

Dear Holliston Parents/Guardians and Staff:

On Sunday evening, Massachusetts Governor Charlie Baker ordered ALL schools in Massachusetts be CLOSED through (and including) Monday, April 6, 2020. This means that **the Holliston Public Schools will be CLOSED THROUGH MONDAY, APRIL 6, 2020**. The earliest date we will be re-opening will be Tuesday, April 7, 2020.

Central Office and Building Administrators have been working throughout the weekend to begin to plan for this likely announcement. Our expectation is that we will begin to provide enhanced learning activities for our students beginning Monday, March 23, 2020. Parents received preliminary information from building principals earlier this weekend and you should expect more information will be forthcoming in the coming days.

In the meantime, it is critical to remember that these are NOT snow days. The reason the Governor took this extraordinary action is to promote thoughtful social distancing to limit exposure to the Coronavirus for our students and their families. Please take these recommendations seriously.

Additional information will be shared as it becomes available. Thank you for your patience and understanding as we continue to react to this rapidly changing set of circumstances.

Respectfully,

Bradford L. Jackson, Ed.D.  
Superintendent of Schools
