

The Town will be asking those that want to speak throughout the Forum to use the Raise Hand Feature.

1. If you are using a Tablet/Smart Phone and want to speak touch the screen and depending on your device either in the bottom or top right of the screen there are three dots (next to Participants)... Press the three dots and then press “raise hand”.
2. If you are using a Laptop or Desktop Computer and want to speak click on Participants at the bottom of the screen. This will open a Participants window to the right. In the bottom right hand corner of the Participants window click on “raise hand”
3. If you are dialing in by Phone you can press *9 to indicate you want to speak.

When it is your Turn to speak you will be asked to unmute. For those on a Computer/Tablet/Phone will receive a message to “unmute”.

If you are calling in by phone when you are announced by the Select Board you will need to press *6 to unmute the Phone.

If you are unable to find the “Raise Hand” feature you can send a chat to “Town of Holliston” requesting to speak and the Select Board will be notified.
