

Holliston Cultural Council Minutes

Date: February 16, 2022

Time: 7:34

Present: Steve Durning (chair), Malini Rao, Alecia Thomas, Emma Wood (student rep)

Steve read the official language and protocol on Zoom meetings.

We reviewed and approved the minutes from the January 12, 2022 meeting.

New Business:

- We conversed about how to express our thanks to Manny and agreed on personally splitting the cost of a plaque
- We talked about our preference of meeting: zoom or town hall
- We discussed the possibility of new members and brainstormed some individuals we think would be a good fit (reach out and ask)

Old Business:

- We reviewed the mechanisms for keeping track of what grantees' have been done. We agreed on a member of the board (Steve) researching the timeline of projects, creating a spreadsheet, and having a member reach out monthly to scheduled grants to keep up to date on projects.

The meeting adjourned at 8:02pm. Our next meeting is scheduled for March 16, 2022 at 7pm.
