#### SECONDED

**DISCUSSION:** Our Town By-Laws require that the Town Meeting vote to allow non-residents and non-voters to address the Town Meeting.

**VOTE:** Passed by unanimous voice vote.

**ARTICLE 1.** To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for the Stabilization Fund; or take any action relative thereto. (Board of Selectmen)

**MOTION:** Moved that the Town vote to transfer \$250,000 to the Stabilization Fund from Free Cash. **SECONDED** 

#### **DISCUSSION:** None

**VOTE:** Passed by unanimous voice vote to accept Article 1 as stated in the motion.

**ARTICLE 2.** To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for the Capital Expenditure Fund; or take any action relative thereto. (Board of Selectmen)

**MOTION:** Moved that the Town vote to transfer \$2,467,154 from Free Cash to the Capital Expenditure Fund.

#### SECONDED

**DISCUSSION:** Ken Szajda, 676 Fiske St., gave an overview of the Warrant before Town Meeting. **VOTE:** Passed by unanimous voice vote to accept Article 2 as stated in the motion.

**ARTICLE 3**. To see if the Town will vote to authorize the Board of Selectmen to hold a public auction and or sale for the purpose of disposing of surplus departmental equipment; or take any action relative thereto. (Board of Selectmen)

**MOTION:** Moved that the Town vote to authorize the Selectmen to dispose of any and all surplus equipment.

### SECONDED

**DISCUSSION:** Dan Alfred, 315 High St., made a motion to Indefinitely Postpone Article 3. Mr. Alfred stated that this motion was a symbolic gesture to the Board of Selectmen for their actions on an Article that was removed from the Warrant.

**VOTE:** The motion to Indefinitely Postpone Article 3 was defeated.

Yes: 78 No: 200

**VOTE:** Passed by voice vote to accept Article 3 as stated in the original motion.

**ARTICLE 4**. To see if the Town will vote to raise and

appropriate and/or transfer from available funds, or borrow a sum of money for the purpose of capital expenditures, including replacement of old vehicles and equipment, for the following departments: Board of Selectmen, School Committee, Department of Public Works (Highway), Department of Public Works (Water), Police Department, Fire Department, Council on Aging, and Parks and Recreation and to authorize the Board of Selectmen to trade or sell used equipment toward part of the purchase price; or take any action relative thereto. (Board of Selectmen)

Infrastructure (Bleachers)	Schools	\$75,000
Technology	Schools	\$58,859
Curriculum	Schools	\$370,675
Sub-Total:		\$1,789,940

#### SECONDED

**DISCUSSION:** Sam Tyler, 353 chamberlain St., made a Motion to delete \$370,675 for curriculum expenditures from the total. Mr. Tyler believes that this is an operating expense and not a Capital. Brad Jackson, Supt. of Schools, stated that this is a one-time purchase, which qualifies it as a capital expense. **AMENDED MOTION:** Move that the Town vote to delete \$370,675 for curriculum expenditures from the total.

**VOTE:** The Motion to amend Article 4 was defeated unanimously by voice call vote.

**VOTE:** Passed by unanimous voice vote to accept Article 4 as originally stated in the motion.

**ARTICLE 5**. To see if the Town will vote to transfer from available funds a sum of money for the purpose of reducing the amount of money to be raised through property taxes for fiscal year 2020; or take any action relative thereto. (Board of Selectmen)

MOTION: Moved that the Town vote to indefinitely postpone this Article. SECONDED DISCUSSION: None VOTE: Unanimously passed by voice call vote to Indefinitely Postpone Article 5. **ARTICLE 6.** To see if the Town will vote to appropriate \$174,000 from the Community Preservation Open Space Reserve and \$326,000 from the Community Preservation Fund's General Reserve for a total of \$500,000 for the purpose of acquiring an Agricultural Preservation Restriction (APR) in all or part of land, parcel ID # is Map 10 Block 1 pcl 4.0; located at 0 Highland Street, and off 28 South Street, Ashland, MA containing 28.74 acres more or less, and;

to see if the Town will vote to appropriate \$100,000 from the Community Preservation Fund's General Reserve for the purpose of assisting the Holliston Parks and Recreation Department with renovations to youth baseball fields owned by the Town, and;

to see if the town will vote to appropriate \$15,000 from the Community Preservation Funds Historic Preservation Reserve for the purpose of assisting the Holliston Historical Society with improvements to its fire alarm system. (Community Preservation Committee)

**MOTION:** Moved that the Town vote to transfer \$174,000 from the Community Preservation Open Space Reserve and \$326,000 from the Community Preservation Fund General Reserve for a total of \$500,000 for the purpose of acquiring an Agricultural Preservation Restriction (APR) on the Thistle Dew Farm;

and for the Town to vote to transfer \$100,000 from the Community Preservation Fund General Reserve for renovations to youth baseball fields owned by the Town;

and for the Town to vote to transfer \$15,000 from the Community Preservation Fund Historic Preservation Reserve for the purpose of assisting the Holliston Historical Society with improvements to its fire alarm system.

#### SECONDED

**DISCUSSION:** Lixy Carey, 37 Green St., explained the benefits of the Agricultural Preservation Restriction. Brian McDonald, 14 Howard St., stated that he is the President of Holliston Youth Baseball & Softball, and that this request will repair our fields, after many years of neglect. John Curley, 833 Central St., feels that spending the money on the Agricultural Restriction, seems more like a private real estate transaction, and doesn't feel that we should spend the money on an already restricted parcel. Mary Greendale, 198 Highland St., explained that the land is currently zoned for Agriculture, but that it could be re-zoned at a later date. With the Agricultural Preservation Restriction, this could never be changed. She also stated that the current owner could sell the land for a much higher price to a builder, however, he wants to preserve the agriculture nature of the land permanently. Tony Lulek, 35 Dalton Rd., would like to know who will be farming it, who would hold the title to the property, who is paying the difference of \$290,000, and what happens when the owner dies. Ms. Carey responded that the current owners of Out Post Farm, will pay the agricultural value of \$290,000, will own the property, will farm it, and will hold the deed. Additionally, the Town and State will hold the Restriction, and once the current owner passes away it can only be sold to and used as a farm. Ms. Greendale reiterated the fact that any future owner of the farm would only be able to sell it for the current agricultural value of the land, and what Holliston is buying is the agricultural preservation, so that it will forever be a farm.

**VOTE:** Unanimously passed by voice call vote to approve Article 6 as stated in the motion.

**ARTICLE 7**. To see if the Town will vote to raise and appropriate or transfer from available funds \$15,000 for legal services to support the Cable Advisory Committee and the Board of Selectmen in the negotiations and license renewal proceedings for a new long-term cable license Agreement(s) and

related documents, or take any action relative thereto for a twelve (12) month period commencing, November 1, 2019 or take any action relative thereto. **(Board of Selectmen)** 

**MOTION:** Moved that the Town vote to transfer \$15,000 from free cash for the purposes of obtaining legal services for the Cable Advisory Committee and the Board of Selectmen with negotiations and cable license renewal proceedings.

#### SECONDED

**DISCUSSION:** None

**VOTE:** Unanimously passed by voice call vote to approve Article 7 as stated in the motion.

**ARTICLE 8.** To see if the Town will vote to raise and appropriate or transfer from available funds \$75,000 to be expended by the Board of Selectmen, for the development of a water infrastructure asset management plan and to accelerate the water line replacement work completed to date, or take any action relative thereto. **(Board of Selectmen)** 

**MOTION:** Moved that the Town vote to transfer \$75,000 from Water Retained Earnings for the development of a water infrastructure asset management plan and to accelerate water line replacements. **SECONDED** 

DISCUSSION: John Cronin, 40 Holly Ln., is in favor of this Article and urges residents to approve the funds to create a scheduled water pipe replacement plan that will also increase the current replacement rate of 1 mile/yr. to approx. 3 miles/yr. Ken Szajda, 676 Fiske St., is concerned about the amount of money, stating that if we increase the pipe replacement by 3 times the current rate, we will be paying 3 times the amount of the current \$300.00 annual water infrastructure fee. Mr. Szajda made a motion to indefinitely postpone Article 8. Ben Sparrell, 1460 Highland St., stated that he is in favor of this plan, and that we need a strategic plan with all the current needs of the Town, such as the Library, High School, Highway/DPW, and sidewalks, he feels that we could benefit from this study looking at the future of Holliston. Mark Ahronian, 108 Concord St., urges resident to support this plan and stated that if we stay with the current plan it will take 55 years to replace the already decaying pipes, if we increase the plan to 3 miles/yr. it will only take 18 years. Vin Murphy, 432 Norfolk St., said that he supports indefinite postponement, and would like more time to research this study to coincide with other necessary town projects. Tina Hein, 142 Union St., pointed out that this study would include a future needs assessment and identify new water sources for the Town, taking new and current businesses into consideration that the allotted 1 Million Gallons per day, could impact our ability to attract a broader, bigger business base. Secondly, this study would identify the cost of accelerated pipe replacement and a variety of funding sources.

MOTION: To Indefinitely Postpone Article 8 SECONDED VOTE: Article 8 was Indefinitely Postponed, by a hand count vote.

Yes - 155 No - 118

ARTICLE 9. To see if the Town will vote to transfer from water retained earnings \$15,000 for the purposes of completing a water rate study, or take any action relative thereto.(Board of Selectmen)

MOTION: Moved that the Town vote to transfer \$15,000 from Water Retained Earnings for the purposes of completing a water rates study. SECONDED DISCUSSION: None **VOTE:** Unanimously passed by voice call vote to approve Article 9 as stated in the motion.

**ARTICLE 10**. To see if the Town will vote to raise and appropriate or transfer from available funds \$50,000 to be expended by the Board of Selectmen, to conduct a feasibility study to evaluate possible locations, including the existing location, for a new or expanded Department of Public Works facility, or take any action relative thereto. **(Board of Selectmen)** 

**MOTION**: Moved that the Town vote to transfer \$50,000 from the Capital Expenditure Fund for the purposes of completing a feasibility study to evaluate possible locations, including the existing location for a new or expanded Department of Public Works facility.

#### SECONDED

**DISCUSSION:** John Cronin, 40 Holly Ln., made a motion to Indefinitely Postpone Article 10. **VOTE:** Article 10 was Indefinitely Postponed, by a unanimous voice vote.

**ARTICLE 11:** To see if the town will vote to raise and appropriate or transfer from available funds \$40,000 for the purposes or creating a sidewalk asset inventory plan and prioritization plan including but not limited to design, engineering, and construction management and maintenance services, or take any action relative thereto. **(Board of Selectmen)** 

**MOTION**: Moved that the Town vote to transfer \$40,000 from Capital Expenditure Fund for the purposes of completing a sidewalk asset inventory plan and prioritization plan for the design, engineering, and construction management and maintenance services for sidewalks. **SECONDED** 

**DISCUSSION:** Tina Hein, 142 Union St., urges residents to vote in favor of this Article, as it improves pedestrian safety. We currently have multiple projects in Town that will bring more pedestrians into the downtown area, and we need to make walkability and bicycle safety a priority. Ken Szajda, 676 Fiske St., stated that the Complete Streets Program offered through Mass. D.O.T. assists Town's with developing a policy for creating a prioritization plan and will also assist with obtaining grant money for the study. He feels that we should develop our policy, working with Mass D.O.T. before we finance a study. He then made a motion to indefinitely postpone Article 11. Ms. Hein stated that the Complete Street Program, encompasses many things including signalization, traffic calming, bump outs, etc. The Town is currently developing its policy, and attending forums, we are not behind the 8 ball, she feels that this study would give us what we need to add to a master plan for sidewalks, which we do not currently have.

**MOTION:** To Indefinitely Postpone Article 11.

**VOTE:** Article 11 was Indefinitely Postponed, by a hand count vote.

Yes: 132 No: 125

**ARTICLE 12:** To see if the Town will vote to raise and appropriate, transfer from available funds or borrow \$60,000 for the purpose of purchasing an Annual Service Agreement and hardware related to the implementation of an Advanced Metering Infrastructure system with Mueller Systems, Inc.; or take any action relative thereto. **(Board of Selectmen)** 

**MOTION**: Moved that the Town vote to transfer \$60,000 from the Water Meter fee account for the purposes of purchasing water meter hardware and an Annual Service Licensing Agreement. **SECONDED** 

#### **DISCUSSION:** None

**VOTE:** Unanimously passed by voice call vote to approve Article 12 as stated in the motion.

**ARTICLE 13:** To see if the Town will vote to raise and appropriate, transfer from available funds or borrow \$25,000 for the purpose of removing an abandoned building(s) and other site work as needed, or take any action relative thereto. **(Board of Selectmen)** 

**MOTION:** Moved that the Town vote to transfer \$25,000 from free cash for the purposes of removing abandoned structures on Town owned property at 310 Woodland Street. **SECONDED** 

**DISCUSSION:** None

**VOTE:** Unanimously passed by voice call vote to approve Article 13 as stated in the motion.

**ARTICLE 14:** To see if the Town will vote to rename the Board of Selectmen to Select Board and to make all corresponding amendments to the Town's General By-Laws to reflect such change, or take any action relative thereto. **(Board of Selectmen)** 

**MOTION**: Moved that the Town vote to change the name of the Board of Selectmen to Select Board, amend the General By-Laws to reflect such change, and to take all appropriate actions to implement this change.

#### SECONDED

**DISCUSSION:** Marilyn Horn, 22 Winthrop St. made a motion to Amend Article 14, by changing "Select Board to Board of Selectpersons, Change Selectman to Selectperson, Selectmen to Selectpersons". Tina Hein, 142 Union St., stated that the Mass. Municipal Assoc., recognizes "Select Board" statewide, and this would align Holliston with that.

**MOTION TO AMEND:** Changing "Select Board to Board of Selectpersons, Change Selectman to Selectperson, Selectmen to Selectpersons".

**VOTE ON AMENDMENT:** Motion to Amend Article 14 failed unanimously by voice vote. **VOTE:** Unanimously passed by voice call vote to approve Article 14 as stated in the original motion.

**ARTICLE 15:** To see if the Town will vote to authorize the Board of Selectmen, with the approval of Town Counsel as to form, to accept a half (1/2) share ownership on two (2) parcels of land located in the area 0 Mohawk Path as gift and donation of land, from the Generazio Realty Trust, and or the fee or any lesser interest in all or part of the parcel(s) of land consisting of approximately 4.47 acres of land (Board of Assessors Map 15, Block 1, Parcel 1; 2.17 acres and Board of Assessors Map 15, Block 1, Parcel 2; 2.23 acres) more or less, and, further to authorize the Selectmen to accept any and all necessary restrictions on such land and, further to appropriate a sum of money for the administrative costs for securing such transactions, or take any action relative thereto. **(Board of Selectmen)** 

**MOTION**: Moved that the Town vote to accept the donation of land as more particularly described and printed in the Warrant from Generazio Realty Trust said property to be used for general municipal purposes, and to transfer \$5,000 from free cash for all related legal work, and further to authorize the Board of Selectmen to enter into and execute any and all documents necessary to effectuate the conveyance of the property on such terms deemed advisable.

#### SECONDED

#### DISCUSSION: None

**VOTE:** Unanimously passed by voice call vote to approve Article 15 as stated in the motion.

**ARTICLE 16:** To see if the Town will vote to raise and appropriate or transfer from available funds \$59,950 for engineering services related to compliance with the EPA and Mass DEP Municipal Storm Water Management Regulations. Funds to be used to develop regulatory mechanism assistance, operations and maintenance plan, Stormwater pollution prevention plan preparation, public education assistance, integrated GIS data collection, field work BMP inspections, and annual report; or take any action relative thereto. **(Board of Selectmen)** 

**MOTION**: Moved that the Town vote to transfer from free cash \$59,950 to be used for the development of regulatory mechanism assistance, operations and maintenance plan, Stormwater pollution prevention plan preparation, public education assistance, integrated GIS data collection, field work BMP inspections, and an annual report.

#### SECONDED

#### **DISCUSSION:** None

**VOTE:** Unanimously passed by voice vote to accept Article 16 as stated in the motion.

**ARTICLE 17:** To see if the Town will vote to raise and appropriate or transfer from available funds \$60,975 for the FY2020 budget to account number 01422-51100 (Facilities Manager) for the purposes of hiring a Facilities Manager, to be supervised by the DPW Director, and to oversee and implement a facilities assessment plan, for the repairs and maintenance of all public buildings and facilities, or take any action relative thereto. **(Board of Selectmen)** 

**MOTION**: Moved that the Town vote to raise and appropriate \$60,975 for the purposes of hiring a Facilities Manager.

#### SECONDED

**DISCUSSION:** John Varrell, 928 Washington St., asked if the duties would include the School Properties. John Cronin, 40 Holly Ln., stated that by year 3 of this position it will include the schools. It will take some time for the position to grow and get up to speed with the current maintenance needs. **VOTE:** Unanimously passed by voice vote to accept Article 17 as stated in the motion.

**ARTICLE 18:** To see if the Town will vote to raise and appropriate or transfer from available funds \$45,000 for the purposes of determining the condition and legal ownership of various dams including any water rights if any, or take any action relative thereto. **(Board of Selectmen) MOTION:** To see if the Town will vote to transfer from free cash \$45,000 to determine the condition and legal ownership of various dams including water rights if any.

# SECONDED

**DISCUSSION:** None

**VOTE:** Unanimously passed by voice vote to accept Article 18 as stated in the motion.

**ARTICLE 19:** To see if the town will vote to amend its General By-Laws by adding the following section; (**Board of Selectmen**)

#### ILLICIT DISCHARGE

#### Section 1. Purpose

- A. Increased volumes of stormwater and contaminated stormwater runoff are major causes of:
  - 1. impairment of water quality and reduced flow in lakes, ponds, streams, rivers, wetlands and groundwater;
  - 2. contamination of drinking water supplies;

- 3. alteration or destruction of aquatic and wildlife habitat; and
- 4. flooding.

The United States Environmental Protection Agency has identified land disturbance and polluted stormwater runoff as major sources of water pollution. Regulation of illicit connections and discharges to the municipal storm drain system is necessary for the

protection of the Town of Holliston's water bodies and groundwater resources and to safeguard the public health, safety, and welfare and the natural resources of the Town.

- B. The objectives of this By-Law are:
  - 1. To prevent pollutants from entering the Town of Holliston's municipal storm drain system;
  - 2. To prohibit illicit connections and unauthorized discharges to the municipal storm drain system;
  - 3. To require the removal of all such illicit connections;
  - 4. To comply with state and federal statutes and regulations relating to stormwater discharges; and
  - 5. To establish the legal authority to ensure compliance with the provisions of this By-law through inspection, monitoring, and enforcement.

#### Section 2. Definitions

For the purposes of this By-law, the following shall mean:

Clean Water Act: The Federal Water Pollution Control Act (33 U.S.C. §1251 et seq.) as hereafter amended.

**Discharge of Pollutants:** The addition from any source of any pollutant or combination of pollutants into the municipal storm drain system or into the waters of the United States or Commonwealth from any source.

Groundwater: Water beneath the surface of the ground including confined or unconfined aquifers.

**Illicit Connection:** A surface or subsurface drain or conveyance, which allows an illicit discharge into the municipal storm drain system, including without limitation sewage, process wastewater, or wash water and any connections from indoor drains, sinks, or toilets, regardless of whether said connection was previously allowed, permitted, or approved before the effective date of this By-law.

**Illicit Discharge:** Direct or indirect discharge to the municipal storm drain system that is not composed entirely of stormwater, except as exempted in Section 7. The term does not include a discharge in compliance with an NPDES Storm Water Discharge Permit or a Surface Water Discharge Permit, or resulting from fire fighting activities exempted pursuant to Section 7, subsection B, of this By-law.

**Municipal Storm Drain System or Municipal Separate Storm Sewer System (MS4):** The system of conveyances designed or used for collecting or conveying stormwater, including any road with a drainage system, street, gutter, curb, inlet, piped storm drain, pumping facility, retention or detention basin, natural

or man-made or altered drainage channel, reservoir, and other drainage structure that together comprise the storm drainage system owned or operated by the Town of Holliston.

**National Pollutant Discharge Elimination System (NPDES) Storm Water Discharge Permit:** A permit issued by the United States Environmental Protection Agency or jointly with the State that authorizes the discharge of pollutants to waters of the United States.

**Non-Stormwater Discharge:** Discharge to the municipal storm drain system not composed entirely of stormwater.

**Person:** An individual, partnership, association, firm, company, trust, corporation, agency, authority, department or political subdivision of the Commonwealth or the federal government, to the extent permitted by law, and any officer, employee, or agent of such person.

**Pollutant:** Any element or property of sewage, agricultural, industrial or commercial waste, runoff, leachate, heated effluent, or other matter whether originating at a point or nonpoint source that is considered toxic to humans or the environment and may be introduced into any sewage treatment works or waters of the Commonwealth. Pollutants shall include, but not be limited to:

- (1) paints, varnishes, and solvents;
- (2) oil and other automotive fluids;
- (3) non-hazardous liquid and solid wastes and yard wastes;
- (4) refuse, rubbish, garbage, litter, or other discarded or abandoned objects, ordnances, accumulations and floatables;
- (5) pesticides, herbicides, and fertilizers;
- (6) hazardous materials and wastes; sewage, fecal coliform and pathogens;
- (7) dissolved and particulate metals;
- (8) animal wastes;
- (9) rock; sand; salt, soils;
- (10) construction wastes and residues;
- (11) and noxious or offensive matter of any kind.

**Process Wastewater:** Water which, during manufacturing or processing, comes into direct contact with or results from the production or use of any material, intermediate product, finished product, or waste product.

Stormwater: Runoff from precipitation or snow melt.

**Surface Water Discharge Permit.** A permit issued by the Department of Environmental Protection pursuant to 314 CMR 3.00 that authorizes the discharge of pollutants to waters of the Commonwealth of Massachusetts.

**Toxic or Hazardous Material or Waste:** Any material, which because of its quantity, concentration, chemical, corrosive, flammable, reactive, toxic, infectious or radioactive characteristics, either separately or in combination with any substance or substances, constitutes a present or potential threat to human health, safety, welfare, or to the environment. Toxic or

hazardous materials include any synthetic organic chemical, petroleum product, heavy metal, radioactive or infectious waste, acid and alkali, and any substance

defined as Toxic or Hazardous under G.L. Ch.21C and Ch.21E, and the regulations at 310 CMR 30.000 and 310 CMR 40.0000.

**Watercourse:** A natural or man-made channel through which water flows, or a stream of water, including a river, brook or underground stream.

Waters of the Commonwealth: All waters within the jurisdiction of the Commonwealth, including, without limitation, rivers, streams, lakes, ponds, springs, impoundments, estuaries, wetlands, coastal waters, and groundwater.

