We currently have twenty active cases at single family homes, two active clusters at single family homes, and two active cases at multi-family dwellings.

According to vaccination data by community released by the state, 84% of the population is partially vaccinated, and 78% of the population is fully vaccinated as of August 10. As of the report 103% of the 65-74 age group, and 104% of the 75+ age group had received at least 1 shot. As of this report, data also showed 101% of the 12-15 year olds and 117% of the 16-19 year olds having already received at least one shot.

On Monday, August 9, the Emergency Management Director provided the following *CARES Act* spending breakdown to the Select Board. The chart represents municipal spending, and does not reflect expenses charged to the ESSER or *CARES Act* funds received by the schools. The Planning and Development Expenses do reflect technology purchased by the schools, for which the Select Board had committed municipal *CARES* funding prior to the July 2020 Annual Town Meeting. The amounts indicated are prior to any potential reimbursement for eligible expenses.
