

Municipal Buildings & Recycling Center Closed

At a meeting of the Select Board on Monday, March 16, the Board voted to close all municipal buildings in the Town of Holliston to the public. Residents and businesses are encouraged to conduct their interactions with town employees via the website or telephone.

There are separate drop-boxes outside the west entrance of Town Hall for 1) payments, abatement and exemption applications, Town Census; and 2) plans for land use departments.

Previously in the day, the Parks and Recreation Department announced all town parks and playgrounds are closed. All Parks and Recreation events have been canceled until further notice.

In addition, the Marshall Street Recycling Center will be closed until further notice.
