

## ONLINE PAYMENTS AND SERVICES

In order to ensure the well-being of our staff, we are strongly encouraging the use of our Online bill payment system. To access the town's online system, please visit the town's website at [www.townofholliston.us](http://www.townofholliston.us) and click on the Online Bills.

If you prefer you may use your own bill paying system through your personal banking system to make payments to the Town of Holliston. Please make sure that you indicate the bill number you are paying or the type of payment you are making such as "dog license".

For those payments that cannot be paid online, we have placed a mailbox on the side entrance to Town Hall that contains pens and envelopes that will allow you to place your payment into an envelope and mark the applicable department name on the envelope. Please make sure you write your name and contact number on the envelope should there be any questions regarding the payment enclosed. You may also mail payments to the applicable departments at Town Hall.

If you need the amount due for a particular bill and do not have access to a computer, please call the Treasurer/Collector's Office at 508-429-0602 or Water Department at 508-429-0603 and we will be happy to give you the amount due.
