

Chief Water Operator - Treatment

The Town of Holliston is seeking applicants for the full time position of Chief Water Operator - Treatment. This position provides supervision of the operation and maintenance of the water treatment facilities, pump stations, and performs oversight of the Town's water quality management.

Position requires working knowledge of methods, techniques, principals and practices of water treatment. 10 years related experience is highly desirable.

The successful candidate will have a minimum of a Massachusetts Certified Water Operator's License, Grade 4T (Treatment) or equal level of another state with ability to transfer through reciprocity.

Thorough knowledge of water operations, practices, and procedures is required. Must have ability to utilize personal computers, data terminals, and specialized software application packages to perform related duties such as pump flow and chemical usage data, etc. Working knowledge of SCADA and data entry software such as H2O is required.

Please see the job description on the Town website for further detail.

Pursuant to the Collective Bargaining Agreement between the Town of Holliston and the Massachusetts and Northern New England Laborer's District Council of the Laborer's International Union of North America (CBA), this position is classified as Grade L7, and the salary range is \$31.59 - \$41.54. Salary will be dependent upon experience and qualifications. This is a full time, benefit eligible position at 40 hours per week.

Please e-mail your **application and resume** to Cheryl Houle at [houlec@holliston.k12.ma.us](mailto:houleec@holliston.k12.ma.us) by noon on Wednesday October 6, 2021. Applications can be found on the Town website. Applications may also be dropped off at Town Hall in the Treasurer's Office.

Position will remain open until October 6, 2021 or until filled.

The Town of Holliston is an EOE/AA.
