- 4. New Business**
 - a. Board of Health passed along to the AgCom a resident's complaint about a decomposing pile of chicken bedding. An Ag Com member followed up and talked with the neighbor making the complaint, answering questions and providing information, then offering to speak to the neighbor with the chickens. However, the neighbor requested that nothing further be done at this time.

Cherie followed up with Scott Moles to let him know."
 - b. Inviting MDAR representatives and the Health Dept to our Sept Ag Com meeting