**Wastewater:** Any sanitary waste, sludge, or septic tank or cesspool overflow, and water that during manufacturing, cleaning or processing, comes into direct contact with or results from the production or use of any raw material, intermediate product, finished product, byproduct or waste product.

#### Section 3. Applicability

This By-law shall apply to flows entering the municipal storm drainage system.

#### Section 4. Authority

This By-law is adopted under authority granted by the Home Rule Amendment of the Massachusetts Constitution, the Home Rule statutes, and in accordance with the regulations of the federal Clean Water Act found at 40 CFR 122.34 and the Phase II ruling from the Environmental Protection Agency found in the December 8, 1999 Federal Register.

#### Section 5. Responsibility for Administration

The Select Board (the "Board") shall administer, implement and enforce this By-law. Any powers granted to or duties imposed upon the Select Board may be delegated in writing by the Director of Public Works, who may further delegate authority to employees or agents of the Department.

#### Section 6. Regulations

The Board may promulgate rules and regulations to effectuate the purposes of this By-law. Failure by the Board to promulgate such rules and regulations shall not have the effect of suspending or invalidating this By-law.

#### Section 7. Prohibited and Exempt Activities

A. <u>Prohibited Activities</u>

- 1. Illicit Discharges. No person shall dump, discharge, cause, or allow to be discharged any pollutant or non-stormwater discharge into the municipal storm drain system, into a watercourse, or into the waters of the Commonwealth.
- 2. Illicit Connections. No person shall construct, use, allow, maintain, or continue any illicit connection to the municipal storm drain system, regardless of whether the connection was permissible under applicable law, regulation, or custom at the time of connection.

3. Obstruction of Municipal Storm Drain System. No person shall obstruct or interfere with the normal flow of stormwater into or out of the municipal storm drain system without prior written approval from the board.

#### B. <u>Exemptions</u>

- 1. Discharge or flow resulting from fire-fighting activities;
- 2. The following non-stormwater discharges or flows are exempt from this By-law, provided that the source is not a significant contributor of a pollutant to the municipal storm drain system:
  - a. Waterline flushing;
  - b. Flow from potable water sources;
  - c. Springs;
  - d. Natural flow from riparian habitats and wetlands;
  - e. Diverted stream flow;
  - f. Rising groundwater;
  - g. Uncontaminated groundwater infiltration as defined in 40 CFR 35.2005(20), or uncontaminated pumped groundwater;
  - h. Discharge from landscape irrigation or lawn watering;
  - i. Water from exterior foundation drains, footing drains (not including active groundwater dewatering systems), crawl space pumps, or air conditioning condensation;
  - j. Water from individual residential car washing;
  - k. Discharge from dechlorinated swimming pool water (less than one ppm chlorine). provided test data is submitted to the Town substantiating that the water meets the one ppm standard, and the pool is drained in such a way as not to cause a nuisance or public safety issue and complies with all applicable Town By-laws;
  - 1. Discharge from street sweeping;
  - m. Dye testing, provided verbal notification is given to the board prior to the time of the test;
  - n. Non-stormwater discharge permitted under an NPDES permit or a Surface Water Discharge Permit, waiver, or waste discharge order administered under the authority of the United States Environmental Protection Agency or the Department of Environmental Protection, provided that the discharge is in full compliance with the requirements of the permit, waiver, or order and applicable laws and regulations; and
  - o. Discharge for which advance written approval is received from the board as necessary to protect public health, safety, welfare or the environment.
- 3. Discharge or flow that results from exigent conditions and occurs during a State of Emergency declared by any agency of the federal or state government, or by the Town Administrator, Board of Selectmen or Board of Health.

#### Section 8. Emergency Suspension of Storm Drainage System Access

The Board may suspend municipal storm drain system access to any person or property without prior written notice when such suspension is necessary to stop an actual or threatened discharge of pollutants that presents imminent risk of harm to the public health, safety, welfare or the environment. In the event any person fails to comply with an emergency suspension order, the board may take all reasonable steps to prevent or minimize harm to the public health, safety, welfare or the environment.

#### Section 9. Notification of Spills

Notwithstanding other requirements of local, state or federal law, as soon as a person responsible for a facility or operation, or responsible for emergency response for a facility or operation has information of or suspects a release of materials at that facility or operation resulting in or which may result in discharge of pollutants to the municipal drainage system or waters of the Commonwealth, the person shall take all necessary steps to ensure containment and cleanup of the release. Procedures and Requirements shall be defined and included as part of any rules and regulations promulgated as permitted under Section 6 of this By-law. Section

#### 10. Enforcement

#### A. <u>Authorized Agent</u>

The Director of Public Works or an authorized agent of the Director of Public Works shall enforce this By-law, as well as any regulations, orders, violation notices, and enforcement orders promulgated hereunder, and may pursue all civil and criminal remedies for such violations.

#### B. <u>Civil Relief</u>

If a person violates the provisions of this By-law, regulations, permit, notice, or order issued thereunder, the Board and or the Director of Public Works may seek injunctive relief in a court of competent jurisdiction restraining the person from activities which would create further violations or compelling the person to perform abatement or remediation of the violation.

#### C. Orders

The Board or an authorized agent of the Board or the Director of Public Works may issue a written order to enforce the provisions of this By-law or the regulations thereunder, which may include: (a) elimination of illicit connections or discharges to the municipal storm drain system; (b) performance of monitoring, analyses, and reporting; (c) that unlawful discharges, practices, or operations shall cease and desist; and (d) remediation of contamination in connection therewith.

If the enforcing person determines that abatement or remediation of contamination is required, the order shall set forth a deadline by which such abatement or remediation must be completed. Said order shall further advise

that, should the violator or property owner fail to abate or perform remediation within the specified deadline, the Town of

Holliston may, at its option, undertake such work, and all costs incurred by the Town shall be charged to the violator, to be recouped through all available means, including the placement of liens on the property. Within thirty (30) days after completing all measures necessary to abate the violation or to perform remediation, the violator and the property owner will be notified of the costs incurred by the Town, including administrative costs. The violator or property owner may

file a written protest objecting to the amount or basis of costs with the board within thirty (30) days of receipt of the notification of the costs incurred. If the amount due is not received by the expiration of the time in which to file a protest or within thirty (30) days following a decision of the board affirming or reducing the costs, or from a

final decision of a court of competent jurisdiction, the costs shall become a special assessment against the property owner and shall constitute a lien on the owner's property for the amount of said costs. Interest shall begin to accrue on any unpaid costs at the statutory rate provided in G.L. Ch. 59, §57 after the thirty-first day at which the costs first become due.

#### D. <u>Criminal Penalty</u>

Any person who violates any provision of this By-law, regulation, order or permit issued thereunder, shall be punished by a fine of not more than \$300.00.Each day or part thereof that such violation occurs or continues shall constitute a separate offense.

#### E. <u>Non-Criminal Disposition</u>

As an alternative to criminal prosecution or civil action, the Town, by and through its Director of Public Works or the designee thereof may elect to utilize the non-criminal disposition procedure set forth in G.L. Ch. 40, §21D, in which case the board or an authorized agent of the board of the Town shall be the enforcing person. The penalty for each violation shall be \$ 300.00.Each day or part thereof that such violation occurs or continues shall constitute a separate offense.

#### F. Entry to Perform Duties Under This By-Law

To the extent permitted by state law, or if authorized by the owner or other party in control of the property, the board, its agents, officers, and employees may enter upon privately owned property for the purpose of performing their duties under this By-law and regulations and may make or cause to be made such examinations, surveys or sampling as the board deems reasonably necessary

#### G. <u>Appeals</u>

The decisions or orders of the Board shall be final. Further relief shall be to a court of competent jurisdiction.

#### H. <u>Remedies Not Exclusive</u>

The remedies listed in this By-law are not exclusive of any other remedies available under any applicable federal, state or local law.

#### Section 11. Severability

The provisions of this By-law are hereby declared to be severable. If any provision, paragraph, sentence, or clause, of this By-law or the application thereof to any person, establishment, or circumstances shall be held invalid, such invalidity shall not affect the other provisions or application of this By-law.

#### Section 12. Transitional Provisions

Residential property owners shall have 180 days from the effective date of the By-law to comply with its provisions or petition the board for an extension; or take any action relative thereto.

**MOTION:** To see if the Town will vote to amend the General By-Laws by adding a new section creating an Illicit Discharge By-Law as it is printed in the Warrant. **SECONDED** 

DISCUSSION: None

**VOTE:** Unanimously passed by voice vote to accept Article 19 as stated in the motion.

**ARTICLE 20:** "To see if the Town will vote to create a by-law to limit the first school bus pick up as no earlier than sunrise, for elementary students." (**By Petition**)

**MOTION:** To see if the Town will vote to create a by-law to limit the first school bus pick up as no earlier than sunrise, for elementary students.

#### SECONDED

**DISCUSSION:** Michael Simon, 33 Rolling Meadow Dr., made a presentation focusing on the safety of younger children being expected to wait for their school bus or walk to school in the dark. He also pointed out that older siblings or student babysitters will no longer be available to watch the younger elementary students after school because they will still be in school, therefore costing parents a significant amount of money in childcare. He would like the School Committee to come up with another plan to adjust the school hours for students. Brad Jackson, School Superintendent, stated statistics on high school student's mental health and the connection to their sleep patterns. He also noted that in a recent observation of 45 bus stops with the younger elementary students, there was 1 that did not have adult supervision, and managing bus stop safety is a joint responsibility of the school, the police department, and parents. He feels that this is the only viable option, next to doing nothing. Allie Mancuso, 15 Courtland Pines Rd., was initially supportive of the time change, but feels that residents were misled in that, meeting minutes for the School Start Time Subcommittee were not kept, therefore not being transparent and allowing residents to keep up with the discussion. Many residents spoke for and against this Article. Bruce Wood, 128 Dalton Rd., would like the School Committee to come up with a better plan and made a motion to Indefinitely Postpone Article 20.

**MOTION**: To Indefinitely Postpone Article 20

#### SECONDED

**DISCUSSION:** Mark Schultz, 21 Wedgewood Rd., reiterated that we should be concerned about the safety of all the students, and we should vote for this Article as presented in the Warrant. Alison Lima, 59 Bogastow Brook Rd., is in favor of Indefinite Postponement of this Article, because she feels it is the parent's responsibility to ensure the safety of their children at the bus stop, and that if this were to pass, getting all the kids to school in daylight would be a logistical nightmare. The debate ensued for another 30 minutes with both sides making statements.

**VOTE:** Passed by hand count vote to Indefinitely Postpone Article 20 as stated in the motion.

ARTICLE 2. To hear and act on the report of the Finance Committee.

**MOTION:** Moved that the Annual Report of the Finance Committee be received and laid on the table and that motions offered in the report be accepted as motions before this meeting as the articles and the budget are taken up.

#### SECONDED

**DISCUSSION:** Ken Szajda, 676 Fiske St. and Chairperson of the Finance Committee, gave a presentation updating Town Meeting on the finances of the town.

**VOTE:** Unanimously passed by voice call vote to accept Article 2 as stated in the motion.

**ARTICLE 3.** To see if the Town will vote to authorize the Town Treasurer, subject to the approval of the Select Board, to sell property acquired through foreclosure of tax titles by the Town and other real estate, after first giving notice of the time and place of the sale by posting such notice of sale in some convenient place in the Town, by publishing such notice of such sale in a newspaper having general circulation in the Town and by posting such notice on a Holliston Cable Access Television (HCAT) bulletin board and on the Town's website at least fourteen (14) days before the sale. The Treasurer shall also give notice of such sale to the Executive Director of the Holliston Housing Authority, the Chair of the Holliston Housing Trust and the Chair of the Holliston Housing Committee or its subsequent equivalent by first class letter at least forty-five (45) days before the sale. The Treasurer may hold a

public auction and may reject any bid which he/she deems inadequate, and any such advertisement, notice or indication that real property is to be offered for sale by the Town of Holliston, or any department, commission, or other subdivision of the Town shall include the following statement: "Buyers should be aware that the Town of Holliston does not guarantee this property to be in conformity with existing zoning bylaws."

Whenever the proceeds of the sale or other disposal of real estate, other than that acquired through tax title foreclosure, by the Town of Holliston exceed five hundred dollars, the same shall be applied to the payment of indebtedness incurred in acquiring such real estate or shall be added to the sinking fund, if any, from which said indebtedness is payable, or if no such indebtedness is outstanding will be applied to the Town's Capital Expenditure Fund as established by Chapter 46 of the Acts of 1993. The proceeds of a sale in excess of five hundred dollars of any park land by the Town shall be used only by the Town for acquisition of land for park purposes or for capital improvements to park land; or take any action relative thereto.

#### (Select Board)

**MOTION:** Moved that this Article be approved as presented in the Warrant. **CONSENT AGENDA** 

**ARTICLE 4**. To see if the Town will vote to raise and appropriate or transfer from available funds for the purposes of fixing the salaries and compensation of all elected officers of the Town effective July 1, 2020, which salaries and compensation are printed below.

<b>COMPENSATION SCHEDULE – ELECTED OFFICIALS</b>	FY2020	FY2021
Board of Assessors	\$7,500	\$7,500
Select Board	\$175	\$175
Town Clerk (Salary)	\$69,519	\$77,917
Town Clerk (FY21 Salary Adjustment which shall sunset effective	ve June 30, 2021)	\$6,798

or take any action relative thereto. (Select Board)

**MOTION**: Moved that this Article be approved as presented in the Warrant. **SECONDED DISCUSSION:** Ken Szajda, 676 Fiske St., made a motion to amend Article 4.

**MOTION TO AMEND**: Reducing the compensation amount for the Board of Assessors and the Select Board to \$1.00 per member

#### SECONDED

**DISCUSSION:** Mary Greendale, 198 Highland St., agrees that the stipends should be looked at and possibly reconsidered, but feels that the Finance Committee should have spoken to the members of the affected Boards before making this recommendation. She compared it to taking a salary away from an employee and there should be a process to be followed. Tina Hein, 142 Union St., feels there should have been a process for this, and urges Town Meeting to vote against this amendment. Mr. Szajda, said that the Finance Committee was looking at the \$7,500 to balance the budget, and that they had a meeting with the Board of Assessors. Pam Zicko, 180 Fiske St., agrees that this should be brought up at a later date once the proper procedure has been followed. Jay Marsden, 32 Wendy Ln., is in favor of this amendment, and suggests a level playing field to then be discussed next year.

**VOTE ON AMENDMENT:** Failed by hand count vote.

#### SECONDED

**DISCUSSION:** Dan Alfred, 315 High St., made a motion to Amend Managerial Salary Ranges, as follows:

## **MOTION TO AMEND:**

M5	117316	131,110	143,687	147,279	161,270
M6	128,827	140,623	148,022	155,421	170,220

**DISCUSSION:** John Cronin, 40 Holly Ln., said that these current ranges are simply an administrative task, and a housekeeping issue. William Mayer, Moderator, asked if the Finance Committee had a recommendation on this Article and to be mindful of the Open Meeting Law, Mr. Szajda responded that they voted to support Mr. Alfred's amendment. Mr. Cronin noted that the Finance Committee was not posted for a meeting this evening, and asked Town Counsel to evaluate the consensus that the Finance Committee just completed. Mr. Szajda stated that they were not taking a vote he was confirming a vote that was taken earlier in the evening when Town Meeting was convened. Mr. Mayer asked Town Counsel to give an opinion on whether an informal consensus or poll of the Committee is permitted. Jason Talerman, Town Counsel, stated that he believes that Boards and Committees should be posted in order to take votes or deliberate at Town Meeting. Mr. Szajda then stated that the Finance Committee does not have a recommendation on this Article.

**VOTE ON AMENDMENT:** Failed by voice vote.

**VOTE:** Passed by voice call vote to accept Article 5 as stated in the original motion.

**ARTICLE 6**. To see if the Town will vote to authorize the Select Board to hold a public auction for the purpose of disposing of surplus departmental equipment; or take any action relative thereto. (**Select Board**)

**MOTION:** Moved that the Town vote to authorize the Select Board to dispose of surplus equipment, including office equipment, property, and or vehicles during Fiscal Year 2021. **CONSENT AGENDA** 

**ARTICLE 7.** To see if the Town will vote to authorize the Department of Public Works, with the approval of the Select Board, to use and expend sums received from the Commonwealth of Massachusetts as reimbursements under the Chapter 90 State Aid to Highways program for further construction, reconstruction and improvements, including surface treatments of approved public ways within the Town; or take any action relative thereto. (**Select Board**)

**MOTION:** Moved that the Department of Public Works with the approval of the Select Board, be authorized to use and expend sums received from the Commonwealth of Massachusetts as reimbursements under the Chapter 90 State Aid to Highways program for further construction, reconstruction and improvements, including surface treatments of approved public ways within the Town. **CONSENT AGENDA** 

**ARTICLE 8.** To see if the Town will vote to amend the interest rate per annum from 8% to 6% under the provisions of Massachusetts General Laws Chapter 59, Section 5, clause 41A, which regulates tax deferral for homeowners 65 years or older, pursuant to the authority contained in Chapter 136 of the Acts of 2005, thereby amending said clause 41A; or take any action relative thereto. (**Board of Assessors**) **MOTION**: Moved that the Town vote pursuant to the provisions of clause 41A as amended of section 5 of General Laws Chapter 59, as amended by Chapter 136 of the Acts of 2005, amending the interest rate per annum from 8% to 6% for tax deferrals for homeowners 65 years or older, for the fiscal year Commencing July 1, 2020.

**CONSENT AGENDA** 

**ARTICLE 9**. To see if the Town will vote to accept the provisions of section 51 of Chapter 184 of the Acts of 2002, amending the income requirements under Massachusetts General Laws Chapter 59, section 5, clause 41C, or take any action relative thereto. (**Board of Assessors**)

**MOTION:** Moved that the Town vote to accept the provisions of section 51 of Chapter 184 of the Acts of 2002, amending the income requirements under Massachusetts General Laws Chapter 59, section 5, clause 41C, for the fiscal year commencing July 1, 2020. **CONSENT AGENDA** 

**ARTICLE 10**. To see if the Town will vote to authorize the spending limits of the following revolving funds established under the Town Bylaw and General Laws Chapter 44, Section 53E <sup>1</sup>/<sub>2</sub>: (Select Board)

#### SECONDED

**DISCUSSION:** Rick Gallimore, 785 Central St., asked why the Personal Services had a larger than normal increase. Ken Szajda, 676 Fiske St., responded that it is largely due to the managerial salary adjustments, and the step increases for staff on the Wage Chart.

**VOTE:** As read, each article was voted on and passed by at least a majority voice vote to accept the motions in Article 11.

**ARTICLE 12.** To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for the Capital Expenditure Fund; or take any action relative thereto. **(Select Board)** 

**MOTION**: Move that the town raise and appropriate \$1,425,000, and appropriate \$88,000 from Fiscal Year 2020 Free Cash for the Capital Expenditure Fund.

#### SECONDED

#### **DISCUSSION:** None

**VOTE:** Unanimously passed by voice call vote to accept Article 12 as stated in the motion.

**ARTICLE 13**: To see if the Town will vote to raise and appropriate, transfer from available funds, or borrow a sum of money for the purpose of capital expenditures, including replacement and new vehicles and equipment, for the Schools, Police, Select Board, Fire, and authorize the Select Board to trade or sell used equipment toward part of the purchase price; or take any action relative thereto. **MOTION**: Moved that the Town vote to appropriate \$1,038,834 from the Capital Expenditure Fund to fund the purchase of the items listed in the Article.

#### SECONDED

**DISCUSSION:** Ron Pipe, 54 Pilgrim Rd., feels that spending \$500,000 on Kamitian Field During these financially difficult times, seems like a misappropriation of funds. He then made a Motion to amend Article 13 as follows:

**MOTION TO AMEND:** To remove \$500,000 from the Capital Expenditure. **SECONDED** 

**DISCUSSION:** Ken Szajda, 676 Fiske St., stated that the field is long past its expected life and that this was budgeted for in the Capital Plan as a maintenance item. Tina Hein, 142 Union St., agrees that we should reconsider appropriating the money for this project at this time because her understanding was that we would only be putting forth essential capital items and considers public safety items more essential than the field. Aislinn Weaver, 69 Woodland St., asked why would we replace the field if we may be replacing or moving the High School. Anne Louise Hanstad, School Committee, responded that the field would remain in its current location. Jay Marsden, 32 Wendy Ln., would like to fund this project, as the field has moved into a state of disrepair and has become a safety hazard. **VOTE ON AMENDMENT**: Failed by voice vote.

**VOTE:** Passed by voice vote to accept Article 13 as originally stated in the motion.

**ARTICLE 14**. To see if the Town will vote to act on the report of the Community Preservation Committee for the fiscal year 2021 community preservation budget and to appropriate or reserve for later appropriation monies from Community Preservation Fund annual revenues or available funds for the administrative expenses of the Community Preservation Committee, the payment of debt service, the undertaking of community preservation projects and all other necessary and proper expenses for the year: (**Community Preservation Committee**)

# **MOTION:** Moved that the Town raise and appropriate \$5,740 for the purpose stated in the article. **SECONDED**

#### DISCUSSION: None

**VOTE**: Unanimously passed by voice call vote to accept Article 20, as stated in the motion.

**ARTICLE 21.** To see if the Town will vote to amend General By-Law Article XL Stormwater Management and Land Disturbance By-Law adopted in May 2008 as follows to reflect goals of the Town's 2019 Stormwater Management Program Plan. New text is represented by *bold italic* text and text to be removed is represented by strikethrough text:

#### A. Purpose

The purpose of this by-law is to control the adverse impacts of increased post-development stormwater runoff, nonpoint source pollution associated with development and redevelopment as well as erosion and sedimentation associated with land disturbance and construction. Increased and contaminated stormwater runoff associated with developed land uses and the accompanying increase in impervious surface are

major causes of: impairment of water quality and flow, contamination of drinking water supplies, erosion of stream channels, alteration or destruction of habitat and flooding.

This bylaw seeks to meet the following objectives:

- Minimize damage to public and private property and infrastructure;
- Safeguard the public health, safety, environment and general welfare;
- Protect water resources and prevent contamination of drinking water supplies;
- Require practices that limit soil erosion and sedimentation on construction sites;
- Require practices that control volume and rate of stormwater runoff resulting from land disturbance activities;
- Establish the Town of Holliston's legal authority to ensure compliance with the provisions of this by-law through permitting, inspection, monitoring and enforcement.

#### B. Authority

This bylaw is adopted under the authority granted by the Home Rule Amendment of the Massachusetts Constitution and the Home Rule statutes, pursuant to the regulations of the federal Clean Water Act, found at 40 CFR 122.34. This bylaw is intended to meet certain provisions of the Town's requirement to comply with the National Pollutant Discharge Elimination System (NPDES) Regulations (Phase I and II Rules).

