

Holliston Community Farm Advisory Board

Minutes 05/12/2022

Members present: Dennis Prefontaine, Kriss Westland, Dennis Serocki, Shannon Gratton, and Kristen Serocki

Meeting called to order at 7:05

Motion to approve the last meetings minutes by Dennis Prefontaine seconded by Shannon with a couple of changes noted. Approved by all members.

Site Update:

Kriss talked with Mark Dellicker about the work on the house. He said he is available to do the work, it is now just a scheduling issue between all the other people involved.

CPC funding: They are looking in to if we can use any of the funds to fix up the house a bit for the bathroom in the side room of the house.

Dennis P. Spoke with Mike Tymin about the electrical panel upgrade and might be able to help us out. Mike thought we needed a 400-amp panel but that was when we were thinking of doing a commercial kitchen in the house. Dennis will set up a meeting to go over the getting electricity out to the greenhouse.

The girl scouts would like to do something to help around the farm. Possibly do the flower bed around the new sign.

CR: the draft was approved by town council. Sudbury Valley Trustees will potentially hold the CR so now we are just waiting for the final approvals.

Farms Day: Carrie believes we should participate in the event on Sept 11th. We could do tours and farm games. We will need to decide and come up with a plan for activities.

We need to plan a workday to finish some of the clean-up we started.

Seedling sale: Kristen needs to get more trays for the sale, Dennis will get the cash box with change. Shannon has already received orders online.

Meeting adjourned at 8:15
