

Blair Square Committee

Minutes

August 3, 2020

Via Zoom

Chairman Conley called the meeting to order at 5:05 pm via zoom and read the zoom instructions. A roll call was taken.

Present: K. Conley, E. Woodhouse, G. Rice, W. McGrath, I. Daniels, H. Brockett, R. Harrold and T. Ahern

Absent: S. Lively, M. Ellis, P. Barbieri

A motion was made by McGrath, seconded by Rice to approve the minutes of June 15, 2020. The motion was approved on a roll call vote.

A discussion arose on the new plan presented by I. Daniels. Would we need a walkway to the pavilion area? Is there adequate emergency access? We need to determine the new location of the bike rack, bench and gazebo.

A motion was made by Conley, seconded by Rice to approve the new plan layout submitted by I. Daniels. The motion was approved on a roll call vote.

A great deal of discussion arose around the type and size of the pavilion. Do we want to keep a colonial feel or are we ok with a more modern design that will blend in. We have already determined the overall size of the structure from previous site visits. It was also agreed that the pavilion should face in the general area of CVS.

H. Harrold and I. Daniels were going to place different style structures on the plan for the committee to review. It was also suggested that maybe we could have all the structure designs placed together so that we could compare them.

The next meeting of the committee tentatively set for August 17th

The meeting adjourned at 6:20 pm with a voice vote of members.