#### C. Applicability

No person shall undertake an activity which may include clearing, *grubbing*, grading, *placement of fill*, excavation *of soil* or other site work that will result in a land disturbance exceeding any of the following thresholds, without a Land Disturbance Permit from the Planning Board.

# There are two levels of review based on the amount of proposed land to be disturbed as part of a single project as follows:

#### Minor Land Disturbance Permit (total project disturbance is less than 40,000 s.f.)

- 1. Any activity that will result in soil disturbance of 10,000 s.f. or more, or more than 25% of the parcel or lot, whichever is less;
- 2. Paving in excess of a total of 500 s.f. of commercial and industrial driveways, parking lots and other impervious non-roadway surfaces;
- 3. Any activity that will disturb over 250 s.f. of land with 10% or greater slope.

#### Major Land Disturbance Permit

- 1. Any activity that will result in disturbance of 40,000 s.f. or more of land;
- 2. Projects that disturb less than 40,000 s.f. if the project is part of a larger common plan of development or redevelopment which disturbs 40,000 s.f. or more;
- 3. 4. An alteration, redevelopment or conversion of land use involving the following: auto fueling, service and sale facilities, fleet storage yards, commercial nurseries and landscaping facilities.

#### D. Exemptions

- 1. Projects which require a Special Permit, Site Plan Review or Definitive Subdivision approval from the Planning Board or which require an Order of Conditions from the Conservation Commission\* or requires Board of Health approval of a septic system upgrade.
- 2. Normal maintenance and improvement of land in agricultural or logging use which is consistent with MGL, c. 40A, s. 3 and 310 CMR 10.04.
- 3. Construction of *fencing and* utilities other than drainage *that disturbs less than 40,000 s.f. and* which will not alter terrain or drainage patterns.

- 4. Maintenance of existing dwellings, including landscaping, utility connections and driveways, provided such maintenance does not *disturb 40,000 s.f. or more or* alter drainage patterns.
- 5. Repairs to any stormwater treatment facility deemed necessary by the Planning Board and maintenance, reconstruction or resurfacing of any public way.

\* For projects and/or activities within the currently regulated jurisdiction of the Conservation Commission or Planning Board as noted above, those specific application submission requirements, public notices, and fee requirements shall apply.

#### E. Administration

- 1. Authority. The primary authority for the administration, implementation, and enforcement of this bylaw lies with the Planning Board.
- 2. Land Disturbance Permits. The Planning Board shall have the authority to issue a permit for projects subject to this bylaw. Any such permit requirements may be defined and included as part of any Regulations promulgated as a result of this bylaw.
- 3. Regulations. The Planning Board shall adopt and periodically amend Regulations which establish and collect permit application fees, inspection fees, and in special cases, consultant fees for review of applications. Such regulations shall elaborate on the terms, conditions, definitions, enforcement, procedures and administration of this bylaw. For execution of the provisions of this bylaw, the Planning Board will utilize the policy, criteria and information, including specifications and standards of the latest editions of the Massachusetts Stormwater Management Policy and Technical Handbooks and Massachusetts Erosion and Sediment Control Guidelines for Urban and Suburban Areas, or local equivalents based on improvements in engineering, monitoring and local maintenance experience. The regulations shall be adopted after a public hearing.
- 4. Waiver. The Board may waive strict compliance with any requirement of this by-law where such action is allowed by federal, state and local statutes and/or regulations, is in the public interest, and is not inconsistent with the purpose and intent of this by-law.
- 5. Delegation of Authority. The Planning Board may choose to delegate, in writing, its authority in whole or in part, to a qualified representative.

#### F. General Permit Procedures and Requirements

- 1. Entry. Filing an application for a permit grants the Planning Board and its agents permission to enter the site to verify the information in the application and to inspect for compliance with permit conditions.
- 2. Fee Structure. The Board shall obtain with each submission an Application Fee established by the Board to cover expenses connected with the public hearing and application review. *The Board may, at the applicant's expense per the provisions of G.L. Chapter 44, Section 53G, retain a Registered Professional engineer or other professional consultant to advise the Board on any or all aspects of the application.*
- 3. Permits. The Planning Board shall, within <del>30</del> 45 days of the receipt of a completed application:
  - a. Approve the application upon finding that the proposed plan will protect water resources and meets the objectives and requirements of this bylaw;
  - b. Approve the permit with conditions, modifications or restrictions that are required to ensure that the project will protect water resources and meets the objectives and requirements of this bylaw;
  - c. Disapprove the application if the proposed plan will not protect water resources or fails to meet the objectives or requirements of this bylaw.

After an application has been submitted, no tree removal, no utility installation, no ditching, grading or construction of drives, no grading of lots or land, no excavation except for purposes of soil testing, no dredging or filling, and no construction of buildings or structures shall commence on any part of the development site until the application has been reviewed and approved in accordance with this by-law and its' implementing regulations.

- 4. Failure of the Planning Board to take final action upon an application within 30 calendar days of receipt of a complete application shall be deemed to be approval of such application. Upon certification by the Town Clerk that the allowed time has passed without action by the Planning Board, the Permit shall be issued.
- 5. Project Completion. At completion of the project, the permittee shall submit as-built drawings of all structural stormwater controls and treatment best management practices required for the site. *The as-built drawing shall document deviations from the approved plans, if any, and be certified by a registered professional engineer.* This requirement may be waived at the Planning Board's discretion. No occupancy permit shall be granted unless and until the construction of all site improvements are complete or the work remaining to be done is secured.

G. Appeals. A decision of the Planning Board shall be final.

<u>H. Enforcement.</u> The Planning Board or an authorized agent shall enforce this bylaw and its implementing regulations and may pursue all civil and criminal remedies for such violations. Enforcement shall be further defined and included as part of any regulations promulgated as permitted under this bylaw.

<u>I. Severability</u> If the provisions of any portion of this by-law shall be judged invalid by a court of competent jurisdiction, such order of judgment shall not affect or invalidate the remainder of the by-law, or take any action relative thereto. (Planning Board)

**MOTION:** Moved that the Town approve changes to Article XL *Stormwater Management & Land Disturbance*, as printed in the Warrant.

SECONDED DISCUSSION: None VOTE: Unanimously passed by voice call vote to accept Article 21, as stated in the motion.

**ARTICLE 22.** "A significant number of puppies, kittens, and rabbits sold at local pet shops come from large-scale, commercial breeding facilities (puppy mills) where the health and welfare of the animals are not adequately provided for. The ordinance proposed for the Holliston Town Meeting is as follows:

Section 1. Restrictions on the Sale of Animals No pet store shall sell, deliver, offer for sale, barter, auction, give away, or otherwise transfer or dispose of cats or dogs or rabbits, except for a dog, cat or rabbit displayed by a shelter or animal rescue organization.

Nothing in this section shall prohibit pet stores from collaborating with an animal care facility or animal rescue organization to offer space for such entities to showcase adoptable dogs and cats. The animal rescue organizations must be in compliance with all relevant local, state, and federal guidelines, including but not limited to registration and approval as a 501C3 nonprofit charity, in possession of a current Certificate of Solicitation from the Massachusetts Attorney General's Office, in compliance with state and local kennel bylaws, and be listed as an approved animal rescue operation by the Massachusetts Department of Agricultural Resources.

**Section 2. Transparency.** Any pet shop operating within Holliston, Massachusetts must display prominently a sign next to each available animal the name of the organization and location the animal was

received from, and make documentation validating this statement available to consumers as well as animal control officers and other town officials upon request.

**Section 3. Recordkeeping.** Each pet shop shall maintain records sufficient to document the source of each animal it acquires, for at least a period of two years following the date of acquisition. Such records shall be made available immediately upon request to the Holliston Animal Control Officer, Holliston Animal Inspector, Holliston Police or any of their designees.

**Section 4. Penalties.** Any person or entity, except as provided by law, who sells a dog, cat, or rabbit in violation of these bylaws shall be fined three hundred (\$300.00) dollars per violation.

Each animal sold or offered for sale in violation of this bylaw shall constitute a separate offense. Any animal being offered for sale or transferred, or displayed in violation of any of these sections may be seized or impounded.

**Section 5. Enforcement.** The Holliston Animal Inspector, Holliston Animal Control Officer, Holliston Police, or any of their designees shall have the authority to enforce all violations of these sections. Any animal being offered for sale or transfer, or displayed in violation of these sections, may be seized or impounded, unless the enforcing officer determines that seizure or impoundment will be detrimental to the safety and/or health of the animal.

Animals seized pursuant to this section will be held for a period of seven days. The person or entity in violation of these sections may file an administrative hearing to appeal the seizure within seven days of the seizure of the animal(s). If after seven days, the person or entity fails to file an appeal the animal(s) shall be surrendered to Holliston Animal Control.

**Section 6. Severability.** If any section, subsection, paragraph, sentence, clause or phrase of this Ordinance shall be declared invalid for any reason whatsoever, such decision shall not affect the remaining portions of this Ordinance which shall continue in full force and effect, and to this end the provisions of this Ordinance are hereby declared to be severable.

**Section 7. Applicability.** If any provision of these sections imposes greater restrictions or obligations than those imposed by any other general law, special law, regulations, rule, ordinance, order, or policy, then the provisions of these sections shall control.

Section 8. Effective Date. This ordinance shall become effective 90 days after passage.

#### Definitions

Animal care facility means an animal control center or animal shelter, maintained by or under contract with any state, county, or municipality, whose mission and practice is, in whole, or significant part, the rescue and placement of animals in permanent homes or rescue organizations.

Animal rescue organization means any not-for-profit organization which has tax-exempt status under Section 501(c)(3) of the United States Internal Revenue Code, whose mission and practice is, in whole or in significant part, the rescue and placement of animals in permanent homes. This term does not include any entity housed on the premises of a breeder or broker, obtains dogs from a breeder or broker in exchange for payment or compensation, or resells dogs obtained from a breeder or broker and provides payment or compensation to such breeder or broker.

*Breeder* means a person who maintains dogs, cats, or rabbits for the purposes of breeding and selling its offspring.

Broker means a person who transfers dogs, cats, or rabbits at wholesale for resale by another.

Cat means a member of the species of domestic cat, Felis catus, including kittens.

Dog means a member of the species of domestic dog, Canis familiaris, including puppies.

*Flea market* means a building, structure, or open area occupied by one or more vendors, other than retail stores, for sale to the public of new or used goods or products.

*Offer for sale* means to sell, offer for sale or adoption, advertise for the sale of, barter, auction, give away or otherwise dispose of a dog or cat.

*Pet shop* means a retail establishment where dogs and cats are sold, exchanged, bartered or offered for sale as pet animals to the general public at retail. Such definition shall not include an animal care facility or animal rescue organization, as defined.

*Rabbit* means a small mammal of the family Leporidae of the order Langomorpha Oryctogus cuniculus" (Petition)

**MOTION**: Moved that the Town approve the Article as printed in the Warrant. **SECONDED** 

**DISCUSSION:** Janeen Cox, 67 Overlook Dr., gave a presentation on the article, which is put forth to protect consumers and animals from inhumane puppy mills, that are commercial facilities that breed up to 1,000 puppies per year under substandard conditions. Gary Zegel, 511 Washington St., questions a by-law that is not enforceable, how would anyone know where a dog actually came from, he also feels that this by-law would put a strain on our resources and encourages we not vote for this. Ms. Cox stated that the Animal Control Officer would be the enforcement agent. Kristen Grace, 14 Hillside Dr., believes in the intent of this article, however she finds issues with some of the definitions in this article are inconsistent with that of the State, she feels this article needs more work before being passed and urges residents not to vote for it. Jay Leary, 146 Karen Cir., made a motion to indefinitely postpone Article 22.

#### SECONDED

**DISCUSSION:** Ms. Cox explained that the State does not currently regulate Puppy Mills. **VOTE:** The motion to indefinitely postpone Article 22, failed by voice vote. *VOTE:* Passed by voice vote to accept Article 22, as stated in the original motion.

The Meeting was adjourned at 10:31 pm.

## **9 GREEN STREET**

The 9 Green Street Committee was established by the Select Board on February 25, 2018 and served until June 8, 2020, when the Select Board received a final report and recommendations from the Committee Chair, Kevin Conley.

The charge of the Committee was to identify potential options for the property while focusing on a future use that benefits the Downtown area. The Committee was comprised of representatives from the Select Board, Parks and Recreation and Board of Health, as well as residents which included an abutter from the Green Street neighborhood.

The Committee met nine (9) times prior to issuing the final report and recommendation to the Select Board. Along with the Committee's work to engage a Licensed Site Professional (LSP), who investigated site contamination and determined Department of Environmental Protection (DEP) compliance, the Committee identified that future use would likely be limited to a parking lot.

Rehabilitation of the existing structure on the property is not feasible due to contamination and thereby significantly limits the ability to resell the property for private development. This understanding led the Committee to make a final recommendation to demolish the existing structure and consider re-use of the site as a municipal parking lot.

#### ANIMAL CONTROL

The mission of the Ashland and Holliston Animal Control and Inspection Department is, and always has been, to provide a safe and humane shelter for unwanted, stray, abused and impounded animals in accordance with State regulations. The Animal Control Department is responsible for assuring the timely and effective enforcement of the Town's By-laws and State laws. Animal Control strives on a daily basis to protect the public's health and safety from vicious, diseased or injured animals. The Department also improves animal welfare and public safety through educating the public about responsible animal care and ownership and to reduce the number of unwanted animals in the community. The average call on any given day was related to dogs running at large. We would like to reiterate that Town has a By-law which requires all dogs be under their owner's control at all times. During the year, the department received numerous calls related to displaced or injured wild life. Foxes and coyotes have been predominant in our community over the past year. We urge residents to keep their cats and small dogs in, not only for their safety, but also to minimize exposure to diseases that your animal can bring indoors. As the community continues to grow, it is important to realize that wild life will continue to be displaced and prove to be a challenge for all of us.

#### **BOARD OF ASSESSORS**

The Assessors value all real estate and personal property at full and fair market value as of January 1 of each year based on sale values from the prior year. This is their primary responsibility.

Massachusetts General Laws and the Rules and Regulations of the Department of Revenue govern the actions of the Board and professional staff. All processes and activities of the Department are monitored and reviewed by several Department of Revenue units and field personnel.

Residential and Personal Property are typically valued by the Assessors. Residential values are determined by the analysis of sales in the year prior to January 1 six months before the beginning of the fiscal year for which they are applied. Sales analysis stratifies based on home square footage, quality of construction, condition, age, style and the location of the home. The results of analysis must ultimately meet the standards reviewed by the Department of revenue.

Personal property values are based upon costs and depreciation schedules. Commercial and Industrial Properties are valued by the Assessors with the support of an independent consultant. Commercial values are determined using cost analysis, market sales, and income and expense analysis, depending upon the use of the property.

The Assessors department successfully completed the conversion of its appraisal system from the CAMA program (Computer Assisted Mass Appraisal) to the IASWorld from Tyler Co. This updated program will significantly streamline the data collected for property valuation calculations.

The Assessors staff and Board of Assessors successfully concluded the cyclical recertification of residential, commercial/industrial and personal property values for fiscal year 2021. These values were approved by the Department of Revenue.

The Board of Assessors for fiscal year 2021 consisted of members Lesley Kennally, Mary Greendale and Peter Barbieri.

Kathryn A. Peirce, MAA #523, is Principal Assessor, Kelly Schorr, MAA #1248 is Administrative Assessor, Sharlene Harris and Christopher Beaudry are the part-time Principal Clerks.

#### **BUILDING DEPARTMENT**

The Building Department consists of a eight member staff, including a full-time Principal Clerk, full-time Inspector of Buildings and part-time Inspectors of Building Inspector, Wiring and Plumbing & Gas-Fitting. The Department is responsible for the issuance of all building, electrical, plumbing, gas, sheet metal and trench permits related to the construction, alteration, repair and maintenance of buildings and structures in Town. The Department is committed to the enforcement of the State Building, Electrical, Plumbing and Gas Codes, the Holliston Zoning Bylaw, Architectural Access Board Regulations and many other regulations relative to public safety. The Building Department staff provides technical assistance to property owners, builders, contractors, real estate professionals, Town boards andcommittees, as well as other Town departments. In addition to issuing permits and conducting required onsite inspections, the Building Department staff spends an increasing amount of time reviewing subdivision plans, special permit and variance requests, site plans, making zoning determinations and addressing zoning complaints.

During the 2020 fiscal year, the Building Department issued 794 Building Permits, 97 Sheet MetalPermits, 322 Plumbing Permits, 313 Gas Permits, and 571 Electrical Permits. This is an overall 7.8% decrease from the 2019 fiscal year. The permit fees generated in the 2020 fiscal year amounts to \$471,926, which is an overall 23% decrease from the 2019 fiscal year. In FY 2020, 37 permits for new dwelling units were issued versus 22 new dwelling unit permits issued in FY 2019.

# **COMMUNITY PRESERVATION COMMITTEE**

The Community Preservation Act (CPA), Chapter 267 of the Acts of 2000, is a smart growth tool intended to help communities preserve open space and historic sites, create affordable housing, and develop outdoor recreational facilities.

Community preservation funds come from a CPA surcharge of up to 3.0% on property tax bills and matching funds from the Commonwealth. These funds can only be utilized for the purpose of:

- Acquiring, creating, preserving or rehabilitating open space, including space for active or passive recreation,
- Acquiring, creating, preserving or rehabilitating community affordable housing
- Acquiring, preserving and restoring historic resources.
- Support of CPC operations.

These resources cannot be allocated for other town services or substitute for related services already provided by the Town. A minimum of 10% of annual revenues (30% total) reserved for each of the three primary functions of the Act as listed above. These funds do not have to be spent within a given fiscal year, but may be reserved for future projects.

The remaining 70% may be allocated among the three areas (including recreational open space), and up to 5% of the fund can be applied to CPC operations.

CPA funds may not be spent on ordinary maintenance or annual operating expenses; only capital improvements are allowed.

Holliston adopted the Community Preservation Act in 2001, voting for a 1.5% surcharge, with exemptions for the first \$100,000 of residential property value and exemptions for those who qualify for low-income housing and low and moderate-income senior housing.

Recommendations of the CPC to Town Meeting must include their anticipated costs. Town Meeting may not exceed recommended spending by the CPC or add additional items not initiated by the CPC.

The Holliston Community Preservation Act By-Law established a nine member Community Preservation Committee (CPC) of which four at-large members are appointed by the Board of Selectman and five members are designated by the following specified town commissions, board, or authority:

Conservation Commission Historical Commission Housing Authority Park Commission Planning Board

# **CPA Appropriations for Fiscal 2021:**

For fiscal 2021 (July 1, 2020 to June 30, 2021 the Community Preservation Committee recommended, and the Town Meetings of July 20, 2020 and December 05, 2020 approved, appropriations of CPA funds totaling \$350,619. Projects included the creation of a swale at Stoddard Park to reduce erosion at the public beach, support of an Eagle Scout project to create a boardwalk over a wet area of one of the trails in the Wenekeeing Woods land conservation area, restoration of Town Hall's historic windows and the fabrication and installation of exterior storm windows to reduce future deterioration, the installation of a new floor in upper Town Hall using materials similar to the existing floor after the current materials proved too badly worn to refinish again, and repairs to water and ice damaged masonry over the front door of the Public Library. This represents a 53% decrease in total appropriations over 2019 levels. 2021 appropriations are shown as follows:

	CPA Appropriations in FY2021

Total	\$350,619	100.0%	\$623,000	100.0%	\$274,500	100.0%

CPC also recommended, and the July 2020 town meeting voted to appropriate \$5,000 to support the administrative functions of the Community Preservation Committee. To date, the Committee has expended or committed to spend approximately \$3,327 of this amount in support of the CPA's mission, in

the form of annual dues to the Community Preservation Coalition, a non-profit organization which provides support and advice to local Community Preservation Committees and advocates for the CPA at both state and community levels, as well as for administrative assistance to make sure the Committee's records are maintained and meeting minutes are posted in a timely manner, and for legal notices as required. <u>CPA Resources</u>

Funding for CPA projects comes predominately from the local 1.5% surcharge on property tax bills and to a lesser extent from the Commonwealth's matching funds. Bank interest from CPA fund deposits, investment interest and penalties for nonpayment constitute the balance of receipts available to the Town.

CPA Receipts	FY'2021*	C	FY 2020		FY 2019	6
Source	Receipt	Percent	Receipt	Percent	Receipt	Percent

Total	\$633,571.97	100.00%	\$758,437.12	100.00%	\$720,741.77	100.00%
	The second second					

- The CPA Surcharge is based on property taxes paid by all owners of property within the Town of Holliston as described at the beginning of this report. The figures shown above are as of 2/25/2021 and do not include the May 2021 property tax payments.
- The amount generated through the surcharge increased by 4.46% in FY 2020.
- State matching funds are derived primarily from fees paid on real estate transfers at the county Registries of Deeds and vary from year to year based on real estate sales activity and the number of communities which have voted to adopt the Community Preservation Act. From 2003 to 2008, Holliston received a nearly 1:1 match. This amount decreased sharply as a result of decreased Registry fee income during the Great Recession of 2008-20090 and has been slow to recover as new communities (including the City of Boston) adopted CPA, spreading the available funds over a larger number of communities.
- Because of the success of CPA and recognition by state leaders that the current pool of matching funds was insufficient, in recent years the legislature has looked for ways to increase the amount of matching funds available, including through direct transfer from the state's budget surplus (when available) to the CPA trust fund.
- As a result, Holliston's matching funds have increased in each of the past three fiscal years, from 14% in 2019 to over 26% in the current fiscal year.
- Other income shown above consists of interest and investment income on CPA funds and the portion of any tax penalties/interest or tax lien income related to the CPA.

# **CPA Reserve Balances**

The balances in the various CPA reserves as of 2/28/2021, and as of the end of fiscal years 2020 and 2019 are shown in the chart below. As previously discussed, the balances in the specific reserves (Open Space, Historic and Housing) can be used strictly for support of projects in those areas. The CPA General reserve can be used to support any of the specific reserves, and for certain administrative expenses to assist the Community Preservation Committee in its work.

The chart below shows the total reserve balances as of 2/828/2021 and at the end of fiscal years 2020 and 2019. For 2021, the Reserve Balances are broken down into the amount(s) already appropriated for specific projects but not yet spent, and the remaining balance available for future appropriations.

