At this point in the meeting the committee took a walk around the site to look it over and also to see if there were any items that needed further attention.

The following items needed more work:

Fill in cracks on the seating wall

Add more stone dust to the rail trail

The No Parking sign is either in the wrong place or the grid is painted in the wrong place.

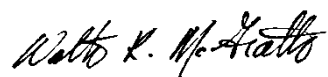

The pavilion is not expected to be available until sometime in July.

It was suggested that we hold off on any dedication until September, most likely on Celebrate Holliston which is September 23, 2023.

At this time S. Lively went over the procedure to hold events at Blair Square.

A motion was made by McGrath, seconded by G. Rice to adjourn the meeting at 6:40 pm.
Motion approved.

Respectfully submitted,
