Looking at our 1 active case, it is located at one address; a single family home.

According to vaccination data by community released by the state, 79.8% of the population is partially vaccinated, and 68.9% of the population is fully vaccinated as of June 8. As of the report 101% of the 65-74 age group, and 103% of the 75+ age group had received at least 1 shot. As of this report, data also showed 83% of the 12-15 year olds and 108% of the 16-19 year olds having already received at least one shot.

According to an analysis of MAVEN data, there were two new cases in the 30-59 range in the last week.

On Monday, June 7, the Emergency Management Director provided the following *CARES Act* spending breakdown to the Select Board. The chart represents municipal spending, and does not reflect expenses charged to the ESSER or *CARES Act* funds received by the schools. The Planning and Development Expenses do reflect technology purchased by the schools, for which the Select Board had committed municipal *CARES* funding prior to the July 2020 Annual Town Meeting. The amounts indicated are prior to any potential reimbursement for eligible expenses.
