Adult Use Cannabis Cultivation: Attorney Adam Fine representing Mayflower Medicinal was present and asked the Board to consider allowing his client to grow for adult use. They are proposing \$175,000 as a total payment to the Town under the Host Community Agreement for both medical and adult use. He would like approval for another one his clients Mass Botanicals to grow for adult use.

- J. Ritter said under the current moratorium the Town can only consider growing for medical unless the applicant had all approvals in place before the moratorium which in the case with Mayflower. A. Fine said he understood everything is subject to zoning.
- M. Ahronian asked if they wanted to sell the product in Holliston. A. Fine said no, regarding Mayflower's request to cultivate medical and adult use cannabis none would be sold in Holliston.
- K. Conley asked for a percent breakdown. A. Fine said he could get back to the Board, but he thought eighty (80%) percent would be for medical. Next year it could be more like 50-50.

- A. Fine said Mayflower had proposed a total of \$164,000 for both medical and adult use to be part of the Host Community Agreement. This is subject to negotiation.

There will be a twenty (20%) percent tax imposed by the Commonwealth for adult use.
- M. Ahronian made a motion to allow Mayflower to cultivate for adult use. Second, K. Conley. Voted 2-0

M. Ahronian said there were some unaddressed issues but J. Ritter has addressed those issues and has grown in the position. He noted his leadership and his attendance at night meetings as well as his support of department heads. He should not be afraid of sharing his opinion with the Board when he thinks it would make a useful contribution.
