

Holliston Community Farm Board

Meeting minutes

10/10/19

Members in attendance: Jim Taralli, Kriss Westland, Dennis Prefontaine, and Kristen Serocki

Guests: PJ Kilkelly, Gail Taralli

Meeting called to order at 7:10 pm by Kriss and seconded by Jim

Carter is really starting to get his composting project pulled together. He would like to get his survey out to the garden plot renters ASAP.

Dennis P. reached out to the Boy scouts to see if there is any interest in doing an Eagle Scout project up at the farm. He will let us know as soon as he hears anything.

Walter is interested in coming back next year for another planting season. He may be interested in a smaller plot for less money. After getting the water bill for the time he was there it may not be the right financial decision for the farm. Kriss will see if he would be interested in the large long plot that is open right now in the fenced in area. We could also use that area to grow the flower crops that will help raise money for the projects at the farm that still need to be funded.

PJ has made the decision to cancel the Pig Roast due to the possible triple E threat. The Select Board may not approve the permit and there would be way too much money lost on deposits if we waited longer to cancel it.

Haunted Walk: need to find out if the Select Board will approve permit for this event as well. It is too much work to forward if they will not allow us to have the evening event.
