Re: Flagg School Demolition Update

Note:

Jeff – This will be a weekly update of the activities occurring on the Flagg School site.

The following has occurred since the last update:

- Contractor will repair some low areas and better blend the new grass to old.
- Contractor will continue to water the site for the next several days.
- Fencing will remain in place until September 15th. At that time, all fencing will be removed and site returned to Town.
- The project is within the established cost.

As of this date no issues on the site.
