New Business

1. How much time we should spend thinking proactively vs. how efficient we want to be.

My idea about one question at the beginning of the meeting, namely, what extracurricular events involving the arts did you engage with or merely enjoy in your life up through high school?

2. How should we express our thanks to Manny for his service?

3. How to find new members.

Old Business

1. Does the mural project require any action at this time?
2. Brief review of the mechanism for keeping track of what grantees' projects have been done.

Date of next meeting.
