Minutes 09/29/2021

Meeting called to order at 7:02 pm.

Members present: Dennis Serocki, Dennis Prefontaine, Kriss Westland, Shannon Gratton, and Kristen Serocki

Absent: Jim Taralli

Guest: Bobby Blair

Haunted Walk

The parade permit was approved by the police department and now just needs to be approved by the Select Board. The event would be from 5-9 with an auxiliary Police officer.

WE need to come up with a list of volunteers for the evening of the event as well as the set-up dates and trail clearing.

Dennis Serocki made a motion to have the event. It was approved by all present, contingent of the approval of the select board. There is still a bit of hesitation on the workload and our time frame.

The girls' scouts have said they would like to help, we would need to come up with some projects that would be suitable for them to do.

It would have to be more static sited, if we have more volunteers, we may be able to have some live scare sites., possible hot chocolate and/or hot cider. Possible Jack o lantern contest.

The weekend of Oct 23rd we should plan as a prep weekend to get as much set up as possible.

We will meet at the farm at 1 on Sunday to walk the trail to look at the work needed to be done there.

Bobby Blair came up with a fundraising idea for the farm on First night. It would happen after the Walk on the rail trail. It would be a bonfire at the farm from 8-10pm. We will sell tickets, possible band, Big Chief Band might do it for free. We could do food and hot beverages

possibly. Bobby will talk with the Fire chief to see if it would be approved before we move forward with having the event.
