Organization Mission: The Holliston Board of Selectmen established the Holliston Trails Committee on January 25, 1999 as a 7-member board. The mission of the Committee is to implement the goal of establishing a multi-purpose trail system through the Town of Holliston to connect with adjacent towns for the 24-mile looped trail network system connecting the towns of Holliston, Milford, Hopkinton, Ashland and Sherborn. The Committee assists the Board of Selectmen with the implementation process including: assistance with land leases, land acquisition, consultant coordination, grant applications, design decisions, publicity, support, safety measures and maintenance. The Committee members are expected to protect the health, safety and welfare of the residents of the town and the legal users of the trail.