FYE	CPA General	Open Space	Historic	Housing	Total
2019 Reserve Balance	\$1,961,408	\$176,454	\$257,307	\$72,235	\$2,467,404
2020 Reserve Balance	\$2,421,350	\$252,298	\$318,156	\$148,078	\$3,139,882
2021 Reserve Balance*	\$2,858,338	\$315,655	\$379,826	\$211,436	\$3,765,255
Less: Approved Project Balances	-\$362,350	-\$174,620	-\$333,313	\$0	-\$870,283
2021 - Available for Appropriation	\$2,495,988	\$141,035	\$46,513	\$211,436	\$2,894,972

It should be noted that while the Approved Project Balances shown above represent funds that have been appropriated by Town Meeting to support specific projects, it is possible that not all of these funds will be spent. Project costs occasionally come in under budget, or do not require the use of contingency funds included in the appropriation. In additon, the Holliston CPC includes a sunset provision in most appropriations, ensuring that funds not spent for their intended purpose will return to the CPA fund from which they were originally drawn and become available again to support future projects. The various Holliston town boards and community organizations supported by the CPA are to be commended for their diligence in managing CPA funds – in the 20 years since Holliston adopted CPA, no project has seriously underestimated the project cost, and a number of projects have returned surplus funds to the town.

# **CPA Achievements**

Since adopting the Act in 2002, Holliston has used Community Preservation Act funds to:

- Preserve over 400 acres of permanent open space
- Provide funds to acquire the section of the Rail Trail from Cross Street to Hopping Brook Road
- Install a new concrete roadbed and railings on the Boggastow Brook Viaduct to allow for its incorporation into the Upper Charles Rail Trail
- Rehabilitate the tennis courts at Goodwill Park and tennis and basketball courts at Stoddard Park
- Rehabilitate playgrounds at Miller School and Stoddard Park
- Provide access to the Upper Charles Conservation Land Trust's Wenakeening Woods conservation area
- Assist in the creation of nearly 40 units of affordable housing, including Cutler Heights
- Assist the Holliston Housing Trust with its ongoing efforts to support owner-occupied single family affordable housing opportunities in town.
- Assist Habitat for Humanity with the construction of two new affordable homes
- Restore the exterior of Town Hall
- Restore the historic Metcalf Pumphouse
- Preserve, de-acidify and digitize historic town records
- Assist the Holliston Historical Society with the preservation of its buildings

This is just a sampling of the projects undertaken in Holliston with the assistance of CPA funding. For a complete list, visit: <u>http://communitypreservation.org/projectsdatabaseaccess</u>

# **Community Preservation Committee**

The structure of the CPC, with five representatives of Holliston boards or commissions and four at-large members, provides it with expert knowledge of a broad array of town issues. This is important because

the CPC evaluates a wide variety of proposals submitted for consideration. The nine members of the CPC for 2021 are shown below.

Name	Designee of:
Frank Chamberlain, Chair	Historical Commission
Chris Bajdek	Conversation Commission
Warren Chamberlain	Planning Board
Thomas J. Dumas	Housing Authority
Melissa Kaspern	Park Commission
Michael P. Pelon	Board of Selectmen
Eva Stahl	Board of Selectmen
John Vosburg	Board of Selectmen (Open Space Committee)
Vacancy	Board of Selectmen

The Community Preservation Committee would like to extend its thanks all the members of the various committees who have contributed to the success of the CPA in Holliston. The Committee would particularly like to thank Susan Woodrow for her invaluable assistance with the CPC's administrative work.

## **More Information**

One of the lesser-known provisions of the Community Preservation Act is the requirement that the Community Preservation Committee hold on an annual basis "one or more public informational hearings on the needs, possibilities and resources of the city or town regarding community preservation possibilities and resources." The Holliston CPC typically holds a public hearing before each town meeting to hear concerns, answer questions and solicit ideas and input from members of the community. We look forward to hearing from you.

For more information on the Community Preservation Act in general, please visit the web site of the Community Preservation Coalition at <a href="http://www.communitypreservation.org/">http://www.communitypreservation.org/</a>

Additional information about the work of the Holliston Community Preservation Committee is provided on the CPC's Website: **www.townofholliston.us/CPC/CPCTOC.html**. CPA grant application instructions and forms also are available on the Website. The CPC can be contacted by mail addressed to Holliston Town Hall, 703 Washington Street.

## **CONSERVATION COMMISSION**

The Conservation Commission is a volunteer board comprised of seven members appointed by the Board of Selectmen. The Commission has statutory responsibility for administering the Massachusetts Wetlands Protection Act (General Laws Chapter 131, Section 40), the Holliston Wetlands Administration By-Law (Article XXX of Holliston General By-Laws), and other relevant laws, including the Rivers Protection Act. The Commission also manages approximately 1,553 acres of land that has been donated, purchased, or protected with conservation restrictions for open space conservation and/or watershed protection purposes.

The Massachusetts Wetlands Protection Act and Holliston's Wetlands Protection By-Law, and their implementing Regulations, protect Holliston's natural assets, including wetlands, related water resources and certain adjoining upland areas, by providing for prior review and control of activities deemed to have

a significant or cumulative adverse effect upon protected resource values. Activities within 100 feet of a wetland or 200 feet of a stream are subject to protection under either or both laws. For a community such as Holliston, which depends entirely upon in-town resources for its drinking water supply, the Commission's regulatory responsibilities are critically important.

During FY 2020, the Commission held 19 public meetings, including 13 Notice of Intent hearings. Permits issued included Orders of Conditions for a commercial building at 2016 Washington Street, a solar field at the Bird Property on Marshall Street, and various septic systems and single family houses. During the second half of FY 2020, the Conservation Commission, along with many other boards in Holliston learned to work remotely to conduct its important business.

Six Extensions to Orders of Conditions previously issued were issued, and several projects were modified and updated administratively, without the requirement for additional public hearings. The Commission reviewed 16 Requests for Determination of Applicability and issued 16 Determinations for residential, commercial, and town projects, such as garages, landscaping, driveways, additions, decks, and septic systems. Wetland fees received totaled \$15,858, including \$4,890 in fees under the state statute and \$10,968 in Town By-law fees.

In the discharge of its regulatory responsibilities, the Commission is supported by a full-time (35 hour/week) Conservation Agent. When an application is received, the Conservation Agent initially reviews the application and site plans for completeness. The Agent makes site visits, takes photographs, and reports back to the Commission during the review process. Following the Commission's public review process, the Agent prepares and issues the decision documents. Furthermore, in today's economic climate, most lenders are now requiring that all Orders of Conditions be closed out with a Certificate of Compliance that is recorded at the Registry of Deeds. The staff frequently assists the public (buyers, sellers, and their agents) with recovering and recording the record documents in order to complete transactions involving their Holliston properties.

The Conservation Commission is also responsible for authorizing and regulating the breaching of beaver dams following the determination of a threat to human health or safety by the Board of Health under M.G.L. Chapter 131, Section 80A. During FY 2020, the Commission issued the necessary Emergency Certifications for beaver dam breaches on Water Street, Westfield Drive, Highland Street, and the Houghton Pond Dam. The work on these waterways, performed by the Town of Holliston Department of Public Works and Beaver Solutions, Inc., include constant monitoring of these areas.

During FY 2020, the Commission and staff also supported two Eagle Scout Candidates in the completion of their public service projects. Brandon Paradie, an Eagle Scout from Holliston's Troop 14, constructed a boardwalk within the Poitras Conservation Land to improve accessibility through hard-to-pass areas of the trail, and Griffin Ripley, also an Eagle Scout from Troop 14 performed trail maintenance and constructed a boardwalk within the Brentwood Conservation Land. On behalf of the many users groups enjoying these conservation lands, the Commission offers its sincere appreciation for both volunteers' efforts.

The Conservation Associates, a volunteer group of concerned citizens interested in managing and improving public lands in Holliston, actively support the Conservation Commission in the management of the Town's open space properties. The Associates conduct on-the-ground activities in such areas as Land Management, Environmental Education, Recreation on Conservation Land, and implementation of Holliston's Open Space and Recreation Plan.

The group was founded in 1988 by outgoing Commissioner Joseph Cohen and others to be a distinct body under the jurisdiction of the Holliston Conservation Commission. The Associates' officers include Marc

Connelly as Chair and Mary Curran as Secretary and Treasurer. The Associates generally meet on the fourth Wednesday of each month and welcome any interested town residents to attend their meetings or participate in their activities. The COVID-19 pandemic changed the work of the Associates as it did for the rest of the world. Before the closure in March, they held two general meetings at which projects, walks, and talks were planned. Assessments of past walks and talks, flora and fauna sightings, and other conservation or nature topics were discussed. Two walks were hosted for the public before the closure. In February, Marc Connelly led a walk on the Holliston Community Farm property. In March, Ann Marie Pilch led a walk through the Daniels Property and taught tree identification techniques. In September, a walk and meeting was held at the Brentwood Conservation Area.

The Conservation Associates are thankful to the Holliston Newcomers Club for awarding a grant to engrave a boulder to mark the entrance of the Brentwood Conservation Area and to Herb Brockert for donating and moving the stone. The Associates had hoped to host the town to mark the installation and publicize this piece of conservation land, but that was postponed.

In lieu of working in a group as usual, members took on projects on their own, keeping trails maintained and replacing markers in several conservation properties such as Mellen Street, Joseph Cohen, Brentwood, and others.

The Associates are happy to collaborate with other town groups who have mutual interests including the Scouts, the Garden Club, the Trails Committee, and the schools. The following ongoing projects continue: tree planting, the Conservation Land Stewardship Program, and the Adopt-a-Highway clean-up program.

## **COUNCIL ON AGING**

The Council on Aging (COA) is a department of the Town of Holliston. The COA has a seven member advisory board appointed by the Board of Selectmen. Currently one seat is open. The COA Board meets at the Senior Center the second Wednesday of the month at 1:00pm. The COA Board helps set goals, objectives and offers complementary support/advocacy to help implement and promote the COA's mission. The responsibilities of the COA board members are to identify the needs of Holliston's elders, to develop programs and services to meet those needs. In addition, the COA Board promotes and helps educate the community on elder issues and to advocate on behalf of the elders.

The Director is responsible for program operations. There are approximately 4,889 residents (55 years and older) in the Holliston community of 15,219 residents (approximately 32% of the Population) based on the 2019 census. All are encouraged to participate and avail themselves of services available. It is the mission of the Council on Aging to evaluate, promote and encourage new and existing activities and services to allow the elder to remain independent and keep the quality of life for them at home for as long as possible.

The Senior Center is the visible point of access and outreach for older people in our community. The Senior Center provides a tangible reminder that the public system cares and that services are available when the elder needs them. The Senior Center is a place seniors can go to remedy problems of isolation, to renew old acquaintances or make new ones and to become involved in the community. The Senior Center is also a resource to family members looking for information or services to care for an aging loved one.

Due to Covid 19, most in person programming stopped in March, but staff remain available during regular business hours. Currently, a variety of programs are being offered through Zoom and on HCAT.

# **STAFF**

The staff consists of a full time Director, (Linda Marshall), full time Assistant Director (Bryan Perkins), full time Outreach Coordinator, (Martha Schneier), full time Van Driver (Deborah Dupuis) and part time Van Drivers- Delphine Greenlaw, Connie McGaffigan, Ellie Stackpole, and Ron Turcotte.

## **OUTREACH / SUPPORT SERVICES**

The Outreach Coordinator is available to assist with information and referral for a variety of senior services. We offer assistance with programs such as: Supplemental Nutrition Assistance Program (SNAP), South Middlesex Opportunity Council (SMOC) fuel assistance, SafeLink Wireless phones, Housing, Linkup/lifeline discount programs. We also connect the seniors with other agencies who provide assistance. The Outreach Coordinator works closely with BayPath Elder Services to coordinate services for homemaker/personal care, caregiver programs, Meals on Wheels, financial management and elder at risk referrals. Home visits are made and needs assessments are formulated as staff work to help the elders remain in their own homes. The Outreach Coordinator also serves as a liaison between the police, fire and EMT's and the senior center.

# S.H.I.N.E (Serving the Health Insurance Needs of the Elders)

The Senior Center has a certified SHINE counselor, Peggy Rowe who volunteers to assist with senior health care needs. One of the most perplexing problems of the elderly continues to be health insurance, the escalating costs, how to pay for them and how to decipher the bills received. Other programs and application assistance that she assists with is MassHealth, Health Connector, QI1, SLMB, QMB, Limited Income Subsidy, Prescription Advantage, Health Insurance Coverage, and Part D coverage. The Shine program helped over 100 Holliston residents in the past year.

## **TRANSPORTATION**

The Holliston Van Transportation Service continues to provide essential transportation services during the pandemic trips for medical appointments, grocery shopping, and other essential needs. For everyone's safety, due to the pandemic, only 2 passengers are permitted on the bus at one time All appointments are scheduled through the MWRTA (MetroWest Regional Transit Authority). The current service operates from 8:00am to 4:00pm Monday through Friday on a fixed schedule. In FY 2020, approximately 3,827 rides were provided for senior and disabled residents. The MWRTA is also the primary funding source for the Transportation Program.

## **NUTRITION PROGRAM**

Prior to Covid-19 Lunch was served three times a week at the senior center. The Assistant Director worked with the local caterer to develop twice weekly nutritional lunches that will attract elders, their caregivers, neighbors and friends to the Senior Center. A third soup, salad, sandwich lunch was prepared at the senior center. Volunteers assisted with serving the meals. Once the pandemic hit, congregate meals were not allowed. We transformed the two hot weekly meals, to a home delivered meal program, delivered by Center staff and drivers, delivering 40-45 hot meals to Seniors in need, every Monday and Wednesday.

# **NEWSLETTER**

3,500 copies are printed bi-monthly and mailed to residents. Also, the newsletter is available on-line at: www.townofholliston.us/senior-center. Residents can also request the newsletter be emailed directly to them. The newsletter provides information about Senior Center programs, meals, and helpful resources, including updates from the Police and Fire Departments, Library, and more.

# **RECREATION/FITNESS/SOCIAL EVENTS**

Prior to the pandemic our seniors participated in a variety of programs such as: Bingo, Quilting, WaterColor painting, Chi Gong, Focus Energy Movement exercise, Fall Prevention, Pilates, Yoga, Zumba, Line dancing, Tai Chi, Arts & Crafts, Chair massage, Photography class, Writers' group, book club, a Grief and Loss support group, Educational programs, Legal hour, Computers, Tune Timers big band, Monthly Breakfast, Birthday parties, Cookouts, Holiday parties and more. Since Covid 19 our Pilates, Yoga, Book club, Legal hours and Zumba class as well as our Grief and Loss support group are offered via Zoom. We have also added a Singing for well-being class on Zoom. HCAT also shows some of these programs, as well as other pre-recorded programs held at the Senior Center. Town funds are not used for any of the above programs. The town budget is used for the maintenance, use and upkeep of the building and salaries. All other expenses, programs, activities and instructor fees are paid through the Senior Support Foundation, fundraising, donations and grants.

# **COMMUNITY**

Although many of the community programs we are often involved with were cancelled this year, we continue to receive, and are appreciative of the support of many or our community organizations. We are grateful to the Knights of Columbus, American Legion, VFW, Newcomers, Holliston Police Association, Holliston Public Schools, Boy Scouts, Girl Scouts, Lions and Leo Club, The Holliston Pantry Shelf, and the Cultural Council for their continued support.

## **INTERGENERATIONAL PROGRAMS**

Although many of these programs could not take place this year, the Holliston High School drama club and National Honor Society provided a dinner and play for the seniors.

## MASSACHUSETTS STATE FORMULA GRANT

The Council on Aging receives an annual grant award from the Executive Office of Elder Affairs. The grant is used for select items/options allowed per the contract such as: printing of the monthly newsletter, fall prevention and nutrition programs.

## **VOLUNTEERS**

Approximately 148 volunteers contributed over 3500 hours to the Senior Center this past year. Volunteers assist in the office, answer phones, assemble the newsletter, serve as board members, assist in the kitchen, call bingo, coordinate trips, assist with health care options, take blood pressures, assist with tax preparation, coordinate the annual fall fair, assist with fundraising and participate in programs that help seniors, etc.

We are grateful to all our volunteers who give their time and talents to keep programs running and the support given to the staff.

## SENIOR SUPPORT FOUNDATION

We are most appreciative to the Senior Support Foundation who provide support and fundraise for our senior residents. They have enabled us to obtain needed equipment, supplies, supplement instructors fees, and many other items to better serve our elderly in Holliston. The SSF Group sponsors special occasion programs to raise funds for the Senior Center.

The Council on Aging wishes to thank the Select Board, Town Administrator, Finance Committee, Fire and Police Departments, Board of Health, Assessors Office, Accountants Office, Treasurers Office, DPW, Highway, Technology, Town Clerk, Library, Facilities Manager, other Town officials and the Senior Support Foundation for their continued support and dedication each year.

# **CULTURAL COUNCIL**

The Holliston Cultural Council promotes excellence, inclusion, education, and diversity in the arts, humanities, and sciences to foster a rich cultural life for all Holliston residents through grants funded by the Massachusetts Cultural Council (MCC)

MCC receives annual appropriations from the state Legislature and distributes direct grants to individuals, organizations and local cultural councils. Local councils serve every city and town in the state and support public programs that promote access to the arts and educational activities across the Commonwealth.

The Holliston Cultural Council receives and distributes annual funding in accordance with state guidelines and considers community feedback from annual surveys when selecting grant proposals.

The total funding allocation provided by MCC for this fiscal year was \$6,500 and supported a range of cultural and artistic activities in Holliston, which we believe contributed to the vitality of our community and economy. For the current fiscal year, we approved funding for 19 events, with total funding exceeding the MCC allocation thanks to locally raised funds.

In response to the extraordinary disruptions caused by the COVID-19 pandemic, the Council voted to preserve funding for events postponed for the next fiscal year. Some events were cancelled, and the Council voted to carry these allocations over to the next fiscal year. The Council also adapted to the

changing environment by working with grantees to allow for digital events given the COVID-related statewide restrictions on large gatherings.

The Cultural Council is currently comprised of six voting members. In addition, this year we voted to include two student representatives on the board who serve as non-voting members, but who nevertheless greatly contribute the council's connection with local schools.

## DEPARTMENT OF PUBLIC WORKS HIGHWAY DIVISION

Under the direction of the DPW Director, Select Board, Park Commission, and Planning Board, this department is responsible for the maintenance and rehabilitation of town owned roadways and appurtenances. These maintenance procedures include the following areas: all athletic fields, recreation areas, municipal grounds, town building maintenance, roadside brush cutting and tree removal, the cleaning of drainage brooks and collectors, subdivision roadway construction inspections, plan reviews, roadway opening permits and inspections, and snow and ice removal and control. Personnel reductions in the past and increases in the town's infrastructure have impacted the department's service level. Services pertaining to public safety have been established by priority.

PERSONNEL: The Highway Department has thirteen positions in the department consisting of a superintendent, office manager, head foreman, two crew chiefs, tree supervisor, mechanic, five heavy equipment operators and grounds/maintenance supervisor. The grounds/maintenance supervisor position is split between the Highway, School, and Park departments; 50% Highway, 25% each for School and Park.

EQUIPMENT AND BUILDINGS: At the November, 2019 town meeting, the town voted to appropriate \$52,810 for a 1 ton dump truck and snow plow, and \$80,900 for a skid steer.

STREET MAINTENANCE OVERVIEW: The department is working in concert with state and local officials to plan and secure funding for roadway projects. The department also implements systems to evaluate, inspect, design, and repair the town roadway infrastructure.

SURFACE TREATMENT, OVERLAYS, RECLAMATION: Road reconstruction was completed on the following roads: Hill St., Central St. from Granite St. to Fiske's General Store, and Ashland St. from Concord St. to the town line.

DRAINAGE: The Highway Department routinely performs repairs to the existing drainage systems in the town. Upgrading the drainage system involves engineering and designing the type, size and elevation of the proposed drainage system. Work consists of removing and re-setting drainage castings to grade, rebuilding drainage structures, replacing drainage lines, rod and clean existing lines. The culvert on Westfield Dr. was in the process of being replaced. This project was funded through Chapter 90.

ROADSIDE BRUSH TRIMMING AND TREE TRIMMING: The department routinely schedules roadside brush trimming as necessary in all sections of town, paying particular attention to sight distance hazards. All school walking routes, parks and grounds are also trimmed. In partnership with the Tree Warden, the department maintains the pruning and removal of town owned trees.

LINE PAINTING: All designated streets with painted centerlines, edge lines, directional markings, parking lines, stop lines and crosswalks were maintained to insure motor vehicle and pedestrian safety.

STREET SWEEPING: All town roadways were swept to clear winter road treatments.

BASIN CLEANING: All town drainage structures were cleaned in the spring of silt and debris to insure proper storm drainage.

WINTER ROADWAY MAINTENANCE: During the winter season, the town, along with outside contracted equipment, responded to 11 snow and ice storms that included plowing, sanding, and snow removal operations on all town roadways, municipal buildings, schools, and designated sidewalk areas. Overall it was a mild and uneventful winter season and the snow budget was underspent by just under \$10,000.

DAILY MAINTENANCE: The town maintains all roadways in relation to pothole repairs, fatigued asphalt areas, damaged shoulder repairs, guardrail maintenance, sign repairs and installations and roadside brush cutting.

INSPECTIONS: The Highway Department is also responsible for the issuance and inspection of all roadway permits, subdivision plan reviews, and construction inspections.

GROUNDS MAINTENANCE: The town also maintains all schools, parks, and municipal areas by implementing the following:

- Mowing, trimming, fertilizing, seeding, aerating and rolling of all town grounds.
- Maintenance of baseball field infields and line painting of all fields.
- New installation and repairs to all play equipment, baseball backstops, and bleachers.
- Maintenance of all tree and shrubbery at municipal buildings, schools, sidewalks, and roadsides.
- Leaf cleanup of all town buildings, schools, and designated sidewalk areas.
- Maintains recycle area including monthly cleanup and recyclable material, relocation and aeration of leaf composting pile. Contract disk chipper for maintenance of brush disposal.
- Town owned tree removal and maintenance operations.
- Winter roadway, sidewalk, and municipal building maintenance.
- Maintenance of waterways, culverts and dams.
- •

PARKS AND GROUNDS: Working with the Park Commission and schools, the department executes requests when required. DPW Highway also assisted the Rail Trail committee to install various pedestrian crossing signs, install donated benches, and clear trees as requested along the town's bike trail.

ADMINISTRATIVE: Under the direction of the DPW director, continues to meet with various town boards and commissions to assist in formulating short and long term planning. Under the DPW director, continues to work with the Select Board to prioritize roadway improvement projects, and develop funding mechanisms for their implementation. Assists the Park Commission and Conservation Commission to develop conceptual and definitive plans for town wide recreation areas. Updates the State Roadway Inventory List that included documentation of roadway miles to comply with Chapter 90 funds. Continues to work with the Police Department to upgrade parking and traffic flow through the business district abutting the Route 16 corridor, and prioritize hazardous intersections.

EQUIPMENT MAINTENANCE: The DPW maintains its own vehicles and equipment, and assists other departments with repairs to their vehicles if necessary.

