

WASHINGTON STREET CORRIDOR IMPROVEMENTS

PROJECT UPDATE

Week of July 23 – July 27, 2018

- The new traffic signals are currently set to “flash mode” to allow motorists to become aware of their presence, prior to full activation. “Flash mode” began on July 18.
- On **Wednesday, July 25** the new traffic signals and new traffic pattern will be **activated**. Traffic will be observed, and adjustments to signal timings made if necessary.
- Mast arms and equipment for old pedestrian crossing warning beacons will be removed.
