. Petrozzi claims that lot 29 is not buildable.