ENGINEERING: This department performs reviews, as necessary, of proposed roadway construction plans for subdivisions, on site inspections, and testing to insure that completed roadways comply with town requirements. Develops, advertises, and recommends awarding contracts for Highway maintenance

projects. Prioritizes road paving projects and makes recommendations. Evaluates drainage problems for developing solutions, and generates construction cost estimates for various departments as required. Continues to file for roadway funding projects through Chapter 90 funds, TIP, etc.

# DEPARTMENT OF PUBLIC WORKS WATER DIVISION

Under the supervision of the Director of Public Works, this department is responsible for the delivery of potable water and maintenance of its supporting infrastructure.

The Holliston Water Department supplied potable water and related services for fire protection to residential, commercial, and industrial customers in Holliston. The department provides support for over 4,900 metered water services with a daily population over 15,000. During this time the Department supplied over 340 million gallons (MG) of metered potable water.

The Water Department meets these demands by limiting outside water use during periods of peak periods. A mandatory watering ban is in effect from May 1st to September 30th every year.

The Water Department is funded entirely by water use revenue and user fees, not by property taxes or state aid, and operates within its projected budget for the year. The water system consists approximately 100 miles of water main, over 800 fire hydrants, 5 active wells, 5 distribution storage tanks, 2 water treatment facilities and 2 booster stations.

Water main replacement projects continue with funding provided by the Customer Infrastructure Fee. The Cedar Street area including Cheryl Lane received new water mains utilizing the water infrastructure fee. Appropriations were passed to replace the water mains in Winter Street in 2021 and start the construction of the new water treatment facility on Central Street.

The Water Department uses a Supervisory Control and Data Acquisition System (SCADA) to monitor the water treatment plants, well production, storage tank elevations and safe system operation.

The Water Department collected over 1000 water quality samples including routine bacteria testing throughout the distribution system as well as storage tanks, raw and finished water samples at all the wells. These samples are analyzed by State Certified Laboratories and the Holliston Water Department. During the fiscal year the department staff responded to and completed over 700 requests for service including but not limited to water meter readings/repairs, shut-offs, infrastructure mark outs, leaks and water emergencies.

The Town of Holliston recognizes and appreciates the continued efforts of the Water Department Administrative Staff and System Operators. Linda Mann - Office Manager Jackie Napolitano - Principal Clerk Gary Haines Jr. - Water Distribution Foreman Gregg Morrissey - Water Treatment Foreman Frank Jordan - Water System Operator Joseph Marengo - Water System Operator Patrick McKinney - Water System Operator Ricardo Pau-Preto - Water System Operator Raymond Riendeau – Water System Operator

## ECONOMIC DEVELOPMENT COMMITTEE

Our mission established by the 2015 Annual Town Meeting (See Article XLIII of the Town's General By-Laws) remains unchanged: To proactively promote, encourage and facilitate the development of responsible and properly planned commercial and industrial growth within the

community in order to expand and strengthen the local economy and diversify the community's tax base and to give the Town's residents more opportunities to live, work and thrive in an economically forwardthinking and financially strong community. The Committee has created an active business and community website (See <u>www.hollistonedc.com</u>.), an introductory community video and business testimonials and a local permitting guide. We have expanded on our initial efforts to address downtown issues as well as traditional industrial and commercial development. In 2020, we maintained our memberships with the Metrowest Chamber of Commerce and the Milford Area Chamber of Commerce and provided letters of support for the Business Grant Program and a number of development projects. Susan Russo resigned from the Committee. Glenn Brown and Christine Carosella were appointed as members of the Committee.

# ELDERLY AND DISABLED TAXATION COMMITTEE

The Elderly and Disabled Taxation Committee and its Taxation Fund were created under Massachusetts General Law Chapter 60 Section 3D in 1998. The committee consists of Mary Greendale, Chair-Board of Assessors, Mary Bousquet, Treasurer/Collector, Laura Matz, John Hunt and James Lane, community representatives as appointed by the Board of Selectmen.

The goal of the committee is to provide tax relief to elderly and disabled taxpayers by using the Town of Holliston's Taxation Fund that is supported through private donations.

Each applicant is required on an annual basis to submit an Application for Property Tax Relief by March 31. The applications are reviewed by the Committee to insure that they meet the income/assets guidelines of income of less than \$20,000 and/or total assets of less than \$200,000. The committee then determines, based on available funds, the amount each applicant receives. Applications are confidential and only reviewed by the Committee.

During fiscal year 2020, we received three applications for assistance. Two applicants had received financial assistance through the Board of Assessor's exemption process and their taxes were paid in full. One applicant received assistance in the amount of \$500.00. As of June 30, 2020, we had available funds of \$5,736.41. We would like to thank the taxpayers who have contributed to this fund along with the generous donation from the Holliston Lions' Club.

Donations can be made to the Elderly and Taxation Fund by sending a check made payable to the Town of Holliston and mailing it to Treasurer/Collector, Town of Holliston, PO Box 6737, Holliston, MA 01746, or by stopping by the Treasurer/Collector's office. All donations are greatly appreciated.

## EMERGENCY MANAGEMENT

Holliston Emergency Management focused its energies on the four phases of emergency management; mitigation, preparedness, response and recovery.

Working with the Massachusetts Emergency Management Agency (MEMA), the Town maintained its Comprehensive Emergency Management Plan (CEMP) in a web-based electronic format (eCEMP). The

Town also continued using the state's web-based emergency management communications system, WebEOC, to provide real-time information sharing during natural and man-made incidents.

The Emergency Management Director (EMD) serves as the Chairman of the MetroWest Regional Emergency Planning Committee (REPC), comprised of representatives from Ashland, Framingham, Holliston, Hopkinton, Natick and Sherborn. The REPC coordinates regional efforts to meet the goals and missions of the Emergency Planning and Community Right-to-Know Act, Public Law 99-499.

The EMD partnered with the police, fire and schools in exercising existing school emergency plans. The EMD also attended a *Threat Assessment Intensive Workshop* in Worcester and *Preventing Targeted Violence* training in Lexington in January, and the *Psychology of School Treat Assessment* training in Manchester, NH in March.

The EMD worked closely with the Local Coordinator from the MEMA Region 1 Office in Tewksbury, and attended meetings at the MEMA State Emergency Operations Center (EOC) in Framingham and throughout MEMA Region 1.

As the SARS-CoV-2 novel coronavirus began to spread across the globe, the EMD briefed the Select Board and recommended that they declare a local state of emergency on March 16. In response to Emergency Orders issued by Governor Baker, and guidance from the Massachusetts Department of Public Health (DPH) and the United States Centers for Disease Control and Prevention (CDC), municipal buildings were closed to the public. Accelerated telework capacity was implemented for continuity of operations (COOP) and continuity of governance (COG) to ensure the continuity of essential functions. Working with existing and new supply chains, the EMD coordinated the acquisition and distribution of specialized personal protective equipment (PPE) for first responders. The EMD participated in numerous conference calls with the White House Office of Intergovernmental Affairs, MEMA, DPH, Metropolitan Area Planning Council (MAPC), Mayors and Managers, and the Massachusetts Municipal Association (MMA), to assist with plans for mitigation, response and recovery to the COVID-19 pandemic.

In June, the Town received \$1,317,137 in *Coronavirus Aid, Relief, and Economic Security* Act (*CARES* Act) funding from the Executive Office for Administration and Finance (A&F). The *CARES* Act funds were to be used to cover costs that were necessary expenditures incurred due to the public health emergency with respect to the Coronavirus Disease 2019 (COVID-19); were not budgeted as of March 27, 2020; and were incurred during the period that began on March 1, 2020 and ended on December 30, 2020.

# FIRE DEPARTMENT & AMBULANCE CORPS

In accordance with NFPA 1201, *Standard for Developing Fire Protection Services for the Public*, the Fire Department has programs, procedures, and organizations for preventing the outbreak of fires in the community and for minimizing the danger to persons and damage to property caused by fires that do occur. The fire department also carries out other compatible emergency services as mandated by federal, state and local regulations and standards.

Our activities during the year can be classified in the following areas:

## Fire Prevention and Risk Reduction

The department used state *Student Awareness of Fire Education* (S.A.F.E.) grant funds to support its continued presence in the schools and community, conducting programs and outreach using specially

trained fire and life safety educators. The Fire Chief delivered a workshop at the 25<sup>th</sup> Anniversary *Massachusetts Fire and Life Safety Education Conference* in Marlborough in September.

# Fire Suppression

The Fire Department responded to several structure fires during the year, including structure fires on Concord Street in October, and Carl Road and Cross Street in March. The department took delivery of a new Engine 1 in May, thanks to a capital appropriation from Special Town Meeting. The pumper had previously been in service for one year at the Daytona International Speedway.

# Rescue and Emergency Medical Services

The majority of the department's run volume continued to be response to emergencies by the members of our on-call ambulance corps. Numerous times during the year, two (or more) ambulances were providing medical care to patients concurrently. During the year, 55% of our patients were transported to MetroWest Medical Center, Framingham; 34% of our patients were transported to Milford Regional Medical Center; and 8% of our patients were transported to MetroWest Medical Center, Natick.

# Hazardous Materials

The Fire Department responds to hazardous materials releases in the community, ranging from spills on the roadway after a motor vehicle accident, to major releases from fixed or mobile containers. The response capabilities range from a firefighter with a fleet pickup truck, to dozens of firefighters using specialized containment and mitigation supplies on Rescue 1.

# Disaster Planning

The Fire Department worked closely with Holliston Emergency Management, the Massachusetts Emergency Management Agency, the Massachusetts Department of Public Health, and the Department of Homeland Security in planning for all-hazards incidents. The Fire Chief serves as the Chairman of the MetroWest Regional Emergency Planning Committee (REPC), comprised of representatives from Ashland, Framingham, Holliston, Hopkinton, Natick and Sherborn. The REPC coordinates regional efforts to meet the goals and missions of the Emergency Planning and Community Right-to-Know Act, Public Law 99-499.

The Fire Chief partnered with the police and schools in exercising existing school emergency plans. The Chief also attended a *Threat Assessment Intensive Workshop* in Worcester and *Preventing Targeted Violence* training in Lexington in January, and the *Psychology of School Treat Assessment* training in Manchester, NH in March.

As the SARS-CoV-2 novel coronavirus began to spread across the globe, the department updated its screening questions posed to callers by dispatchers, made specialized personal protective equipment (PPE) available to first responders, and modified its response protocols allowing our members to continue to serve the public while minimizing potential exposure to COVID-19.

# <u>Training</u>

The Fire Department conducted regular in-house training for its call firefighters and EMTs, which was coordinated by training officers on each company, and paramedics on the ambulance. In the fall, fire instructors from the department conducted an in-house *Firefighter I/II* training course for new members; preparing them to sit for the certification exam offered by the Massachusetts Fire Training Council. Using resources from the National Firefighting Academy, the Massachusetts Firefighting Academy, and

professional colleagues in the healthcare field, we kept the members of the department up to date on the current job performance requirements of their respective positions. Members are encouraged to participate in outside training opportunities.

Emergency Responses

The Fire Department responded to over sixteen hundred incidents:

Fire Log Incidents - 483	(Estimated dollar loss \$672,218)
Ambulance Log Incidents - 1163	(805 Patients Transported)

# HOLLISTON FACILITIES DEPARTMENT

The Holliston Facilities Department is new for FY2020 and is responsible for making sure the Town's buildings and systems work harmoniously while ensuring the places in which people work, play and learn are safe, comfortable, productive and sustainable. The Facilities Department manages the procurement of goods and services related to the repair, renovation and maintenance of the Town's buildings and systems. The Department also provides valuable insight into the long-term capital planning for major facility improvements.

The department is on a three year implementation schedule withoversite of the Town's municipal buildings in year one, expansion into Parks and Grounds in year two and Schools in year three. During FY2020 the department completed all tasks outlined in the "Facility Manager Employment Plan" for Year 1 – Key Accomplishments include:

- Engaged with all building stakeholders and established communication procedures
- Completed Facility Condition Assessments for all Town buildings to establish:
  - Baseline conditions
  - Establish Preventative Maintenance Programs
  - Develop long-term Capital Improvement Plan for the Town's assets
- Researched, selected and procured a Computerized Maintained Management System to manage preventive maintenance schedules and work orders.

Along with processing and closing 85 facilities work orders for the various Town buildings, the department began developing competitive annual contracts for; facility cleaning services, HVAC maintenance/repair, fire suppression system inspection/service, elevator inspection/service and utilities (Natural Gas, Electricity). By leveraging a competitive environment for these services the Town is expected to save over \$100,000 on an annual basis.

Large scale projects initiated and completed in FY2020 were:

- Covid 19 Facility Preparation Installation of various barriers in Town buildings, signage, HVAC adjustments including filtration and fresh air intakes
- 260 Woodland Street site remediation
- Replacement of Pinecrest exterior doors, cupula repairs and snack shack roof
- Senior Center door repairs and kitchen compliance updates
- Police Station garage wall structural issues and remediation
- Pinecrest parking assessment and signage

Several additional projects are planned for FY2021 consisting of:

- Library improvements Restoration of the front facade, interior painting, carpeting and HVAC controls
- Town Hall Floor refinishing, window restoration and repairs, septic system
- Senior Center improvements interior painting and carpeting

This is an exciting time to start a new department. A lot of effort is being spent laying the groundwork to establish a solid foundation on which the department can focus on its ultimate goal of protecting Holliston's largest assets.

# **GOLF COURSE ADVISORY COMMITTEE**

The town of Holliston is in the second year of a three year contract with New England Golf Inc. for management and maintenance for the town owned Pinecrest Golf Course. This year the purchase of two sets of solar crossing lights for golfer and public safety will be installed at the clubhouse crossing and hole two crossing. Leveled the cart paths on holes 2, 3, 5, 9, 14 and 16. Continued to eliminate invasives by clearing out hotspot areas through course. Removed the sod, leveled and re-sodded the forward tee on #2, forward tee on #9, forward tee on #15 and the tee on #16. Improved the playability of the surround on the bunker of #15 and #18. Pruning of ornamental trees around the pro shop, restaurant, parking area and the 10<sup>th</sup> green. Pruning and removal of trees for safety and sightlines on the fifth hole and seventeenth hole. Provided additional staff and training to comply with Covid-19 guidelines to ensure safety of employees and players.

The town of Holliston is in the second year of a three year contract with Anthony's on the Green for the management of the Pinecrest Golf Course restaurant and function/tent facility. The town refurbished the deck. The tent area was recarpeted, new tent siding installed and the tent was repaired. A new fryolater, grill and refrigeration unit was bought by the town. The clubhouse building was painted.

The flowers continue to be planted and maintained by John & Deborah Moore with the support of New England Golf & Anthony's on the Green.

# **GOVERNANCE COMMITTEE**

The Governance Committee was established by the Select Board on March 3, 2020 to assist in the development of town-wide policies that relate to governance and recommend changes to the form of government if needed. Appointments to the Committee were completed on June 17, 2020. Regarding governance, Holliston has not undertaken a comprehensive review of its government structure and efficiency for over 40 years.

The Governance Committee consist of five Holliston residents with diverse professional backgrounds and prior experience in Holliston government. Members are: Samuel Tyler, Chair; Scott McKechnie, Vice Chair; Paul LeBeau, Clerk; Leonard Engel and Christina Lingham. These members collectively represent over 100 years of municipal experience. Snapshot bios of each member are provided on the Governance Committee's town webpage.

Starting with its organizational meeting on July 16, 2020, the Governance Committee has conducted a total of 14 virtual public meetings in 2020 to meet with Town officials, review data and information it prepared and discuss governance issues and possible recommendations.

At it meeting on August 19, 2020, the Committee members voted that a new Town By-Law outlining the budget development process in Holliston should be its first initiative. Holliston's current By-Laws are silent on this topic, which has led to tension among some boards and committees. The hiring of a new Town Administrator with direct experience in municipal finance in two other towns and the Committee's extensive review of the Charters or General By-Laws of scores of other Massachusetts towns contributed to this decision.

At the start of its work, the Governance Committee prepared an organizational chart of town offices to help understand the current organizational structure of Holliston government. From data provided from resources of the state's Division of Local Services within the Department of Revenue and the Massachusetts Municipal Association, the Committee developed a table of comparative towns to Holliston.

From this comparable town list, and our review of town Charters and General By-Laws, the Committee developed a list of fifteen (15) comparable towns that each adopted Charters that included Articles outlining its budget development process. The list was divided among the five Governance Committee members so that each was responsible for developing working relationships with officials in three towns to learn more about their town operations than would be possible from merely reviewing written Charters and By-Laws.

By the end of 2020, the Governance Committee has completed developing a draft Article outlining a revised budget development process for Holliston. The provisions of this By-Law will require modifications of four other Town By-Law Articles. In 2021, the Governance Committee will meet with several Town committees, boards and officials to receive feedback on the draft Articles. Public hearings will be held for the same reason. The Committee will make adjustments to its drafts based on these meetings where warranted and submit its final recommendations to be presented to the May 10, 2021 Annual Town Meeting.

## **BOARD OF HEALTH**

The Board of Health mission is: to promote and protect the public health and safety, and to protect the environment. The Board seeks to meet these goals through proactive service, by continually reviewing and expanding our efforts in response to the needs of the community, and by serving as a resource for residents and other Boards/Committees. Additionally, it is our responsibility to promulgate and ensure compliance with Health Department, Town and State regulations under our jurisdiction.

The Board of Health meets on the first and third Tuesday evenings at 7:00 p.m. in room #014 at Town Hall. Starting on March 20, 2020 the meetings became remote via teleconferences. The meeting agendas are available by contacting the Board of Health office (508-429-0605) or by accessing the Town's website (www.townofholliston.us). The Board of Health is comprised of three elected members: Laura Nolan, chairperson, Thomas Ellis, vice-chairperson and Joshua Mann.

Health Department staff personnel include Health Agent/Director Scott Moles and clerks Lisa Deering and Ann Adams, with a combined 32 years of service with Holliston. The Board of Health receives parttime services from septic inspector Paul Saulnier, P.E. and food service inspector Leonard Izzo, R.S., CHO.

The Board offers services that include administering and enforcing public health codes (State and local) relative to septic systems, housing, food service, private wells, beaches, semi-public swimming pools,

tobacco control, summer camps, and animal inspector's duties as well as other areas. The Board of Health provides wastewater and private water supply plan reviews and permitting, septage hauler and installer permitting, and medical waste transport permitting.

As a non-sewered community, environmental health comprises a major portion of the department's workload. The Board received applications for 168 Disposal System Construction Permits (new and upgrade), including 40 repair plans, 12 revised plans and several miscellaneous permits. There were 2 private well permits issued. There were 119 soil test applications, 12 swimming pools, and 100 applications were reviewed for building releases.

The Board received various complaints for housing, odor, noise, beavers, trash and other matters with actions taken to address any code violations.

The Health Department is actively involved in emergency preparedness where grant funds are received.

**Food:** Leonard Izzo, R.S., CHO, provides regular inspections of food establishments as required by State Code; follow-up visits and emergencies are handled as needed. This year 61 food establishment permits were issued which include temporary food service permits for non-profit organizations.

**Septic:** DEP licensed inspectors perform Title 5 septic system inspections for property transfers or at time of a property change-of-use. A list of licensed inspectors and educational brochures to assist residents with the inspection procedure are available in office or on the Mass DEP website. This office has record of septic system plans for over 6,000 properties. Residents are encouraged to call the Board of Health office with any questions they may have regarding the care of their septic system. A total of 125 Title 5 Inspection Reports were received and reviewed. With the change in pumping record requirements, over 2041 pumping records were received and entered into the data base.

**West Nile Virus & EEE:** MDPH, Town and Central Massachusetts Mosquito Control Project (CMMCP) officials continue efforts to educate and advise residents of preventive measures to avoid human transmission of diseases spread by mosquitoes. The Massachusetts Department of Public Health (MDPH) conducts a surveillance program to monitor the virus in mosquito species. CMMCP treats catch basins for mosquito larva in early spring as a source reduction measure and conduct brush cutting. CMMCP conducts weekly spraying for adult mosquitoes by resident request only during the summer months by calling 508-393-3055. In Holliston, CMMCP has expanded with some beaver control/management at the Wenakeening Woods and Chicken Brook.

**Disease Prevention**: Under agreement with the Town, Salmon VNA & Hospice provides State mandated case investigations of reportable communicable diseases by a Registered Nurse. This year 101 case investigations were completed. The State DPH uses the MAVEN, for comprehensive communicable disease reporting and monitoring.

**Prescription Medication drop-off** is available at the Police Station for unused and expired medication. The lobby kiosk is confidential and available at all times. Proper disposal keeps ground water protected, and drugs from unintended use.

**Sharps Disposal:** With the assistance of a grant received from E.L. Harvey & Sons, Inc, and Board of Health funding, the Board has partnered with the CVS Pharmacy to provide a safe, convenient sharps disposal program to comply with the State's sharps ban in solid waste. Residents may drop off their used needles, syringes, and lancets in an approved sharps container during pharmacy business hours. The

Health Department sells approved sharps containers in two sizes for \$2 or \$5 per container. We appreciate CVS Pharmacy for hosting a valuable public service at no charge to the residents.

Animal Inspector's Report: The Board of Health appointed alternate Animal Inspectors Scott Moles, Dona Walsh and Sophie Schulman. Town resident PJ Kilkelly has been volunteering with his expertise in animal care.

**Tobacco:** There were 10 tobacco retailers licensed during the year. The Health Department informed the retailers of the State ban (beginning June 1, 2020) on the sale of flavored cigarettes and tobacco products, including menthol cigarettes and flavored chewing tobacco.

**Emergency Preparedness:** The town is one of 34 towns in the DPH Region 4A sharing in resources and planning for emergencies. Residents are invited to volunteer in a medical or non-medical capacity; an application is available on the Town Board of Health website. All volunteers welcome.

**Covanta Transfer Station:** The Board extended a contract with Brian Moran of Stantec Consulting Services, Inc. to provide services as a compliance officer for the facility funded by Covanta. Lawrence Waste Services continues to run the operational services at the facility.

**COVID-19:** Massachusetts had its first COVID-19 case on 3/2/20. Fire Chief Michael Cassidy, Holliston Emergency Management Director with the Health Department gave the first briefing on COVID-19 on 3/11/20. The Health Department has been active in all aspects of the pandemic: Holliston School cancellation, emergency order suspending Open Meeting Law, orders prohibiting gatherings, State Declaration of Emergency, municipal closing/work-from-home, Board of Health face covering mandate 4/28/20. The Board of Health continues providing education and support to the Town during this pandemic.

General Fund deposits made to the Town Treasurer totaled \$97,116.

