Goodwill park design adjustments- Planning and discussion

Mr. Bigelow thanked those community members for their input and perspective on the project. Ms.

Kaspern agreed that site lines need to be adjusted.

In the latest iteration of the plans, the pickle ball courts were removed and the basketball court layout has been adjusted. To address site line concerns, the pavilion and seating structure was moved to the side of the tennis courts. The bathrooms were moved closer to the courts. There are still concerns regarding the water levels near the courts, further investigation is needed.

The next meeting is scheduled for October 12, 2022 at 7pm.

Ms. Kaspern made a motion to adjourn the meeting, seconded by Mr. Bigelow. Motion carried.
