

Weekly COVID-19 Report

When the DPH published the updated town by town information this evening, our community risk designation remained at the **YELLOW** (moderate risk) level, based on new cases in the 14 day period ending February 6. According to their weekly reports, our numbers lowered from 30.7 Average Daily Incident Rate per 100,000 on February 4 down to 19.8 Average Daily Incident Rate per 100,000 on February 11. Our percent positivity for the period ending February 6 lowered down to 2.69% from 3.58% the previous week. Our percent positivity is now down in the range that it was in before Thanksgiving.

Average Daily Incident Rate per 100,000 (last* 14 days)

Metrics (as of November 6) for communities with 10,000-50,000 population

Gray: less than or equal to 10 total cases

Green: less than 10 cases per 100,000 population AND greater than 10 total cases

Yellow: greater than or equal to 10 cases per 100,000 population OR greater than or equal to 5% positivity rate

Red: greater than or equal to 10 cases per 100,000 population AND greater than or equal to 5% positivity rate

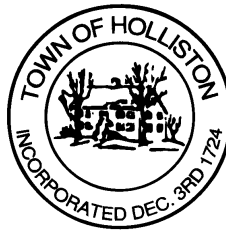

*last 14 days refers to the two-week reporting period ending the Saturday prior to the DPH's weekly report

Looking at our 87 active cases, they are spread over 66 addresses. There are clusters at 13 single family homes, 5 individual cases at multi-family dwellings, both a cluster and individual cases at the elderly housing complex, a cluster at a long-term care facility, and individual cases at 47 single family homes.

According to an analysis of MAVEN data, the largest increases in cases in the past week were in the 0-9 (10%), 30-39 (5%), and 50-59 (3%) age ranges. The 40-49, 80-89, and 90+ age ranges saw no new cases this past week.

On Monday, February 8, the Emergency Management Director provided the following *CARES Act* spending breakdown to the Select Board. The chart represents municipal spending, and does not reflect expenses charged to the ESSER or *CARES Act* funds received by the schools. The Planning and Development Expenses do reflect technology purchased by the schools, for which the Select Board had committed municipal *CARES* funding prior to the July 2020 Annual Town Meeting. The amounts indicated are prior to any potential reimbursement for eligible expenses.