# OTHER POST-EMPLOYMENT BENEFITS TRUST COMMITTEE (OPEB)

The Other Post-Employment (OPEB) Trust Committee was authorized by the Commonwealth of Massachusetts in Chapter 189 of the Acts of 2013. The committee is compromised of the Chair of the Select Board, Chair of the School Committee, Town Administrator, Treasurer/Collector and a resident. The Treasurer/Collector is the custodian of the fund and may employ an outside custodial service. The Committee may employ any qualified bank, trust company, corporation, firm or person to advise it on the investment of the OPEB Trust Fund.

Other post-employments benefits includes post-employment healthcare benefits and all post-employment benefits provided separately from a pension. An actuarial valuation of the town's OPEB liability and funding schedule is performed every two years. The Committee is charged with reviewing the actuarial report and making a funding recommendation to the Town.

On January 13, 2015, the Town was approved by the State Retirement Benefits Trust Fund (SRBFT) through the Health Care Security Trust (HCST) Board of Trustees to invest in their funds. On January 14, 2020, the Committee adopted their investment policy.

Deposits into the fund (Inception to 6/30/2020):	\$12,370,423.10
Interest earned less fees:	3,098,599.66

## PARK COMMISSION

The Park Commission continues to provide recreation programs and oversee maintenance of town parks and recreational facilities for the residents of Holliston. The Park Commission also oversees the beaches of Lake Winthrop and Pleasure Point. The addition of 1750 Washington St. has provided the Parks & Recreation Department with space for the expansion of morning programs for kids and adults and after school programming for the residents of Holliston.

The Parks Department completed renovations at all of the infields using the allocated CPC funding from 2019 May Town meeting. The fields are draining much better and safety concerns regarding lips that had formed at many infields have been mitigated. We purchased an infield grooming machine with funds allocated from 2019 special town meeting and have been utilizing it to better care for our infields. We are currently moving on to the next phase of our baseball field renovations which is installing covered dugouts at the fields. The first set is going in at Flagg Field in March.

Our beach refurbishment project was completed at Stoddard with drainage issues being addressed in May of 2020 and new sand being delivered and spread in July of 2020. Our post season beach survey data indicated a very positive experience for beach users this year.

Our operation was significantly affected by both EEE in the fall of 2020, and then the COVID-19 Pandemic. We lost the majority of our field rental revenue for the year, and were able to offer significantly less programming options in the spring and summer then we would under normal circumstances. We reduced operating costs by limiting lifeguarding schedules and operating our camp during limited hours.

We did run a successful summer camp under difficult restrictions and also ran two weeks of sports camps in partnership with Skyhawks Sports. After a very successful Fall and Winter season of our busing program (busing kids from Miller and Placentino to 1750 for after school programming) we paused the program for the Spring. This program was on an excellent trajectory and we are eager to resume it, hopefully in the Fall of 2021.

The Parks department continues to see ongoing maintenance at the fields and parks as an area we should invest more resources in. We are hopeful that the new facilities manager can help us navigate a plan to address this in a permanent way so that the Parks revolving fund is not depleted supplementing maintenance issues using contractors.

Director of Parks and Recreation – Mark Frank on behalf of the Parks Commission: Melissa Kaspern, Chairperson Brian MacDonald Paul Healy Shaw Lively, Vice Chairperson Steve Bigelow

### PLANNING BOARD

#### **Development Review of Note**

Special Permit and Site Plan Review approvals were issued for the following commercial developments and municipal projects: 1. Mayflower Medicinals, Inc. at 89 October Hill Road to expand existing operations as an Adult Use Marijuana Establishment, 2. Good Chemistry at 390 Hopping Brook Road to be utilized for a Marijuana Establishment, 3. James Read, d/b/a R&R Landscaping, for construction of a 4,950 sq.ft. commercial garage and storage building at 2016 Washington Street, 4. Earthlight Solar at 56 Boynton Road for a 323 kw rooftop photovoltaic installation and 5. CRG Integrated Real Estate Solutions at 555 Hopping Brook Road for an 800,400 sq.ft. warehouse distribution facility (Site Plan Review only).

#### **Ongoing Construction Projects**

The Board currently holds performance bonds and coordinates third-party inspections for construction of the following active single-family residential subdivisions: Brooksmont Meadow (Laurel Glen), Constitution Village, Deer Run, Highlands at Holliston, Liberty Estates, Summitpointe and White Pine Estates II. Additionally, the Board is monitoring construction of the Hollis Hills Preserve, Brooksmont (415 Concord Street) and Washington Hills (Holliston Woods) Senior Residential projects, as well as Hopping Brook Industrial Park Phase II.

We would like to thank Highway Supt. Tom Smith, Ali Parand, PE, CMG Engineering and McClure Engineering for their continued support facilitating roadway inspections.

## HOLLISTON POLICE DEPARTMENT

### **MISSION STATEMENT**

The mission of the Holliston Police Department is to achieve effective, efficient and professional policing in partnership with the community, helping to secure a safe and just community in which human rights and responsibilities are properly respected and balanced.

#### **DEPARTMENT VALUES**

The Holliston Police Department Value Statement cites the attributes of Integrity, Professionalism, Loyalty and Pride which are the foundation of our commitment to public service, safety and security for those who live, work and travel through our community. These values guide us as a department as we undertake the difficult demands of the police profession.

### FISCAL YEAR 2020 OVERVIEW

In order to connect with all segments of our population, communication is of the utmost importance. Citizens are able to find a variety of subject matter through our official website <u>www.hollistonpolice.com</u>. Our website offers timely information regarding scams, identity theft, filing traffic complaints, obtaining various forms and updates on law enforcement related topics as well as access to department email addresses. Our outreach through social media such as Facebook, Twitter and Instagram has increased in popularity and all are invited to join and follow us.

In 2017 our department formulated a second five-year strategic plan which is available on our department website. Our community stakeholders identified areas of importance where police should focus attention;

Crime Prevention, Traffic, Juvenile Issues, Domestic Violence & Mental Health and Community Relations. Year three of our new strategic plan began in July 2019.

Roadway safety continues to be a major focus of our department. Our goal is a reduction in the number of motor vehicle crashes and traffic violations through consistent traffic education and enforcement, public awareness and through grants awarded by the Executive Office of Public Safety and Security that focus on impaired and aggressive driving, pedestrian safety and seatbelt enforcement. We believe these efforts including participation in the downtown traffic studies and discussions and responding to specific traffic complaints will lead to safer roads for those who live, work and travel through our community.

The Holliston Police Department maintains an effective partnership with the Holliston Public Schools. Our School Resource Officers are situated at the Holliston High School and the middle and elementary schools with a goal of prevention and intervention. Our School Resource Officers (SRO) have established meaningful partnerships with the administration, faculty, and students creating an atmosphere of trust and cooperation. The SRO's engage in mediation and resolution of non-criminal matters and participate in the Community Based Justice (CBJ) program, a collaborative effort to help identify students at risk and direct them to the proper resources both inside and outside of the school setting. The SRO actively works with outside agencies such as Youth & Family Services/Court Diversion Program and Massachusetts Partnership for Youth. Outside the school setting, our SRO's take the lead in connecting the police department with the youth of the community through high school internships and the junior police academy, involvement with organized activities sponsored by the schools, and the Park and Recreation Department and safety oriented policing while on patrol.

Our Detective Division is working diligently on narcotics investigations, breaking and entering crimes as well as sexual assaults, cyber crimes and identity theft. Domestic Abuse is proactively addressed through participation in domestic violence roundtables through the Middlesex District Attorneys Office and meaningful follow-ups with victims directing them to resources which can help them address abuse and violence. Most recently, Detective Ciara Maguire created a Holliston Police Department QR code business card to distribute to victims of domestic violence that provides them with a myriad of resources for help and assistance. We are also engaged with the Middlesex Opioid Task Force. We issue public advisories regarding certain crimes and can offer crime prevention strategies for residents and businesses through our crime prevention officer. Most notably in fiscal year 2020, we were able to add a second full-time detective position within the unit. As crimes increasingly become more complex, ensuring that we have two full-time detectives dedicated to investigating crimes is crucial.

Our Jail Diversion Program (JDP) started as a grant from the Department of Mental Health (DMH) and continues to be a vital part of our agency. This collaborative effort is designed to reduce or eliminate the time people with mental illness or substance abuse disorders spend incarcerated and avoid unnecessary criminal charges by directing them from the criminal justice system to community based treatment. An emergency service clinician (Masters Level) is imbedded into our agency and serves as a resource for a variety of circumstances where a clinician can best assist an individual in emotional or mental health crisis. Our department consistently utilizes our clinician who plays a critical role in serving the needs of those with mental health issues within our community.

Crime prevention is a particular focus of our police department. Through proactive patrols and investigative procedures we strive for the highest level of safety and security for our residents. Our commitment to the prevention of crime can be seen on a daily basis by those officers dedicated to the areas of domestic violence, elder affairs, community affairs, housing, safety, juveniles, investigations, patrol and K-9 patrol.

#### **DEPARTMENT MILESTONES**

The Holliston Police Department continues to utilize an electronic scheduling software. This initiative has improved our carbon footprint by nearly eliminating time slips and paper time sheets from this process. Our system streamlines our scheduling, attendance, timekeeping, and payroll preparation and provides automatic communications through e-mail and text notifications. This system empowers members of the department to manage their work life anywhere and anytime from any connected device.

Our K-9 team completed the Boston Police Department K-9 Patrol Academy and Narcotics Detection Academy. Sergeant Todd Hagan and his partner K-9 Mattis continue to assist our agency in many ways and offer mutual aid assistance to surrounding communities. Their patrol efforts help to track suspects or missing persons, protect police officers or other persons from injury or death, and apprehend fleeing and/or arresting suspects. Sergeant Hagan and K-9 Mattis continue to train and fine tune their skills with the Boston Police Department K-9 Unit each month. In addition to patrol/narcotics detection, our K-9 team is always busy performing public demonstrations and visiting members of the community.

We continue to take a proactive approach whenever we can to help those who are facing substance abuse issues and addiction. The Holliston Police Department was one of seven police departments in Middlesex County to pilot a new "Critical Incident Management System (CIMS)" software program. The CIMS system is a software product developed to support countywide police led programs intending to document all overdose incidents within county jurisdictions and helps to facilitate the transition of those experiencing drug overdoses to treatment. This software allows the documentation of overdose events in real time, manages and documents incident follow-ups to better help those suffering from substance use get access to services, and shares information across communities up to an including an incident notification system.

Our agency is also participating in the Framingham District Recovery Court, which was launched in February 2019. Unlike a court diversion program, the Recovery Court is a form of probation for those who are guilty of a crime. Completion of the program is a condition of their probation. An addict must apply for the Recovery Court program, and a team made up of a local judge, prosecutors, defense attorneys, a probation officer, a mental health clinician, and a police officer determine if the person is a good fit for the program. This stringent, 18-month probation period includes frequent drug tests, weekly court appearances, meetings with clinicians and probation officers as well as visits to in-patient treatment facilities. While the Holliston Police Department has not had an individual participate in the program itself to date, we play an active role in the program and participate in the monthly meetings at Framingham District Court.

The police department has also taken proactive steps to upgrade our property and evidence room procedures. A new evidence processing manual has been created to ensure officers are using best practices when it comes to the handling and packaging of property and evidence. Additionally, we have implemented a new state-of-the-art barcoding system in our property and evidence room that is designed to accurately and efficiently record the movement of evidence in and out of the property room. This evidence tracking system uses barcodes to do all of the work. The chain of custody that is vital when handling evidence is maintained as the system records each transaction with a time and date stamp. Each evidence movement is recorded; the people involved, the date, time and location are saved as well. A printed receipt is generated noting the case number, evidence involved, the person issuing the evidence as well as the person checking the evidence out. This receipt is signed and saved to document these transactions. Utilizing industry best practices in the industry when it comes to property and evidence not only ensures accountability, but promotes transparency throughout the process.

As an accredited law enforcement agency, the Holliston Police Department seeks and employs best practice strategies whenever possible. As a result, we have implemented an accreditation policy software that allows us to manage our policies and procedures in the most strategic way possible. This new system ensures that our policies meet the expected compliance requirements as established by the Massachusetts Police Accreditation Commission. This software program allows our police officers to have instant access to documents such as Standard Operating Procedures, Policy Manuals, policy documents, and Vision and Mission statements. This software easily stores all of these documents and stores historical versions for easy reference and retrieval. It also allows us to distribute documents to department members for them to read, assess, and sign off that they've understood the material.

In the area of motor vehicle citations, the Holliston Police Department has moved from traditional "paper" citations to the new "e-citation" system. We received a grant from the Executive Office of Public Safety and Security (EOPSS) that provided new e-citation printers for all of our patrol vehicles. Our officers now enter the location and type of violation into the system, print the ticket out for the violator, all while using a dash-mounted laptop computer inside the cruiser. This technology cuts paperwork and saves money, while also making citations and crash data instantly available to courts, the Registry of Motor Vehicles, and the state's Merit Rating Board, which compiles data on driving records.

The Holliston Police Department continuously seeks grant opportunities to support our operating budget and to lessen the burden on you, the taxpayers. In fiscal year 2020 we were able to secure grant funding from a variety of source including, but not limited to State legislative earmarks, the Massachusetts Department of Mental Health, the Executive Office of Public Safety and Security, the State 911 department, Governor Baker's Safer Schools and Communities program, the Med-Project Grant, the Massachusetts Bulletproof Vest Program, and other local non-profit organizations such as the Holliston Newcomers and Massachusetts Vest-A-Dog. We are grateful for how these grants were able to supplement our operating budget and allow us to expand the services that we provide to our community.

Beginning in 2018, Chief Stone and Chief Cassidy joined forces to address a long standing operability issue that affected first responder communications throughout town. Cyber Communications Solutions, the premier service provider in New England for Motorola, was contacted to perform a propagation study to determine the current level of service provided by the existing system. The results of this study quickly confirmed the inadequacies of the radio system and made recommendations for upgrading. We then sought funding support for a project of this nature and were able to secure a legislative earmark from State Representative Carolyn Dykema's Office and Senate President Karen Spilka's Office. This funding support allowed us to move the project from a conceptual idea to technological solution. Finally in December 2020, the Holliston voters at Annual Town Meeting approved our request for funding and the project was completed on time and on budget. This system overhaul has created a 21<sup>st</sup> century communication system that has dramatically improved the safety of our first responders and enhanced the overall efficiency of public safety operations within the community.

The Holliston Police Department also assisted in the formation of Holliston's new Traffic Advisory Committee (TAC) which helps to examine traffic issues within the community. There are a total of nine members on the Traffic Advisory Committee, including Chief Stone as the Chair, who are all appointed by the Select Board. TAC is an advisory committee charged with hearing resident petitions, conducting studies, collecting traffic data, and proposing solutions/recommendations to the Select Board. Despite many hurdles created by COVID-19, the Traffic Advisory Committee has committed to hearing resident petitions (remotely) on nearly a monthly basis and have made recommendations to the Select Board that include speed reductions, additional signage, and most recently in the area of commercial motor vehicle exclusions on a number of roadways within town.

In the spring of 2020, we successfully implemented the department's first police motorcycle program. With support and approval of Holliston residents, the police department was able to acquire a new police motorcycle for the department and properly train three police officers in its use and deployment. Our new motorcycle participated in a number of parades, funeral escorts, traffic enforcement posts, community events, and mutual aid requests. Our motor officers patrolled the community on two wheels throughout the spring, summer, and fall and the impact has been tremendously positive. Our police motorcycle program has proven to be an effective tool for our department and we look forward to many more years of success.

In June 2020, Chief Stone requested the Massachusetts Police Accreditation Commission (MPAC) to perform an on-site assessment of our agency to ensure that the Holliston Police Department was meeting or exceeding the Commission's high standards for law enforcement professional excellence. After three days of assessment which helped to ensure that were in compliance with the Commission's 257 mandatory standards as well as a required percentage of optional standards for an agency our size, the Holliston Police Department was awarded re-accreditation status. The standards in which we were evaluated, established by the Commission on Accreditation for Law Enforcement Agencies, Inc. (CALEA), covers some of the following areas; use of force, recruitment, selection, training, prisoner transportation and holding facilities, property and evidence control, and patrol operations. As a re-accredited agency, we conform to the gold standard of policing policies and follow the best practices of modern day policing.

Despite the onslaught of challenges created by COVID-19, the Holliston Police Department was still able to seek, hire, and train a number of new qualified candidates for the position of police officer. For reasons out of our control at the local level, the October 2019 police academy class that we had planned to send two new recruits to was postponed until January 2020. This unsettling news left our two newest police recruits, Ryan Parent and Alex Hulme, waiting in limbo for their law enforcement careers to begin. Finally in January 2020, the academy class was properly funded and Ryan and Alex began their new journey to become a police officer. Unfortunately, only two months later we were faced with a global pandemic that essentially shut down the physical in-person learning at the academy. Through all of this, our two newest officers met every challenge before them and continued to persevere through unprecedented conditions. Needleless to say their return to academy learning in early May 2020 paved the way for a much anticipated graduation date on June 19, 2020. This story is shared not only to highlight the focus and determination of Officers Parent and Hulme, but to accentuate the ability of the men and women of the Holliston Police Department for continually adapting and overcoming obstacles each and every day. This is not only a tribute to each individual officer, but to the outstanding agency in which we serve.

## TRAINING HIGHLIGHTS

Training continues to be one of the highest priorities of the Holliston Police Department. Providing quality training for our police officers increases professionalism and reduces liability. All of our police officers successfully completed their forty (40) hours of state mandated in-service training as required by the Municipal Police Training Committee (MPTC). This mandated training covers all police fundamentals such as CPR, First Responder, Narcan, firearms, law updates, Electronic Control Weapons (ECW) recertification, Defensive Tactics, and other specialized topics. The Holliston Police Department hosts all of our in-service training courses here at the Holliston Police station and are joined by surrounding agencies such as the Sherborn, Hopkinton, Ashland, and Millis. In July 2019, we expanded our regional in-service training program by welcoming members of the Medfield Police Department to share in our training regimen. This collaborative effort has helped to create an excellent training environment for all of our officers and has proven to be both an efficient and an effective way to learn.

In addition to the above mandated training, all members of the department are encouraged to seek out specialized training to build on their knowledge and that benefits the organization as a whole. In fiscal year 2020, Officers participated in professional development classes in the following areas;

"Critical Incident Management System" (CIMS), Advanced Domestic Violence Seminar, "How To Become A Great Leader," Autism Awareness for Law Enforcement seminar, Dark Web: Cryptocurrency Investigations, Table Top Intruder Response/Incident Command System (ICS) with Holliston Fire and Holliston School Administrators, License Plate Recognition, School Safety and Security, The Field Training Officer (FTO) Process and Probationary Employees: Legal Liability and Best Practices, Executive Development, Pre-Incident Stress Debriefing for Command Staff, Use of Force/Non-Compliance Report Writing, Sex Offender Registry Board: Partnerships, Advancements, and Safer Communities through Collaboration and Training, Post Promotional Suicide Prevention, Sexual Assault Investigator Certification, Anti-Terrorism Advisory Council (ATAC)/Joint Terrorism Task Force (JTTF) seminar, Legal Issues and Liability, Juvenile Update/Court Diversion, UTV familiarization, Active Shooter Dispatch Training, Xtra Duty Web Seminar, Annual School Safety Summit-Best Practices in School Safety, Property and Evidence Room Management, High Risk Domestic Violence, First Line Supervisor Course, Lidar, Traffic Incident Management Training, Low-Light Firearms Qualifications, Leadership for Reducing Organizational Stress in Law Enforcement, Liability and Public Records, Entry Level Fitness Coordinator, Advancing and Supporting Women in Law Enforcement, Applied Patrol Procedures at the Plymouth Police Academy, School Shootings: A Crippling Problem, The Property Room: Inspection, Inventory, and Audits, Contemporary Issues in Securing Houses of Worship, Teen Dating Violence Awareness, Preparing for the Accreditation Assessment, Police Survival, Animal Cruelty and Investigations, Child Passenger Seats, Sexual Assault Kit Processing, Cyber Security for Town Employees, Comprehensive Emergency Management Plan (CEMP), Low Light Pistol Instructor, Best Practices and Coronavirus Concerns for Law Enforcement Leaders, Basic Police Motorcycle Operators Course, Electronic Control Weapons Instructor Course, Emergency Medical Technician (EMT), and Patrol Rifle certification.

### **COMMUNITY OUTREACH**

The essence of community policing is our contact with the public. Both the police and the public can initiate this communication and it is our goal to keep the dialogue open. This partnership is formed through community interactions, social media (Facebook, Twitter, & Instagram) and outreach events such as "Coffee with a Cop", National Night Out, K-9 demonstrations, Citizens Police Academy, Junior Police Academy, Rape Aggression and Defense (RAD), Celebrate Holliston, participation in panel discussions and charitable events such as the Senior Holiday Luncheon and Toys for Tots program. The Holliston Police Department is proud of our relationship with the community and through our commitment and partnership, our goal is to help ensure a quality of life that is safe and can be enjoyed by all. We appreciate the continued support of those we serve.

Due to the on-going COVID-19 pandemic, our community outreach efforts had to be reduced dramatically. In any given year however, these are some of the many community outreach programs that members of the Holliston Police Department participate in. These programs and initiatives occur above and beyond the 17,900+ calls for service that we respond to or initiate throughout the year.

Some of the different community outreach programs that members of the Holliston Police Department frequently participate are:

**Birthday Parades** Police Mountain Bike Patrols Health Care Lunch Delivery Event Junior Police Academy National Night Out Pink Patch Project Prescription Drug Take Back Day MetroWest Senior Citizen BBQ in Hopkinton Veterans Appreciation Breakfast Pumpkin Patrol Walking School Bus No Shave November Holiday Senior Lunch Fill-A-Cruiser Toy Drive Event Toys for Tots Shop with a Cop Soup-er Bowl Celebrate Holliston MetroWest Clothing Initiative Community Reader Week Girl/Boy Scout Station Tours Special Olympics HHS Graduation Parade "Declan Vail" Swearing In Ceremony Veterans Court Holiday Luncheon Boston Marathon Rape Aggression Defense (RAD) Law Day at Framingham District Court Community Based Justice (CBJ) Meetings Ice cream social - Mission Springs and Cole Court Story Hour Program at the Holliston library

#### RETIREMENTS

In August 2019, Officer James Ward retired from the police department after more than 30 years of service to the Town. Officer Ward spent the majority of his career as a juvenile detective and school resource officer for the department.

We would like to recognize and thank Officer Ward for his outstanding contributions to public safety in the Town of Holliston.

### PUBLIC LIBRARY

The pandemic presented many challenges in providing library services to the town in 2020. Although the library closed for a few months, it re-opened for in-person visits, curbside pickup and home delivery as

well as providing a wealth of electronic resources. Being able to access e-books from home prompted many to try the service for the first time. The library continues to be a source of learning new technology related to e-books.

