Please indicate the grounds on which you believe your plan not to be a subdivision:

A. Each lot on the plan or altered by it meets one of these criteria (Please circle and indicate applicable lot numbers):

Lot Numbers

- ✓ 1. Has all the frontage required under current zoning on:
- A public way; or
 - A way, which the Town Clerk certifies is maintained and used as a public way; or
 - A way shown on a subdivision plan approved and endorsed earlier by the Planning Board, namely HOPPING BROOK ROAD on _____; or
 - A way in existence and registered in the Land Court prior to February 1, 1952, the date when the Subdivision Control Law became effective in Holliston, having, in the opinion of the Planning Board, sufficient width, grades and adequate construction to provide for the needs of vehicular traffic in relation to the proposed purpose of the land abutting thereon or served thereby, and for the installation of municipal services to serve such land and buildings erected or to be erected thereon, namely _____.
2. Has been clearly marked on the plan to be either:
- Joined to and made a part of an adjacent lot, or
 - "Not a building lot"

B. The plan simply describes already existing parcels with no new lot divisions.

C. Two or more buildings were standing on the lot which existed prior to the effective date of the Holliston Subdivision Regulations and one of such buildings remains standing on each of the lots as shown on the plan. Evidence of the existence of such buildings prior to the effective date of the subdivision Control Law is as follows:

The undersigned hereby certifies that he/she has read and examined this application and that the proposed project is accurately represented in the statements made in this application.
