Review deadline of March 28th (I believe) for updated schematic

Review what we need on that schematic/drawing:

- parking delinitated
- roadway - one way - roughed in (we have no roadway engineer or money for one)
- green space between diagonal and parallel parking spots
- triangle in front of Snack Shack
- Railroad Street and Exchange Street parking
- Railroad Street and Exchange Street ramp up to trail to help those using town parking behind Fire Station.
- Veterans Memorial exact location