The library circulated 150,564 items in FY '20. Electronic books, audio, magazines, music and streaming television shows and movies steadily increased in popularity as print and physical non-print slowly decreased. The library added Hoopla, an electronic service to provide these services alongside Overdrive/Libby.

All programming for all ages became virtual via Zoom during the year and we found new and creative ways to connect our users to each other and the library. We co-sponsored programs with other area libraries and organizations such as the historical society to widen our audience and share costs. A mystery book club was added to the existing morning and history clubs. The addition of Eventkeeper made it possible to register easily for programs online.

We used suggestions from the 2020 space study to create a larger play area in the children's room and more space for caregivers and kids to relax and read together. The collections were weeded of worn or outdated items. Weekly kits of STEM and art projects to do at home was added to the curbside pickup table and were very popular along with holiday goody bags. All were funded by the Friends of the Library with help from the Garden Club for an ornament kit in December. Read-alike bookmarks to help readers discover new books and authors were created for popular genres. We also added security cameras to the building and upgraded our website to make access easier for the disabled.

We look forward to another wonderful year serving the residents of Holliston in 2021.

# **BOARD OF REGISTRARS**

The Board of Registrars is part of the Town Clerk's Office and is responsible for conducting the annual census, certifying all nomination papers and petitions, both town and state, voter registration, planning and conducting all elections, recounts, and absentee voting.

During the Fiscal year (July 1, 2019 – June 30, 2020) the following Elections & Town Meetings were held: October 28, 2019 - Special Town Meeting; March 3, 2020 – Presidential Primary Election; June 23, 2020 – Annual Town Election; July 20, 2020 – Annual Town Meeting. Due to the COVID-19 Pandemic Town Meeting and Town Election were postponed from the usual May dates. Additionally Early Voting By Mail was introduced during the Pandemic, and a significant amount of voters chose to vote by mail for the Annual Town Election.

For this same time period there were 10,797 registered voters in Holliston. Democrats: 2,901; Republicans: 1,249; Green Rainbow: 2; Libertarian: 39; Socialist: 2; Inter. 3<sup>rd</sup> Party: 12; Conservative: 2; United Independent Party: 35, Green Party: 2; We the People: 2; Constitution Party; 1; MA Independent Party: 4; American Independent: 3; Pirate Party: 1; and Unenrolled: 6,542. A population of 15,189 was recorded.

The State is continually upgrading and improving our Voter Registration Information System (VRIS) and improving our ability to keep track of census and voter information. It makes certifying nomination papers and petitions quicker and more accurate. This system is connected with the Secretary of States Office and voter registration through the Registry of Motor Vehicles. It also provides an accurate list of inactive voters (those who do not answer the census) for elections and allows them to vote upon proof they are still residents. The election laws are constantly changing and keeping up is a challenge.

We are always grateful for the continued cooperation of the School Committee and the Highway Department for their assistance in the election process. Also, without the devotion of the election workers, who cover Town Meetings and all elections, we would be unable to do the job that we do.

Elaine Doyle (D), Eric Raffi (R), Ellen George (D) and Elizabeth T. Greendale (U), Town Clerk

## SOUTH MIDDLESEX REGIONAL VOCATIONAL TECHNICAL SCHOOL

## (KEEFE TECHNICAL)

This annual report is prepared by Superintendent /Director, Jonathan Evans, and composed on behalf of the members of the School Committee of the **South Middlesex Regional Vocational Technical School District** and submitted after review and approval by the full Committee in compliance with the provisions of the Agreement among the City of Framingham and Towns of Ashland, Holliston, Hopkinton and Natick.

This report reviews from the perspective of the Committee the major items with which the Committee was concerned during the year. It is a representative account of matters solely within the policy making authority of the Committee and also of matters which the Superintendent/Director brought before the Committee for information and consultation. For greater detail and discussion the reader should read the extended minutes of Committee meetings and the attachments thereto which are available at the school office.

In addition to a public high school, the South Middlesex Regional Vocational Technical School District provides continuing education opportunities for adults through the Keefe at Night program as well as Summer Discover, a summer program for area youth. We look forward to resuming Summer Discover in 2021, after canceling in 2020 due to the pandemic.

The Committee reorganized on June 22, 2020 with officers elected unanimously to the following positions:

Chair: Edward Burman (Ashland)

Vice-Chair: Sarah Commerford (Holliston)

Secretary: A.J. Mulvey (Framingham)

Assistant Treasurer: Barry Sims (Holliston)

Staff members working on behalf of the District and School Committee are Karen Ward, **Recording** Secretary and Jack Keating, **Treasurer**.

The balance of this report presents a summary of the discussions and actions of the Committee on a number of the important matters brought before the Committee for advice or action.

# **Community Engagement**

Staff and students of Keefe Regional Technical School participated in many community projects throughout the school district member municipalities during the first quarter of the year, when the building was open for in person learning. Examples of these activities include:

# Carpentry

<u>Ashland House Project</u> – Framing sections of the basement and front porch, and the installation of exterior doors and windows

## Electrical

<u>Framingham Parks & Recreation</u> – Relocated overhead garage door safety sensors at the maintenance building. Also completed miscellaneous repairs

Habitat for Humanity, Holliston- Completed installation of a 200 amp service and all rough wiring

Irving Street Park, Framingham - Installed a 200 amp underground service

Farm Pond Park, Framingham - Designed and submitted material lists for upgrade

Ashland House Project - Installation of temporary electrical service and installation of rough wiring

## Horticulture

<u>Natick Community Organic Farm</u> -Completed work on a weekly basis <u>Framingham Park & Recreation</u> – Assistance with cleanups and maintenance projects <u>Framingham Department of Public Works</u> – Assistance with cleanups and maintenance projects <u>Pearl Street Cupboard & Cafe</u> – Donation of produce and flowers

## Plumbing

<u>Habitat for Humanity, Holliston</u> – Installation of all plumbing and heating components <u>Ashland House Project</u> – Installation of underground plumbing

Prior to the school closure in March 2020, the Keefe Regional Technical School swimming pool was used by the Framingham Parks & Recreation Department, as well as all five municipalities' swim teams.

### Administration

In 2020, Jonathan Evans completed his seventh year in the role of Superintendent Director, with 25 years of service to the district.

The majority of focus in 2020 was a response to the pandemic and plans for re-opening. These efforts required significant adjustments to the budget in order to meet the needs of our students during the pandemic. The District was able to acquire necessary personal protective equipment, maintenance supplies, and technology resources to safely deliver high quality instruction to students.

The School Committee completed its periodic evaluation of the Superintendent using the DESE rubric, and found him to be Proficient Approaching Exemplary for Standards I (Instructional Leadership), III (Family Engagement), and IV (Professional Culture); Exemplary in Standard II (Management and Operations), with an Overall Rating of Proficient. The complete record of this evaluation is a public document that will be available at the South Middlesex Regional School District Superintendent's Office.

### **School Improvement Plan**

The School Improvement Plan for the 2020-2021 school year includes the following objectives: 1) Rewriting the district Admissions Policy with a focus on consistent implementation of an updated career exploratory rubric, 2) Expanding the new model for our Student Response Team (START) to include a process for any faculty member to refer students of concern, 3) Create opportunities that focus on promoting student success in all aspects of high school, 4) Plan and implement a Two Way Immersion (TWI) model for English Language Learners (ELLs) who are designated as Level 1 and Level 2 as determined by ACCESS testing performance. The TWI model will incorporate a co-taught instructional strategy, utilizing a teaming approach, and consists of an ESL certified teacher and a content certified teacher in the areas of English, Math and Biology.

The Professional Development Program included a second series of workshops hosted by Teachers21 to train faculty using Zoom, a workshop on Equity from Roots and Wings, and an ELL workshop for faculty hosted by the Keefe Tech ELL Department.

### Handbook

With review by the School Council, updates to the Handbook were made. A section on the attendance policy was updated in accordance with legal requirements. A section was also included that Keefe Tech will follow the guidance of the CDC and the Board of Health. Finally, the requirements for students attending Business Professionals of American nationals was changed to be the same as for students attending nationals for FFA and SkillsUSA.

### **The Budget Process**

2020 was a challenging year for all. It required the District to adjust the budget needs in order to meet new state guidelines pertaining to the pandemic issues that were faced. The District was able to utilize grant funding totaling \$426,646, through the CARES Act, Coronavirus Relief Fund (CvRF), and Remote Technology Grant in order to purchase items such as personal protective equipment and high quality air filters. The District was also able to purchase Chromebooks and hotspots for students to engage in remote learning.

In December 2020, the Budget Sub-Committee members Ed Burman, Linda Fobes, Rick Gallagher, Jamie Shepard, Elizabeth Smith-Freedman and Barry Sims began the FY22 budget development process.

In 2020, the Superintendent continued the practice of communicating early in the budget process with the financial officers of the member municipalities to develop mutual awareness of both municipal budget constraints and the efforts of the Committee to manage the school efficiently and effectively while recognizing those limitations. The Committee continued to consider reductions in the preliminary budget and the budget of \$21,131,000 as submitted to the member municipalities for FY21 was approved by all.

#### **Auditor's Report**

The annual audit by the independent accounting firm of Roselli, Clark & Associates is in the process of preparing the financial statements for committee review. It is expected that the audit report that calculates our energy project will meet the stipulated guarantee benchmarks for the 2020-2021 year.

#### **Enrollment, Recruiting and Student Retention**

Keefe Regional Technical School is a school of application. Maintaining a healthy enrollment of students for our day school operation is essential for our overall operational success. The Superintendent has indicated that he believes that the quality and rigor of our school programs and the safety and culture of our school environment will lead to our success in attracting students and their families to Keefe Regional Technical School. The Superintendent has emphasized that the administration, faculty and support staff must work together to ensure that Keefe Regional Technical School continues to be recognized by our community as a career and technical school of high quality.

The District's recruitment efforts needed to pivot to virtual events in response to the pandemic. While we were unable to host all prospective 8<sup>th</sup> grade students as we normally do, we appreciate the flexibility and cooperation from our district partners in support of our efforts to inform families about the opportunities offered by Keefe Technical School.

We are pleased to report the enrollment on October 1, 2020 was 817 students, which reflects an increase in Enrollment.

# **Buildings and Grounds**

Keefe Regional Technical School has been occupied continuously since September 1973. The facility is used not only during the school day and year but also evenings, weekends, and during the summer months.

Facility upgrades that were completed in 2020 include replacement of carpeting in classrooms and common areas, upgrades/repairs to main boilers/heating system, replacement/upgrade of HVAC system filters to MERV-13, installation of touchless faucets, replacement of auditorium stage curtains, renovation/expansion of the guidance office suite, reconfiguration/upgrade of auditorium stage fire sprinkler system, upgrades/repairs to kitchen fire suppression systems, expansion of the video surveillance system, installation of a swimming pool water chemical controller/monitoring system, plumbing and electrical upgrades, and the purchase of one 14 passenger minibus and one 6 passenger crew cab dump truck.

## **Student Achievement**

The Massachusetts Department of Elementary and Secondary Education (DESE) acknowledges the disruption caused by COVID-19. Subsequently, DESE has paused calculating accountability determinations for the 2020-2021 school year.

Keefe Tech added an additional AP Course, AP Physics, bringing the total to seven courses, offered in a variety of multidisciplinary areas for students seeking a more rigorous course load.

Endorsed by the state of Massachusetts, the State Seal of Biliteracy recognizes and awards high school seniors who attain academic levels of proficiency in English and a second world language. This distinction is in acknowledgement of having studied and attained proficiency in two or more languages by a student's high school graduation. The State Seal of Biliteracy designation appears on the Keefe Tech transcript and is a statement of achievement for future employers and for college admissions. Keefe Tech is proud to report that 8 seniors received this award for English and Spanish in 2020.

Keefe Regional Technical School hosted the Massachusetts SkillsUSA District Three Leadership and Skills Conference on February 26, 2020. 660 students and their advisors from 10 different schools attended the event. Keefe Tech had 113 students participating in a variety of competitions, and our students won a total of 39 medals at the event. Four Keefe Tech students earned Perfect Scores in the OSHA testing portion of the event. 30 students qualified to compete in the Massachusetts SkillsUSA State Leadership and Skills Conference, but this event was canceled due to the current pandemic. 28 Keefe Tech students participated in the Business Professionals of America State Leadership Conference. The Keefe Tech students earned 30 total medals at the conference: 10 gold, 12 silver, and 8 bronze medals. 10 students qualified for the National Leadership Conference, but this event was canceled due to the current pandemic.

# **General Advisory Board**

The General Advisory Committee consists of the Chairperson from each of the Program Advisory Committees. The General Advisory Committee reviews curriculum and equipment requests, summarizes these requests, and brings to the attention of the Administration and the School Committee observations and recommendations from the Program Advisory Committees. The points noted for the current school year include: the need to continually align the curriculum with changes in equipment and technology within specific industries; community outreach to bring Keefe's programs to potential students; increasing opportunities for students and employers through the co-op program; continued pursuit of grant funding for state-of-the-art career and technical equipment; and training students to acquire industry-recognized credentials to help them make the transition from school to work.

### SUSTAINABILITY

The Sustainability Department ("Department") was established in 2020 with the hiring of the Town's first Sustainability Coordinator in late January. Initial funding for the part time position was secured with the support of State Senator Karen Spilka and State Representative Carolyn Dykema, with subsequent support provided by local officials and residents at the FY21 Annual Town Meeting.

The Department assists town officials, residents and businesses with increasing clean energy, reducing waste and adapting to climate change impacts. The Department collaborates with other municipalities, the Commonwealth and related stakeholders to implement sustainable, cost efficient practices that reduce our carbon footprint and enhance the quality of life in Town.

#### Clean, green energy

Significant strides were made in increasing the use of clean energy in Town in 2020. Through a competitive bid process, a new supplier for our Community Choice Electric Supply aggregation program was selected. Whereas the old program had less than a 30% renewable energy component, the three-year agreement that began in December has a 100% renewable wind energy component. Along with this green energy benefit, residential and business participants are also realizing significant savings through a 9% reduction in supply rate. In the first month of the new program, ratepayers saved \$28,356 and carbon dioxide emissions were reduced by an estimated 774 metric tons. The Department also assisted the Facilities Manager with greening up the Town's energy consumption. Town department electricity needs were bulked together and savings realized as a lower cost, 100% renewable energy rate was secured.

The Town continued making progress in generating renewable energy locally. The Select Board and Town Administrator's leadership helped move site development, permitting and interconnectivity issues forward on the Marshall Street Solar Project. The 3.2-megawatt solar system is anticipated to go on line in 2022 and by re-using the old landfill site, both significant cost savings and revenue will be realized by the Town.

The 51-kilowatt solar system advanced by the Chief on the Fire Station roof was operational this year and provided clean energy to the grid while reducing electricity costs. The Department explored opportunities with staff and solar vendors and will be advancing solar generation capabilities at other Town sites in 2021. Future collaborations with the School Department will create additional clean energy generation opportunities.

#### Waste reduction

In 2020, the Town completed its first year of the new curbside waste reduction program. Residents responded to the PAYT/ SMART cart system, developed with Massachusetts Department of Environmental Protection (DEP) grant support, and trash generation initially decreased by 20% and recycling increased. The trash reduction effort was curtailed as the Covid-19 virus arrived and stay at home restrictions ensued that led to large increases in both trash and recycling generation. The Department worked with Town officials to facilitate a \$46,209 reimbursement through the CARES program for these extraordinary pandemic based costs.

The Department facilitated a partnership with Ashland to develop and implement a food waste reduction program. The initiative builds on the private subscription curbside service between participating residents and a composting company. Costs were lowered for all residents receiving the service and the Town used grant funds to provide a curbside cart at no cost to incentivize new participants. An additional 30% price reduction will be realized when a 500 household threshold is met. The favorable community response is appreciated as the program both helps reduce waste disposal costs and promotes a sustainable waste management practice.

The Department expanded services at the Marshall Street Recycling Center in 2020 by adding textile recycling containers. Along with food scraps, the DEP has identified textiles as recoverable materials that are still being incinerated in large volumes as waste. The clothing, footwear and linens collected at these textile containers help reduce waste disposal costs, promote reuse and generate revenue for the Town.

The Town again participated in the DEP's Sustainable Materials Recovery Program and received increased grant funding through the Recycling Dividends Program. The active participation of residents, and support of the Sustainable Waste Management and Recycling Committee to reduce waste and comply with DEP waste bans in 2020, is appreciated.

### Climate Resiliency and Carbon Reduction

Important steps to help the Town become more climate resilient were made in 2020. Climate challenges don't stop at our borders so we joined other towns involved in the Charles River Climate Compact (CRCC). Along with fourteen other communities, we were awarded a Municipal Vulnerability Preparedness program regional grant of \$264,171 to reduce climate impacts. The project will conclude in 2021 and initial steps were taken to develop a watershed model that will help us better prepare for precipitation driven flood risk and test adaptation strategies.

Under the leadership of the Town's IT Director, we continued to participate in the Green Communities program and maximize energy efficiency efforts. A \$173,701 grant was secured to reduce energy consumption at school and municipal buildings and for a LED light conversion project at the Pinecrest Golf Course.

Research and development of a regional project to reduce greenhouse gas emissions from homes and small businesses ensued late in the year. Together with Ashland, Framingham and Natick, the MetroWest Solar & Clean Heat Challenge will facilitate additional solar and heat pump usage through competitive pricing and reduce our carbon footprint in 2021 and beyond.

Progress made on the sustainability front in 2020 is due to the collaboration amongst Town and state officials and the community. Overall, these efforts helped us enhance the environment, comply with state regulations, reduce costs and improve public health and the quality of life in the community. The collaboration of involved residents, the help from the local media in educating the public and the support of numerous officials and departments including the Select Board, Town Administrator's Office, DPW,

the Conservation, Facilities, Technology, Fire and Planning Departments, Town Accountant and the Town Clerk's Office are key factors for the success of the Town's sustainability efforts.

## TOWN HALL TECHNOLOGY

In 2018-19, the Technology Department implemented a five year computer replacement plan and at the end of the third year, 90 of the nearly 140 Town computers and servers have been replaced.

From March to June of 2020 the Technology Department deployed equipment for Staff to work remotely as well as ensure the Town could host 103 public Committee/Board meetings from March 16<sup>th</sup> to June 30th, 2020.

The large-format printer/scanner purchased four years ago continues to get extensive use by allowing the Town to digitize historical and current design plans bringing maps and plans into the 21<sup>st</sup> century.

Other projects undertaken by the Technology Department included maintaining up-to-date information on the Town's Facebook Page (Town of Holliston) and the upkeep of both the <u>www.townofholliston.us</u> website and the <u>www.hollistonedc.com</u> website.

The Town Hall Technology Department is also an integral member of the Green Community Team and project manager for the Town's energy conservation projects. Those energy projects that were approved as of June 30, 2020 include motion sensors for all classrooms and offices at the Elementary School, new light fixtures at Pinecrest Golf Course, insulation barriers for the High School Field House, and a new boiler for the Police Station.

For the 2021-2022 year, the Technology Department looks forward to continuing to work with and support all Town Employees and Committees/Boards with their technology needs.

### **TOWN CLERK**

The day to day working of this very busy office continues.

The Town Clerk's Office is the keeper of the records, town seal, and certifies all official actions of the Town, signs all notes for borrowing, files Planning and Zoning Board decisions. We issue and renew business certificates, fuel storage permits, raffle and auctioneer permits. We are responsible for submitting all zoning and general by-law amendments made at town meeting to the Attorney General, notifying the State when the Town has accepted a state statute. Our office conducts the yearly census, jury list, prepares warrants and ballot layout, has custody of all election materials, instructs and supervises election workers, as well as administering the oath of office to all Town officers, elected and appointed. We also prepare nomination papers for Town candidates and certify nomination papers and petitions for both state and local issues. Indexing and recording of all hospital, home, out of state, out of country births, adoptions, marriages and deaths are done in this office. We also post all meetings and agendas, keep the minutes of boards and distribute open meeting and conflict of interest laws, as well as the annual distribution and bi-annual testing of the State Ethics Law. We receive notices of claims and legal actions against the Town and keep the Town's traffic rules and orders and the General and Zoning By-laws. State Ethics Laws, Open Meeting Law and Campaign Finance Laws are continually changing and the responsibility of the Town Clerk. The Town Clerk is also the Public Records Access Officer.

Our office turned over to the Town \$40,152.25 with the following breakdown: licensed 1,744 dogs and 5 Kennels, totaling \$23,460 plus \$2,565 in late fines. Approximately \$1,907 in miscellaneous fees, \$9,840 in Certified Vital Records, \$1,180 in Business Certificates, and \$1,200 in Non-Criminal fees were turned over to the Treasurers office.

The statistical report of the activity in this office for fiscal year 2019 is as follows:

Recorded Births – 131, Marriages – 44, Deaths – 119

Town Meetings: Fall Special (Oct.), and Annual (July)

Elections: Presidential Primary (3/3/2020), Town Election (6/23/2020).

I would also like to thank my staff Dyan Fitzgerald and Bonnie Conroy for a job well done. I would also like to acknowledge the Community Preservation Committee, for their hard work and investment in preserving our Town Records.

### **TRAILS COMMITTEE**

The Holliston Trails Committee was responsible for the development of the Holliston section of the Upper Charles Rail Trail, a proposed multi-purpose, accessible 20-mile loop trail system through the towns of Sherborn, Holliston, Milford, Hopkinton and Ashland. The Holliston portion of the trail was completed in 2018 and is 6.7 miles in length from the town line in Sherborn to the town line in Milford. The Trails Committee is now focused on maintenance and improvements for the Trail.

### **Ownership of Corridor**

The Town of Holliston owns all 6.7 miles of the railbed corridor.

# **Trail Conditions**

• All 6.7 miles of the Trail have a stone dust surface.

# Improvements made in the period from July 1, 2019 to June 30, 2020

- Railing and access path improvements constructed near Village Plaza by Eagle Scout candidate Drew Mahoney
- Additional granite benches installed by DPW and coordinated by Friends of Holliston Trails
- Access path from Parks Building, 1750 Washington Street, to the Trail was constructed
- Rapid Flashing Beacon was installed at South Street by DPW
- Vegetation cutting by DPW
- Maintenance vegetation cutting by volunteer group
- Trail surface grooming using maintenance Golf Cart attached with dragger
- Coordination of encroachments on town property by abutting properties
- Coordination with Blair Square Committee for park improvements in the downtown area
- Coordination with volunteers who are preparing Interpretive signage
- Crosswalk was installed on Woodland Street by DPW to connect the trail to the schools, for the Safe Routes to Schools program.
- Trail use counters were temporarily installed on December 28, 2019 by the Metropolitan Area Planning Council. Trail use in the period between December 28, 2019 and June 30, 2020 was a total of 152,465 users, measured at the two sites. Average use in this period

was 819.8 per day. Peak daily use was 2,242 users measured at Blair Square, and 685 users measured near Village Plaza.

