Meeting called to order by Kriss at 7:08 seconded by Dennis

Last two meeting minutes approved by Kriss, seconded by Bobby

Norfolk Bee associations Bee picnic: Kriss is still trying to get more info about the date and details of the event. They had to cancel their picnic date due to rain and were curious if they could use the property. WE took a vote and all agreed to let them have their picnic on the property.

Bee Apiary: Kriss is interested in setting up a hive to get some of the high schoolers involved. Maybe a Jr. Beekeepers club? We will keep talking about this for the future.

Friends of Update: They received a check for \$3000 from the Lions club for the work that needs to be done on the barn. There is about \$7200 in the account as of now. They are working on the next event which is a Farm to table dinner in August.

Site update: Check out the interview on the Heartbeat of Holliston!

Talked to Holliston Septic about the system and will have to look into it further as house repairs and plans move forward.

Jim met with Bill Renard(?) he is willing to donate his time to do the excavation and equipment needed to clear out the back wall on the house and add Lolli columns.

Dennis, Kriss, and Jim are looking into quotes for structure repairs.

Amine was unable to be at the meeting so we will have to discuss the RFP at the next meeting.

Would like to ask the Friends of group to purchase some signs for the property pertaining to Clean up of trash and poop.

Meeting adjourned at 8:10 by Kriss and seconded by Bobby.