### **Trail Activities**

A number of trail activities were cancelled this year due to the COVID-19 pandemic. Some of the following trail activities were conducted prior to the pandemic.

- Great Pumpkin Walk by Holliston Newcomers and Neighbors Club
- Holiday Stroll-November 30, 2019
- Seventh Annual First Night Trail Walk, December 31, 2019
- Walking School Bus program using portions of the Rail Trail

## TREASURER AND COLLECTOR

The Treasurer/Collector's position is an appointed position by the Town Administrator with approval of the Board of Selectmen. The staff in the Treasurer/Collector's office consists of Assistant Treasurer Kristin Stearley, Assistant Collector Lois Saunders and three Principal Clerks Celeste Doherty, Mallory Ferranti and Mei Joe. Our Deputy Collector is Kelley and Ryan of Hopedale, Mass.

The Treasurer's office is responsible for receiving and identifying all moneys owed to the town and providing the Accountant with a detailed report of receipts. It is my responsibility to insure safekeeping of all funds received and to manage town funds to insure maximum cash availability and maximum yield. The Treasurer also issues vendor checks according to the weekly warrant approved by the Accountant and Board of Selectmen. The Treasurer's office prepares and maintains all payroll and personnel information and accounts for and disburses all payroll deductions. Payroll is processed on the in-house computer. The Treasurer is also responsible for all short-term and long-term borrowing. I am also the custodian of all tax title accounts and conducts auctions on town property acquired through the foreclosure process.

The Collector's office is responsible for the billing, collection and reconciliation of all bills due the Town. The following is a brief description of bills processed by my office.

### **REAL ESTATE and PERSONAL PROPERTY BILLS**

Real estate and personal property bills are issued on a quarterly basis as follows:

DUE DATE
August 1
November 1
February 1
May 1

Bills are mailed on or before July 1 and January 1. Both bills are placed in one envelope and should be held for the next due date.

If a payment is received late, interest is charged at the rate of 14% per annum. Interest is charged from the date the payment is due until the date payment is received. Postmarks are not accepted. If you are a new owner and do not receive you tax bills, you should contact the Tax Collector's office immediately. It is also your responsibility to forward your tax bill to your bank for processing.

If your real estate and/or personal property bill is not paid in full by May 1, a demand bill will be issued and an additional \$10 demand fee plus interest will be added to the bill. The demand bill is due 14 days from the date of demand. Failure to pay the demand bill by the due date will result in the Town taking further collection actions.

Assessed owners of unpaid real estate bills will receive a letter stating they have until a certain day to pay the bill in full. Unpaid bills will be advertised in the Metrowest Daily News for a Tax Taking. A Tax Taking is the advertising of your property in the Metrowest Daily News and the recording of an Instrument of Taking placing a lien on your property. The lien is recorded in the Middlesex South District Registry of Deeds. The Notice of Tax Taking is posted on the Town Hall, Library bulletin boards and under legal notices on the Town's web site. If the outstanding taxes are not paid within six months, the Town has the legal right to begin foreclosure proceedings in Land Court.

Assessed owners of personal property bills will receive a warrant issued by the Deputy Collector and additional fees will be added to the bill.

# MOTOR VEHICLE EXCISE

Motor vehicle excise tax bills are issued when a commitment is received from the Registry of Motor Vehicles. The first commitment is usually mailed in the first quarter of the calendar year. All motor vehicle tax bills are due and payable within 30 days from the issue date shown on the bill.

If a payment is not received by the due date, a \$10 demand fee is charged along with interest at the rate of 12% per annum. If the demand bill is not paid within 14 days from the date of demand, the outstanding bill will be forwarded to our Deputy Collector where charges, interest and fees will be assessed. If a warrant is issued by the Deputy Collector and you fail to pay the bill, the Deputy has the authority to "mark" your file at the Registry of Motor Vehicles which will result in your registration and/or license not being renewed until all unpaid excise tax bills are paid in full.

If you feel your bill needs to be adjusted, please see the Assessor's Office within the first 30 days that the bill is issued. You will be responsible for any additional charges and fees that are due unless your bill is abated in full. You many obtain a booklet published by the Registry of Motor Vehicles from our office if you have difficulty understanding your excise tax bill.

If you move or change your address, it is imperative that you notify the Registry of Motor Vehicles.

# TRASH STICKERS AND RECYLING CENTER WINDOW DECALS

Trash stickers are available for sale during regular business hours. Senior Citizens may pick up their trash stickers from the Treasurer's Office.

# PAYMENTS

Payments can be made in person at Town Hall, mailed directly to Tax Collector/Treasurer, Town of Holliston, P.O. Box 6737, Holliston, MA 01746-6737, placed in the drop box on the side entrance of Town Hall or can be made on line <u>at www.townofholliston.us</u>.

If you are using your personal on-line banking system to pay your bills, please place in the comment/memo section of your bill the following information:

Real Estate Bills:	Parcel number (example 01-23-4567)
Personal Property Bills:	PP ID number (example: 9489)

Motor Vehicle Bills:

Please do not combine any of the above bills with your water payments. Water bills are processed separately from real estate, personal property and motor vehicle.

### HOLLISTON DEPARTMENT OF WEIGHTS AND MEASURES

The Holliston Department of Weights and Measures enforces Massachusetts General Laws, town bylaws, state and local regulations relating to the accuracy of weighing and measuring devices that weigh, measure, and count commodities offered for sale to the public. This includes gas pumps, scales, oil trucks, scanners, item pricing and unit pricing (in food stores or food departments). To ensure that equity and fairness prevails in the marketplace the department enforces all laws relating to the accuracy of weighing and measuring devices used by local businesses. To accomplish this, the department inspects seals or condemns the devices tested. Additionally the department inspects prepackaged foods and merchandise to assure compliance with weight, measurement, and count requirements and for proper labeling as to weight, measure, and extended prices. The department investigates complaints on weighing and measuring devices not complying with legal standards. The department also investigates complaints for short measure of firewood delivered to homes (consumers) to assure compliance with proper measurement (128 cubic feet) based on what the consumer has purchased. Oil trucks are inspected to assure that their meters are properly sealed and the correct fuel oil deliveries slip is prepared. If violations are found based on inspections or complaints, the department may issue civil citations or engage in criminal prosecutions.

During 2020 the Holliston Department of Weights and Measures continued inspecting weighing and measuring devices located in the town and sealed or condemned them. A device condemned cannot legally be used in trade until it is repaired or replaced. It is marked with a red condemned or not sealed tag which can only be removed by the Sealer of Weights and Measures. Also inspected were gasoline pumps, scanners, pharmacy scales through scales in food stores to large truck scales to scales used for package weighing (FEDEX, postage, or UPS type scales).

The Weights and Measures Inspector continues to serve as the Northeast Weights and Measures Region chair on the Law and Regulations Committee. These laws and regulations range from the basic weights and measures laws to specific laws and regulations for Weighmasters, commodity regulations, price scanners, unit pricing, engine fuel and automotive lubricants and more. The model laws and regulations are published annually in *NIST Handbook 130, Uniform Laws and Regulations*. Additionally, the L&R Committee and the NCWM adopts test procedures for verifying the actual net quantity and contents contained in packages and products offered for sale.

A special effort continued this year to assure that gasoline dispensers are secure from skimming devices. These illegal devices facilitate the theft of identity and credit/debit card information. Stations managers are advised what to look out for to prevent these fraudulent activities. Inspections were conducted throughout the year. No instances of skimmers were found in Holliston. The Weights and Measured inspector worked with open cannabis growers and processors to assure that their weighing and measuring devices meet "legal for trade" requirements.

In 2020 twenty-three different inspections were conducted, forty-one devices were adjusted, and one reinspection was performed. Over One hundred seventy devices were inspected, adjusted, and sealed. One device was condemned as not meeting legal standards. Two Item Pricing inspections for food stores/food departments took place. Two retailers received a Price Verification [scanning] inspection.

Merchants who do not meet legal requirements for these inspections are directed to comply and appropriate civil citations issued.

A very special thanks to Donna Muzzy for all the assistance she has given to Weights and Measures this year.

### **ZONING BOARD OF APPEALS**

The Zoning Board of Appeals met monthly to hear Dimensional Variance, Use Variance, Special Permit and Comprehensive Permit applications as empowered under MGL, c. 40A, c. 40B and the Town's Zoning By-Laws. The majority of the Board's hearings were for requests for alterations and expansions to pre-existing, non-conforming residential structures. Twenty-four applications were acted upon this year. The following businesses were issued Special Permits: 1. AT&T Mobility, 0 Marilyn Street and 2. Putts & More, 750 Concord Street.

# HOLLISTON HIGH SCHOOL

Students participated and excelled in a wide variety of extracurricular and athletic activities including Art Club, Band, Beautiful Minds, Best Buddies, Chorus, Drama, Environmental Club, Enigma Literary Magazine, GSA, Globefest, Jazz Band, Leo's Club, Math Team, Model United Nations, National Honor Society, NERD Club, PAWS, Robotics Club, SADD, Senior Showcase, Student Advisory Council, Student Council, The Vision, WHHB Radio Station and Yearbook, some of which transitioned to meet remotely some time in the spring. Both the winter and the spring music concerts showcased the wonderful talents of our music students. The fall musical was *Mamma Mia* and the spring play was a

filmed version of *Much Ado About Nothing*. Students in Fine Arts showcased their work in a number of exhibits for "Art Saves Lives" on their website.

In a typical year, more than twenty-five athletic teams competed for Holliston High School this year, and more than 300 students per season were involved in athletics and sports. During the 2019-2020 school year, fall and winter athletics took place. Unfortunately, due to COVID-19, the spring season did not take place.

The Class of 2020 started their graduation celebrations with a car parade held on June 7th. Our seniors traveled through the streets of Holliston in decorated vehicles wearing their caps and gowns . So many of our Holliston families were out to cheer them on as they drove through the designated routes. Seniors formally graduated on July 25th in a ceremony held on the turf field with more than 428 family members in attendance. The National Anthem was sung by members of the Class of 2020. The Address of Welcome was given by Nicole Bottomley, Principal of Holliston High School. The introduction of the student speakers was given by Allison Powell, Salutatorian. Musical performances were performed by Renee Torio, Andrew MacMurray, Olivia Skerry, and Sophia Campbell. The Commencement Address was given by Jessica Durkee, Valedictorian.

The Senior Class Officers present were: Thomas Sykes, Class President; Ashani Kurukulasuriya, Vice President; Gwen Freeley, Secretary; and Chloe Kafka, Treasurer. There were 214 graduates and 95.1% went on to two and four-year colleges, and 4.9% took a year off from school to either work or joined the military.

### **ROBERT ADAMS MIDDLE SCHOOL**

The 2019-2020 school year began with the Robert Adams Middle School enrollment at 693. students. Students in 6th and 7th grade continue to be arranged in teams at the Middle School with a total of six teams, three teams in each grade. Both 6th and 7th grades were composed of two teams with four general educators- an English, mathematics, science and social studies teacher; and one team with two general educators- a teacher who taught both English and social studies and a teacher who taught both mathematics and science. Teams also had a special education teacher assigned to them. There were no teams in 8th grade due to the number of leveled classes, which include Math 8, Math 8 Accelerated, Algebra, and Introductory Physical Science. By not having teams, classes were able to be more heterogeneously grouped. Students also study world language, including French Immersion, Introductory French, and Spanish as well as art, computer science, wellness and music (in the form of general music, band or chorus) in the unified arts. In addition, the middle school offers a range of special education programs and services designed to meet individual needs. These programs support students in a way that provides them with the least restrictive setting.

The year's new teaching staff included: Ryan Venditti (Social Studies), Katie Mason (Science), Mallory Piercy (English Language Arts), Joanna Haswell (Special Education), Shannon Mulkerrin (Math). Adams' new paraprofessionals are Kelsey Argir, James Brodeur, Rachel Jones, Sudha Kolla, Ashwini Kulkarni, Mark Liberty, Sue Taibi-Nemri, Alexis Spallone and Emily Spillane. We welcomed our new nurse, Jennifer Olsen.

In the fall of 2019, Open Houses were held on the evenings of September 17 and 24. The events were once again a wonderful time for parents to hear from the teachers about all the valuable learning opportunities that their students would experience at the Adams School. Band and Chorus members performed their

winter concerts; but, due to the COVID-19 school closure and change to online learning on March 13, Band and Chorus members were unable to perform spring concerts. Also, In the spring, Adams students were unable to perform in the musical rendition of *SHREK*! We hope this performance will take place the Spring of 2021.

Eighth grade students were honored at the end-of-year eighth grade ceremony. Rachel Griffiths received the David P. McCobb Principal's Award for academic achievement and citizenship. Additionally, the Mary Troy Math Award was presented to Josephine Quinn. No Scholastic Achievement Award was presented this year due to the interruption in grade reporting as a result of the COVID-10 school closure and shift to remote learning.

The MS-PTO (Middle School-Parent Teacher Organization) was led by new President Sarah Fitzgerald. Its efforts have been invaluable in planning for school dances, the sixth grade Nature's Classroom trip, fundraising, and many other important events at Adams. The Middle School Council Members were: teacher representative Elaine Mitsock; parent representatives Alissa Sheils, Nicole Smith, James Lukowiak, Susan Arnold, Agatha McEachern, Stephanie Golub-Simon, and Jennifer Rosenfeld; community representative Chief Cassidy; and Principal David Jordan. The council contributes to the development of school goals and vision. Both groups support student activities and help set the direction for the school and its improvement.

In curriculum, instruction and assessment, teachers collaboratively developed student learning and professional practice goals aimed at developing deep conceptual understanding of essential learning goals; critical thinking and complex problem solving; sophisticated reading, writing, listening, and speaking skills; artistic expression; and physical, social and emotional wellbeing. With each passing year, our Chromebook 1:1 program continues to be further integrated into the day-to-day, advancing our ability to analyze literature, provide feedback, analyze text and scientific data, and collaborate with peers across disciplines, grades, and schools. Google Classroom has continued to develop as a learning management system, allowing teachers to push content out to students in the form of articles, instructional videos, assignments and learning resources while collecting and providing feedback digitally.

Furthermore, the social emotional wellbeing of students continued to be a focus of the district and school. Advisory, a social emotional learning initiative, was in year two of implementation. It met once every 6 days. Each teacher had a small group of around 10 students where they worked on the character traits of responsibility, perseverance, courage, empathy, respect, and integrity. Lessons were action-based, which were highlighted by middle schoolers reading to 1st graders, community service, letters of appreciation to the military, random acts of kindness with other students, and "pay-it-forward" initiatives.

In our effort to continue to develop a positive culture, Adams organized two successful school-wide spirit activities in the fall including a Spirit Week and Rally to celebrate our fall sports and after-school clubs and a Thankfulness Gathering which celebrated our feelings of gratitude. Service learning opportunities were visible throughout the building including, but not limited to, the seventh grade participation in Project Just Because where they supported children in need during the winter holiday season.

This year would not be complete without acknowledging the significant impact of the COVID-19 pandemic. On March 13, and continuing through the end of the school year, all students and staff completed all instruction remotely, outside of the building. This period was structured with a weekly curriculum plan and descriptive video from Mr. Jordan and Mrs. Beattie, including the week's lessons for each grade level. Students worked on a variety of asynchronous and synchronous activities for math, science, social studies, English language arts, and unified arts.

# FRED W. MILLER INTERMEDIATE ELEMENTARY SCHOOL

Welcome to the Fred W. Miller Intermediate Elementary School, which housed students in grades 3, 4 and 5 during the 2019-2020 school year. Our school provides students with the security of a nurturing community while developing the skills necessary to move towards independence.

Miller School contains 31 academic classrooms and several classrooms that are specifically designed for students with special needs. Each classroom contains state-of-the-art technology including 15 Chromebooks that are connected to our district network. Our Innovation Lab and Media Center provide students with the latest tools to access information for research projects. In support of the Arts, our school provides a music room, a band room for instrumental instruction as well as for band rehearsals, an art room and a large gymnasium with a climbing wall.

The Miller School began to make the transition to the Reader's Workshop model. Within this model, we focused on the individual needs of readers, utilizing authentic text that encompassed windows and mirrors for all of our learners ensuring racially and culturally diverse learning materials.

In March, as the global COVID-19 pandemic took place, our school shifted to a remote learning model. Staff quickly pivoted and designed both synchronous and asynchronous lessons. Students engaged in lessons via Zoom with their teachers and our classrooms became virtual learning environments. We changed to a 1:1 model where every student was assigned a school sanctioned Chromebook..

**Enrollment:** During the 2019-2020 school year, the Fred W. Miller Intermediate Elementary School housed grades three, four and five. The June 2020 Enrollment was as follows:

<u>Grade</u>	<u>Enrollment</u>
3	231
4	230
5	227
Total	688

**Miller School Council:** The Education Reform Act, which was signed into law in June of 1993, contained a provision for the establishment of School Councils. The School Council is composed of parents, teachers, and a community representative. The broad goals for the School Council, as defined in the Educational Reform Act, are to adopt educational goals for the school which are consistent with local and statewide standards; to identify the educational needs of the children attending our schools; to review the annual school budget; and to formulate a school improvement plan. The agenda is broad and complex. The Elementary School Council has become an integral part of the decision-making process. School Council meetings are held monthly. Members of the 2019-2020 School Council included:

David Keim	Principal, Council Chair
Erica Linares	Assistant Principal

Erin Driscoll	3 <sup>rd</sup> Grade Teacher Representative
Kathryn Anderson	4 <sup>th</sup> Grade Teacher Representative
Colleen Hill	5 <sup>th</sup> Grade Teacher Representative
Michelle Diamond	3rd Grade Parent Representative
Amy Donahue	4th Grade Parent Representative
Sara Errickson	5th Grade Parent Representative
Chief Mike Cassidy	Community Representative

**New Staff Members:** We welcomed the following staff members to Fred W. Miller Elementary School: Rachel Aldridge - Moderate Special Education Teacher, Amy Benoff - paraprofessional Melissa Cataldo - paraprofessional, Anna Clark - paraprofessional, Jennifer Jackson - paraprofessional, Erica Levin - Psychologist, John McGrath - paraprofessional, Charlotte Porter - paraprofessional, Allie Salk - Moderate Special Education Teacher, Maureen Silven - Moderate Special Education Teacher, Kharen Torres-Garcia – Spanish Teacher, Brittney Trifero - Paraprofessional, Bethany Wilson -Paraprofessional, Kyle Wilson - Paraprofessional

**ES PTO (Elementary School Parent Teacher Organization):** Provided support to the Holliston Elementary Schools, Kindergarten through Grade Five, with volunteer and fundraising efforts. A group of enthusiastic parent volunteers are involved in a series of activities to support our school: The Fall and Spring Book Fair, the Fall and Spring Fundraisers, School Pictures, Teacher Support Program, and the coordination of Room Parents to help teachers with classroom activities. Thank you to Karla Alfred for her outstanding job as PTO President.

**Community Service:** Community Service: The staff and students of Miller school participated in many activities that embodied the spirit of Community Service. Monthly food pantry collections, Our Veterans "Wall of Stars", and Holiday Gift Bags for Holliston Seniors are just a few of the service learning opportunities that helped students learn about helping out their community.

# SAM PLACENTINO ELEMENTARY SCHOOL

The 2019-2020 has been another year of growth and change at Placentino School. Our 702 students and amazing staff members have had many accomplishments to be proud of and applaud! Here are just a few:

- Placentino School began to make the transition to the Reader's Workshop model. Within this model, we focused on the individual needs of readers, utilizing authentic text that encompassed windows and mirrors for all of our learners ensuring racially and culturally diverse learning materials.
- Student learning is also linked with activities they have participated in throughout the year through PTO-sponsored Culture Connections. This year we had a variety of presentations and school-based presentations to support student learning.
- Placentino students and staff CARE! Cooperation, Acceptance, Responsibility, Effort. The system is simple, all adults at Placentino are committed to acknowledging our students with a CARE card when we "catch" them cooperating, being accepting (kind), showing responsibility, or trying their best. Our goal continues to be to create a positive school culture in which young children are independently making good choices with their words and actions. Placentino children do CARE; the success of the program is a strong example of what a community working together can do.
- We continued to expand our Placentinkers Makerspace. It is a place for students to explore, design, create, tinker, collaborate, and connect using the principles of Design Thinking.

Design Thinking is a way to foster empathy, creativity, and innovation. It's a growth mindset where students learn the value of mistakes and see them as opportunities for growth and learning. Concepts like Makerspace and Design Thinking help students relate their core subjects to the real world and gives them hands-on learning experiences. Each month students are empowered to think and create like architects, engineers, and artists just to name a few.

- We continue to focus on embracing the concept of a Growth Mindset and embedding Mindfulness and other social-emotional strategies in our classrooms to help students selfregulate, learn how to persevere through challenging tasks, and learn the importance of reflection and learning from mistakes.
- In March, as the global COVID-19 pandemic took place, our school shifted to a remote learning model. Staff quickly pivoted and designed both synchronous and asynchronous lessons for our district's youngest learners. Students engaged in lessons via Zoom with their teachers and our classrooms became virtual learning environments. Education as we knew it was redesigned.

**Parent/Teacher Organization:** PTO's fundraising efforts and volunteer participation continue to provide wonderful support for our staff and students at the Sam Placentino Elementary School. Throughout the year groups of enthusiastic parents have worked diligently to support our school and initiatives. Fundraising proceeds have been used to support innovative initiatives and Culture Connections that include fantastic authors, artists, and educational guests that offer our children valuable and important school experiences.

**Assessment:** Formative and summative assessments are used by teachers to measure student achievement in reading and math throughout the school year. Ongoing assessments of children's learning are a vital part of any school's commitment to excellence. Our staff continues to work together addressing the goal of ensuring that our assessment is used to critically inform and shape the instruction of each one of our students.

<u>New Staff Members</u>: We welcomed the following staff to our school during the 2019-2020 school year: Stephanie Burns, Nicole Lovell, Jessica Bartha, Caitlin Ralto, Tessa Piantedosi, Amber Dame, Emilio Cabanas, Michele Airiau, Emily Boockoff, Jessica Busch, Samantha O'Day, Mary Phelan, Courtney Turmell, Kelsey Vreeland, Jamie Yegenoglu

Here are a few suggestions until we meet at town meeting:

• look to where the majority of the money will go;

Comments:

- look at material and significant changes from year to year;
- reread prior year's reports if you see something unusual which is not clear in this year's report;
- write down exactly what your questions will be; be clear and precise;
- bring a pencil to make notes at town meeting;
- be alert to what is said so the same questions are not repeated;
- discuss issues with friends and neighbors; come prepared to talk about facts.
